WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

Yomim Noraim News

Our school year and the Jewish calendar certainly put pressure on our Rabbeim and Moros to "cram in" an abundance of information in a short amount of time. We are SO appreciative of all of the hard work that was put in to make our children's Yom Tov preparations meaningful and enjoyable. Thank you to our Rabbeim and Moros for making this a reality!

To enhance the ruach and learning during this auspicious time we also participated in a number of special programs to prepare us for the Yomim Tovim:

During Chodesh Elul, all of our classes hear the Shofar each day from Rabbi Kirshner.

Our 3rd-8th Grades participated in Hataras Nedarim.

Our 5th-8th Grades participated in special Kumzitzes before Rosh Hashanah. Special thank you to Rabbi Avi Schwartz for playing the guitar at the boys' Kumzitz, and to Miss Polastek for playing the guitar for the girls' Kumzitz. Shout out to Kayla Rosen for picking many of the songs for the girls' kumzitz as well!

Our 6th-8th grades were zocheh to special Teshuva Drashos before Shabbos Shuva. Our boys heard from Rav Zev Cohen, and our girls heard from Mrs. Esti Deutsch.

Our 3rd-8th grade joined tens of thousands of Talmidim from across the country and beyond in the annual Misaskim live Tehillim hookup where tehillim were said on behalf of all of the cholim.

All classes were able to perform the minhag of Kapparos with a live chicken. Thank you to Rabbi Yosef Cohen for arranging this special program.

The boys in Miss Gutstein's Super Second Grade got ready for Rosh Hashana with a fun math recipe! We solved math problems in order to fill in the missing ingredients to a delicious dessert. What a fun way to get ready for Yom Tov!

ARIE CROWN PARTNERS WITH MORASHA!

Morasha is a Sephardic organization under the Sephardic Rabbinic Leadership of Chicago, with a primary mission to provide Sephardic education and increase awareness of Sephardic customs and rich heritage to the youth & families across Chicago. Last week, prior to Rosh Hashanah, Morasha was able to distribute folders to 1st-8th grade Judaic teachers with information about the many Sephardic traditions and customs for Rosh Hashanah, Yom Kippur and Sukkot. The information in these folders allowed the Moros and Rabbeim at Arie Crown to insert Sephardic traditional differences in their lesson plans to accommodate the educational needs of Sephardic students in the classroom as well as to teach students about traditions other than their own. Please ask your child(ren) if they learned any new or different customs or if they have seen The Morasha bulletin board.
