WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

1st Grade News

By Mrs. Stein

Mrs. Stein's First Grade class had a really great time building their number sense by playing the card game "War" in small groups and practicing their digraphs and blends with a race to win the game.

Lice Check is
Sunday, October 10
9:00–11:45 a.m.

Please see page 5 for important policies and information.

The Lost & Found will be on display at lice check.
Feel free to search for your items while at Lice Check.

1st Grade News

By Morah Matanky

Before the Sukkos break, Morah Shapiro and Morah Weldler's First Grade girls had a fun time doing their own creative Sukkos pictures with Morah Matanky. The girls closed their eyes while listening to the Moros describe some of the colors, objects, and smells of Sukkos. When they opened their eyes, the girls were each given a piece of white paper and a zip-loc bag filled with squares of single colored and patterned papers to make their own individual pictures on their thoughts about Sukkos.

If you check out the pictures, you will notice how creative, amazing, and thoughtful the First Graders are!

Morah Matanky is happy to report that she even saw some of the pictures hanging in some of the girls' sukkos over Sukkos!

The girls are excited and looking forward to doing more fun projects this year!

2nd Grade News

1st Grade Summer Kriah Packets

Yasher Koach to Second Graders Chaya Altman, Hindy Bogochov, Avital Cohen, Shlomit Cooper, Miri Hunter, Aliza Khvilovsky, Elisheva Joseph, Dalya Kalman, Chana Katz, Bayla Kirshner, Gitty Kompel, Sara Baila Polstein, Esti Richman, Avigayil Schultz, and Leah Raizel Zysman from Morah Atlas, Morah Shapiro, and Morah Steinfeld's First Grades for finishing and bringing back their summer Kriah (Hebrew Reading) packets.

They were each rewarded (see pictures)

with a special Modeh Ani Arts and Crafts project (in addition to improving their reading skills over the summer!!)

Thank you to Morah Matanky for all your help in this endeavor.

5th Grade News

By Dahlia Wengrow and Malky Worch

We had such an exciting week in Mrs. Schur's 5th Grade girls' class. We started doing "Emuna through Art" with Mrs. Greenberger. We started to make a beautiful landscape to show that Hashem's creations are beautiful. On Thursday night we have a special program for 5th graders in Chicago. Our Hebrew classes are so fun. Have a good Shabbos.

8th grade PE Class Touch Football Game

Third Grade Girls' Sukkos Project

EDUCATOR OF THE MONTH

Mrs. Whisler, our math curriculum coordinator and coach for grades 4-5, was named Educator of the Month by McGraw-Hill, the publisher of our school's math program. Mazel Tov!

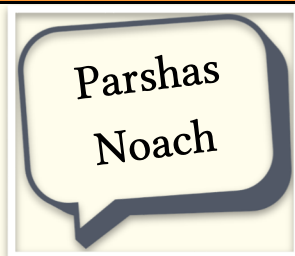

JUF'S ANNUAL ISRAEL EXPERIENCE MERIT SCHOLARSHIP

Congratulations to 3 Arie Crown Alumni who have been chosen to receive JUF's annual Israel Experience Merit Scholarships, in recognition of their community involvement and leadership skills.

The 2021 Naftali Steinfeld Merit Scholarship recipients are:

Micah Cohen, Fasman Yeshiva High School
Ayelet Dallal, Ida Crown Jewish Academy
Baila Kost, Hanna Sacks Bais Yaakov High School

DID YOU HEAR THE 1ST-3RD GRADE NEWS?

We were so excited to get back to school after Sukkos. So much learning has been going on in every classroom and we are super proud of it. Library and gym, as well as "Emuna through Art" has begun. There is an energy in the building coming from the classrooms and we couldn't be happier!

Kitah Alef has been working hard reviewing their letters and sounds, eagerly waiting to start learning the nekudos. Thank you Morah Shoshana for the beautiful Shabbos Puzzle as a prize for the students who did their summer homework.

It was a very big week for our Super Second Graders. Mazel Tov to Morah Grinblatt and Morah Schwartz's classes for starting Chumash. May you all be zoche to always bring nachas to your parents and Hashem!

Morah Cziment and Morah Feigenbaums' classes have both started Kriah Groups. To best help each student gain accuracy and fluency with their Kriah, each class is split into 3 groups. The groups meet every day at a set time and are working on the Kriah Berura book as they are reviewing the rules for proper reading. Thank you Morah Marshak for all your work in getting the groups set up.

Rabbi Raiz and Rabbi Goldwag are deep into Chumash. Walking the hallway you can hear the Pesukim being taught and reviewed with an excitement.

Third Grade girls started a Yedios Klaliyos Program. Using the Chayeinu Program, the girls are learning the information in class; singing the material to help them master the fundamental Yedios. As each level is mastered the girls are acknowledged.

It has been so wonderful to see everyone back in school this week! In general studies, the students have been enjoying seeing their friends, getting back into routine, and really digging into their learning.

Our 1st Graders are already becoming elementary students. In math, the students are learning math vocabulary and working on addition facts. In reading, they are learning the habits of being a good reader and getting lots of time to read.

Our 2nd Graders have been finishing their first chapter of math and are excited to move into their chapter on number patterns starting with skip counting. They have been enjoying their first social studies unit on communities and have learned about rural, urban, and suburban communities.

Our 3rd Graders were so excited to break into math groups. They love getting to know other students in their grade. They are working hard on geometry skills and place value. Reading groups have begun in third grade with the students being challenged at their independent reading level.

All 1st-3rd Graders are working on their first writing unit which is a small moment personal narrative. It is amazing to see the growth from each grade as I observe in the different classrooms.

I am so proud of all the students and teachers for their amazing hard work and a successful start to the year.

Looking forward to a wonderful week ahead!

Good Shabbos,

DAY OF LEARNING

Monday's learning, October 4—28 Tishrei was sponsored in honor of the 3rd birthday of **Nava Gavriella bas Naomi Tova**, with gratitude to the Ribono Shel Olam for her continued Refuah Shleima.

Monday's learning, October 4—28 Tishrei was sponsored for a Refuah Shleima for **Moshe Zelig Ben Raizel**. By his family.

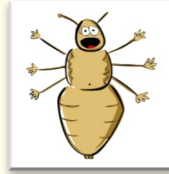

Tuesday's learning, October 5—29 Tishrei was sponsored L'illui Nishmas **Ruti Sova, a"h, Rus Moriah bas Aryeh Levi Yosef**, on the occasion of her first Yahrtzeit. She is always in our thoughts and we miss her every single day.

Wednesday's learning, October 6—30 Tishrei was dedicated in memory of **Edward (Eddie) A. Fox, a"h**. Mr. Fox, an Arie Crown Endowment Board Member, gave of himself endlessly to the Jewish community and to many organizations including the JUF, FNA, CJE SeniorLife, the Illinois Holocaust Museum & Education Center, JDC, and UJA. May today's learning merit an Aliyah for his Neshama.

Dedicating a day of learning at Arie Crown is a meaningful way to commemorate a Yahrtzeit, merit a Refuah Sheleima, and recognize a special occasion or Simcha. If you are interested in dedicating a day of learning, please [click here](#), or call Levi Zeffren at 847-982-9191 Ext. 325.

**ATT HARTMAN FAMILY FOUNDATION
EDUACTOR OF THE YEAR AWARDS**

The HARTMAN FAMILY FOUNDATION EDUCATOR OF THE YEAR AWARDS ARE BACK! Who will be the 2022 Hartman Family Foundation Educator of the Year Awardees? Help Decide! Complete a User Friendly, Online Nomination Form at www.att.org → For Teachers → Hartman Family Foundation Educator of the Year Award. For paper nomination forms & more information, visit Associated Talmud Torahs, 3531 Madison St, Skokie or www.att.org or call 773-973-2828. Submission deadline is Friday, November 5, 2021, by 1:00 p.m.

IMPORTANT LICE SCREENING NOTICE

Lice Check is
Sunday, October 10
9:00–11:45 a.m.
(There are no evening hours)

Please note the new procedures for Sunday's check:

1. Everyone regardless of vaccination status must wear a mask.
2. We are requesting that only one parent per family bring their child(ren) to lice check.
3. Please enter the building through the Kenton Street doors. There will be a lice committee member at the door who will sign you in and let you inside the building when a spot becomes available for your child(ren) to be checked.
4. Once you have entered the building you will be directed to the Bais Medrash or a 100 wing classroom for your lice check.
5. The Kenton doors will be closed at 11:45 a.m. and we will not be checking after that time. This is crucial for Sunday school dismissal.

Review of policies for lice screening:

1. All students must be checked at lice screening days. Boys in grades 4-8 will be checked during school on Sunday.
2. All students' hair must be clean and dry (no mousse, gel or hairspray). Hair that is dirty or wet will not be checked.
3. If you have extenuating circumstances and will be unavailable on the lice screening day, it is your responsibility to contact our lice committee parent liaison, Malkie Kohn, at malkiefriedman@aol.com by Sunday morning to set up a time to be checked. Please note that checks are only available during daylight hours.
4. If your child does not attend lice check and you have not contacted the lice committee to make alternate arrangements, s/he will not be admitted to class the following day. You will be called to pick your child up from school and wait with him/her in the office until s/he is checked. Checks will begin at school Monday morning no earlier than 9:15 AM. Parents must wait with their children until a lice checker becomes available. Students will not be checked without a parent present.

Thank you in advance for adhering to these policies. Your cooperation is appreciated.

Rabbi Eli Samber

Mr. Sam Medow

Lice Screening Committee:

Missy Kost 312-927-5678

Jenny Landsman 773-764-4783

Brooke Warso 847-673-3074

PRE-NURSERY

NURSERY

KINDERGARTEN

We had a blast at circle time pretending to be many of the animals Noach brought into the Taiva! After learning the story of Parshas Noach, the Gold Room Friends constructed edible pretzel taivas for their animal crackers!

We started our OCEAN UNIT! The Pre Nursery Stay & Play classes are excited to learn all about the ocean plants and animals. We enjoyed creating a special fishbowl by rubbing crayons, gluing kelp, and best of all using our handprints to make the fish! We also did a fun ocean animal movement activity and are looking forward to many more awesome ocean activities!

The Kindergarten Yeladim started learning the Alef Beis this week! Mazal Tov!

The Yeladim in Kindergarten built a giant taiva for the bulletin board as well as their own taiva to take home to share their excitement about learning Torah!

Parshas Noach Petting Zoo! 🐐🐑🐓

The Yeladim are so happy to be back at school playing with their friends! 🐣❤️

This week the Nursery Stay & Play learned all about Pasta!!! We discussed how Pasta is made and then painted with brushes made out of spaghetti, wrote our names with pin wheels and cut cooked spaghetti with scissors!! We also enjoyed a yummy snack of pasta 🍝 What a blast!!!

🌈 Have a Good Shabbos! 🌈
