Teacher Orientation**1st Week of School****HEALTH CORNER**

Welcome Back To School!!!

We look forward to helping keep your children safe and healthy throughout the year. As this year presents with many new challenges, please be vigilant and keep your children home, if there is any suspicion of a student or family member having COVID or COVID-like symptoms. It is important that you contact the nurse immediately in these situations.

Please be aware of any allergies that may exist in your child's class when sending snacks and/or lunches to school. Additionally, it is important to help make your children aware of these allergies.

In order to keep the school as clean and germ-free as we can, we stress the importance of washing hands, wearing masks, and social distancing throughout the day. Washing hands is easy to do and it is the #1 prevention to spreading infections and illness among a group.

We are available for questions and concerns at any time. We can be reached at the school office or emailed at tchinn@ariecrown.org or igoykhman@ariecrown.org

Thank you for your help in protecting our children!

Mrs. Tamar Chinn, School Nurse

Mrs. Ilona Goykhman, School Nurse
