The Pre Nursery yeladim are excitedly counting the days from Pesach til Shavuot. Along the way we've enjoyed creating a beautiful bulletin board and practicing our counting skills. In preparation for Lag Ba'Omer each child made a small bonfire that really lights up and as a class we made a big bonfire to use on Lag Ba'Omer for a picnic lunch and kumzitz. The yeladim also have been practicing their sofer skills and using real quills to create a toy Torah, as we write our Torahs the yeladim enthusiastically reviewed what we've learned in Parsha so far this year!

What an amazing week we had in the Nursery Stay and Play! This week's theme was Community Helpers. We had special visits from a pharmacist (Dr. Yaakov Samberg), firefighter (Fireman Chris), Hatzalah member (Kenny Landsman) and an eye doctor (Dr. Taya Grilli). They all explained about the duties of their professions and how they help us! We also had fun becoming a police officer and a construction worker as we learned more about different community helpers. Thank you to all our special guests for sharing with us!

The Kindergarten Yeladim practiced Veahavta Lereacha Kamocha by making friendship bracelets together and then exchanging them. A good time was had by all! They also made a beautiful centerpiece for home that featured Rabbi Shimon Bar Yochai and his son learning Torah in a cave. The Kindergarten Yeladim had a fun time learning to distinguish between the letters Shin and Sin. We did Shin/Sin exercises and fun, interactive worksheets.

The Kindergarten classes have been learning about butterflies. We have been observing as our caterpillars spun themselves into their chrysalis in our classroom and then turned into butterflies. This week, we released our butterflies back into nature.
