WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

## 4th Grade News

By: Rabbi Caplan

Rabbi Caplan's 4th grade learned about a case where someone used a vine as the Schach for a Sukkah. Rabbi Caplan grew a spaghetti squash vine this summer in his yard and brought it in to show the class how long these vines can be. Also, we recently reviewed for a Chumash test, using a suffix matching game on the whiteboard.

### WELCOME TO CLEAN SPEECH ILLINOIS!!

Clean Speech Illinois is a city-wide project that is being done by all Jewish Day Schools in Chicago, including ACHDS. It is a month-long awareness program, during November, where the Students will focus on No Lashon Hora or Nivul Peh, as well as positive speech between peers—in other words Clean Speech! All students will be receiving Clean Speech swag this week! Stay tuned to next week's Yediot for more information.

*This program is being sponsored by The Rothner Family.*

## 2nd Grade News

By Mrs. Schwartz

A few weeks ago, while learning about Parshas Noach, the Kittah Beis girls were hard at work using their Amah measuring sticks to measure how long the length of the Teivah was... 300 Amos! Starting at the Kilpatrick side entrance, the girls measured one Amah at a time all the way down the long Arie Crown hall, past the outside doors and all the way to the Kenton fence! The girls were so surprised to see how long the Teivah was!! They now have a better understanding of the Teivah's actual measurements as we learn the Pasuk and details from inside our Chumashim.

## 5th Grade News

By Evrie Shir and Maya Rosen

This week in Mrs. Schur's 5th Grade girls' class, we made a really cool art project in "Emunah through Art". We traced our right hand on white and black paper. On a different non-colored paper, we colored in pastels and placed the black paper as shadow under the white hand to represent the Passuk in Tehillim "Hashem Shomrecha Al Yad Yeminecha." In Mrs. Schur's class, we started learning the Halachos of Brachos. In Mrs. Turoff's class we watched an interesting video on this week's Parsha Chayei Sarah. Wishing you a good Shabbos.

## 2nd Grade News

By Mrs. Coe

This week, Mrs. Coe's Second Grade Girls' classroom was turned into three different communities. The class divided the room into urban, suburban and rural areas. Each of the communities was set up so that the guest could visualize what the actual community might look like. Mrs. Glatz's and Mrs. Wilens's classes toured the communities as the Second Grade girls shared what they have learned.

**DAY OF LEARNING**

Friday's learning, October 22—16 Cheshvan is sponsored in memory of R' Moshe Kalman ben Reuven Avigdor, a"h, on his second Yahrtzeit. Beloved Grandpa of Sammy, Ezra & Yosef Lebovics. May his Neshama have an Aliyah.

Thank you to **The Reifer Family** for Sponsoring Friday's learning, October 22—16 Cheshvan in memory of **Eve Schwartz, a"h, חוה פוגע ברינדל בת, שלמה יהודה הכהן**, our dear Mother, Grandmother and Great Grandmother. You are missed terribly.

Thank you to **Rabbi and Mrs. Nosson Raiz** for Sponsoring Wednesday's learning, October 27—21 Cheshvan L'zecher Nishmas the 24th Yahrtzeit of our Grandfather, **Rabbi Yosef Zeitchik, z"l, ר' יוסף בן ר', נחמיה הכהן זצ"ל** on חשוון י"ג.

Dedicating a day of learning at Arie Crown is a meaningful way to commemorate a Yahrtzeit, merit a Refuah Sheleima, and recognize a special occasion or Simcha. If you are interested in dedicating a day of learning, please [click here](#), or call Levi Zeffren at 847-982-9191 Ext. 325.

**RUNNING CLUB**

Running club is off to the races with four weeks of Sunday sessions so far under its belt. Each week the third through sixth grade girls do warm ups\stretches, a fun movement activity and then walk or run a mile (which is four laps around Lerner Park where they meet). A few weeks ago the movement activity was freeze-tag and last week it was relay races with bean bags and eggs (a little messy but a lot of fun!). Runner extraordinaire and first-time Running Club member Huvi Perkel reports that, "Each week I have been able to push myself harder and run a bit further. I used to think the half-mile was hard, but now the one mile isn't even such a challenge!" Thank you to the amazing running club coaches Dana Hunter, Mindi Zissman, Shalva Banker, Lena Prero and Yevgenia Meyerson who cheer the girls on and push them to do their best each week!

**MIDDOS MATTER CORNER**

Arie Crown's Middos Matter school-wide initiative is continuing strong! "Be Respectful, Be Responsible, Be Safe, Be Kind" are our schoolwide expectations.

\*\*\*\* **MIDDOS MATTER ALL STARS!!** \*\*\*\*

As part of our Middos Matter program, teachers have been giving Middos Matter points for students who have demonstrated their Respectful, Responsible, Safe and Kind behaviors around school. Every week, we recognize the students who have earned the most points in each class that week and they each receive a small prize. Congratulations to last week's All Stars!

**Congratulations to 6TH GRADE, who earned the most points this week with 4610 points in 1 week! WOW!**

PRE-NURSERY

NURSERY

KINDERGARTEN

After learning about Rivkah's chesed of giving water at the well, the Nursery classes each created their own wells with a pulley system to use in the classroom. The Yeladim then created their own miniature wells to bring home.

This week in Stay and Play, we were learning all about different safari animals. We had SO much fun making our cute lion snack. We had fun making safari animals to be displayed in our halls.

The Kindergarten Yeladim are already learning the letter daled!! They are so excited to learn the sound and how to write each letter. They are also learning words that begin with each letter.

The Kindergarten Yeladim learned about the Mitzvah of kindness from the way Rivkah not only gave Eliezer water to drink, but also gave water to his camels.

This week in Kindergarten, we had a lot of fun learning the letters C and K. After reading the book, "If I Built a Car", the children brainstormed cool ideas for their ideal car, illustrating and journaling their thoughts. In Science we tried an interesting STEM experiment - how to make the ideal ramp to make a toy car zoom the farthest. We learned how momentum helps the car go farther, the same way people get momentum when they take a running start before jumping. We constructed a long ramp out of paper, trying to figure out which type of paper makes the best ramp for the car to go further and the best angle for the ramp. We also began thinking like scientists, asking questions such as, does the size of the car matter? Does the material matter (plastic or wood)? Does the color of the car matter? Our best results came with using construction paper. We also saw the effects of momentum when we learned about kangaroos and how far they can jump (up to 30 feet!) Using string, we marked 30 feet on the grass. We measured how far each child could jump with and without a running start and discovered that the momentum really made us go farther, although none of us came close to jumping like a kangaroo!

To better understand the concept of getting water from a well and the chesed Rivkah did, the Pre Nursery Yeladim did an experiment. Each child had the opportunity to try pulling a bucket full of water just using a rope and pulley with a crank. We realized that we're lucky today to be able to get water easily from a sink and that it was a very big chesed for Rivkah to get enough water for 10 thirsty camels.

Conferences Are Coming!!  
Tuesday, November 9 and  
Monday, November 15

The sign-up period begins this Sunday, October 31  
at 8 a.m. and closes Sunday, November 7 at 9 p.m.

NO additions or changes will be made  
after 9 p.m. on November 7.

Sign into <http://www.virtualparagon.com/ariecrown/conference/>. The master password is in the opening email of the Yediot 10/29/21. Then sign in with your user name and password. The user name is usually your first initial, no space, last name. If you don't remember your sign-in information, you can open a new account.

**ATTENTION NEW ARIE CROWN PARENTS:**

You will need to set up an account on the Virtual Paragon site. Please sign in using the Master Password above and then choose 'Create New User Name' and set up your account. Please make sure you list each Arie Crown child separately and save your account.

*Please see the following page to double check when and where the teachers you wish to see will be conferencing, as there have been changes since the calendar was printed.*

**PLEASE REMEMBER:**

- Each child is allowed one time slot only with each teacher.
- All conferences will be over Zoom. We will be working very hard to stay on schedule.
- Please schedule carefully! Teachers conference 5 minutes, 10 minutes or 15 minutes depending on how many subjects are taught.

**Please Note: If you don't see a teacher listed, please check under Resource/REACH for their listing.**

**Kaufman, Keefe, and Amster are under Ivrit**

## **Zoom Conference Tips for Parents**

- Make sure the device you plan to use is charged or plugged in prior to conferences.**
  
- Minimize interference with the conference by keeping your phone and other electronic devices away from your computer during a conference.**
  
- Background noise, such as a television or another conversation, is easily picked up on video conferences. Try to find a quiet place to conduct your conferences.**
  
- Conferences are meant to be a discussion between parents and teachers. Please do not have your children present during these discussions.**
  
- If you plan to join a conference on a phone or tablet, you will need to download the Zoom app in advance.**
  
  
- Teachers are on a tight schedule for conferences. Show them that you respect and appreciate their time by joining the meeting on time and keeping the discussion within your allotted conference time. If more time is needed, an email correspondence between the parent and teacher can set up another meeting.**
