4th and 8th Grade News

By Rabbi Caplan

The tradition continues! Rabbi Cohen's 8th grade came to Rabbi Caplan's 4th grade to help review the first 4 Mishnayos of Maseches Sukkah. This year was unique though, because many of the 8th graders who came were 4th graders when this tradition began. After the learning, Rabbi Caplan showed the Yediot picture from 4 years ago on the Smartboard. A lot of history in those Yediot archives on the website! Also, Rabbi Caplan grew a pumpkin vine

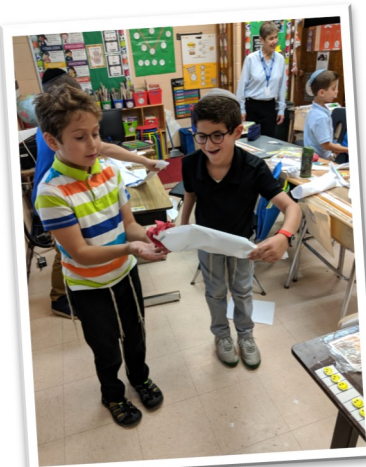

this summer in his yard and brought it in to show the class what the Mishna is talking about when it says וְאֵת הַדִּלְעָת

3rd Grade News

By Mrs. Glickman

Mrs. Glickman's 3rd Grade boys had Mystery Science on Friday. In preparation for Rosh Hashanah, we made our own apples out of construction paper and then came up with different apple trappers to pick them from our orchard. The boys worked in teams. One boy made a green apple and the other, a red. It was so much fun!

MIDDOS MATTER CORNER

Arie Crown's Middos Matter school-wide initiative is off to a great start! "Be Respectful, Be Responsible, Be Safe" is our theme.

***** **ALL STARS!!** *****

As part of our new Middos Matter program, teachers have been writing positive referrals for students showing off their Respectful, Responsible and Safe behaviors around school. Every week, we randomly select 5 students from the All Stars to see Rabbi Samber and receive a small prize. Congratulations to last week's winners!

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

SCAN
YOUR RECEIPT

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
