WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

3rd-8th Grade News

On Thursday before Rosh Hashanah, our Talmidim in grades 3-8 said Hatoras Nedarim before a Beis Din. 6th-8th grade boys did so after their Minyanim. 3rd-5th grade boys and 3rd-8th grade girls participated via zoom. Our Beis Din was set up in the Bais Medrash and Rabbi Samber addressed everyone before they recited Hatoras Nedarim.

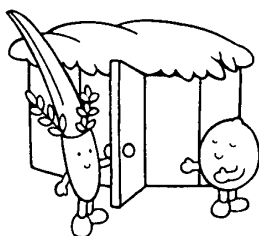

On Wednesday before Yom Kippur, our Talmidim in grades 3-8 participated in the annual worldwide Tehillim Asifa (gathering). Joining tens of thousands of children from around the world, this gathering is always very powerful. Despite being in smaller settings, as due to covid each class had to participate from their classroom instead of everyone gathering together in the gym, the power of Tehillim being said by so many Tinokos Shel Beis Rabban (school children) at the same time was truly felt.

4th Grade News

By Mrs. Dubovick

What a great week we had in Mrs. Dubovick's Kitah Daled!!!

Mrs. Dubovick is so proud of each of her Talmidos for achieving 100 percent on their first keyword test this year!!! Rabbi Kirshner came to see the tests and shep nachas!! He asked the girls a few of the keywords and they knew them well B"H!!!

We also made a beautiful personalized star magnet with our pictures on it. These projects show how precious we each are to Hashem!!!! This project enhanced the lesson we learned in Chumash/Rashi Aleph. See our girls holding the project in the picture.

Many girls davened so beautifully on Rosh Hashana from their Machzor with the bookmarks they made to find the places more easily.

Stay tuned for our stunning Sukkos project next week IY"H!!

Wishing you all a G'mar Chasima Tova!!

The Kindergarten children begin their Jolly Phonics program, beginning with the letters A and S!

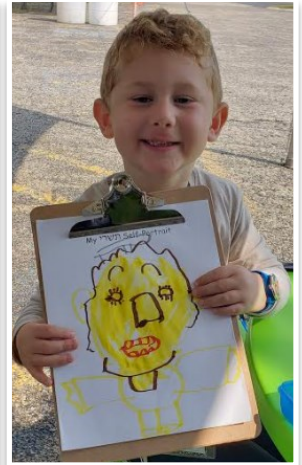

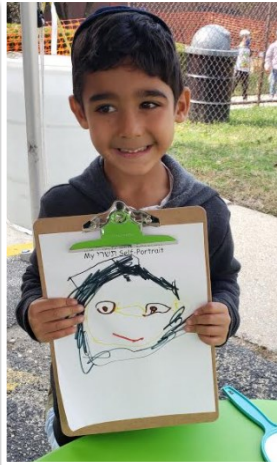

They can show you these letters' actions, say their sounds, and write them! Identifying words that begin with these letters is another skill they are working on. Even Snack was thematic!

Can you think of an outdoor activity that begins with the letters A and S?
Baruch Hashem for Amarzing Sunshine!

Check out our first Nursery Self-Portraits!

Pre Nursery & Nursery prepare for Yom Kippur!

The Nursery Yeladim use a scale to understand how Hashem weighs our Mitzvos and Aveiros on Yom Kippur.

The Pre Nursery Yeladim create non-leather shoes for Yom Kippur. These shoes will also be used to help them practice their lacing skills!
