5th Grade News

By Ayla Wittlin and Meira Zissman

This week in 5th grade we had an amazing time learning expectations and we had a blast playing games. We are very excited to be switching classes and having 4 teachers instead of 2. In Mrs. Turoff and Mrs. Schur's class we get tickets for davening every day. In Mrs. Spiliopoulos and Mrs. Borth's classes we've watched science videos to writing essays and have been doing map testing. As we all walked into school we were very excited to be starting a new year. All our teachers are great. We are looking forward to an awesome year!

DAY OF LEARNING

Thank you to **Sylvia and Yacov Feigenbaum** for sponsoring Friday's learning, August 27—19 Elul in loving memory of **Mr. Henry Berger, a"h**. On the occasion of his 31st Yahrtzeit. His life was dedicated to providing his family with a Jewish Day School education. May his neshama have an Aliyah.

Dedicating a day of learning at Arie Crown is a meaningful way to commemorate a Yahrtzeit, merit a Refuah Sheleima, and recognize a special occasion or Simcha. If you are interested in dedicating a day of learning, please [click here](#), or call Levi Zeffren at 847-982-9191 Ext. 325.

PRE-NURSERY

NURSERY

KINDERGARTEN

Our first full week of school in the Peach Room has been smooth as the Yeladim have begun to learn our Pre-Nursery routines. Our arrival time routine focuses on helping the Yeladim with their emerging independence, and they have been getting good at it! They have been getting to know one another and forming friendships. Our Peachy Peaches tasted apples and then graphed the results, made apple prints with paint, finding the “star” inside, painted with apples, painted using a teabag, and sang many Rosh Hashana songs and much much more!! Rosh Hashana Prep is in full swing In The Peach Room! 🍊🍊 Wishing you and your family a Shana Tova and a Happy New Year!!!!!!!❤️🍏🍏🍏🍏🍏🍏🍏🍏🍏🍏🍏🍏

The Kindergarten classes are busy getting ready for Rosh Hashanah. They made their own honey dishes!! They also saw how a real shofar is made and learned about the different kosher animals from which a shofar can be used.

The Kindergarten children began their first math unit with a review of basic shapes. Fun hands-on learning took place through activities such as a classroom scavenger hunt for square and rectangular objects, using blocks to form squares and rectangles, and creating imaginative designs from the shapes.

This week in the Sapphire Room Stay and Play, we learned all about different kinds of birds! We enjoyed a variety of different bird-themed activities including: painting a picture using feathers instead of paintbrushes, creating a cool owl using cupcake liners, and putting together a delicious owl snack! The Yeladim really enjoyed eating their owls for snack and all the bird-themed activities.

Have a Good Shabbos!
