## 4th Grade News

By Gila Altman, Daniella Sommer, and Danya Schayer

In Mrs. Dubovick's Kitah Daled this week we are moving along in Chumash in Perek Beis. It's exciting to learn about Moshe Rabeinu being born and how Bas Pharaoh has pity on him and she adopts him. We're getting better at our Rashi reading too, B"H.

At recess, we are having a lot of fun with new recess equipment. Thank you Hashem for the beautiful weather this week so we can spend more time outside! (see pictures of us enjoying the nice weather.)

This week on Wednesday, Nov. 11 was pictures day in school. We all enjoyed!

We are moving along nicely in Chayeinu and Ivrit. We already made our Ivrit cards for story #6. we hope to perform some cute Ivrit skits in Hebrew from this story soon. Stay tuned for our next exciting Rosh Chodesh store with fun prices next week. Have a great Shabbos!!

## 6th Grade News

By Kira Wittlin and Ariella Titievsky

The past couple weeks in Mrs. Langer's 6G Chumash class were busy ones! We just finished learning how Bnei Yisrael camped in the Midbar. When we finished we had a Siyum as well as a fun project assignment. We made models of how Bnei Yisrael camped in the desert. They turned out fantastic! Everyone did a beautiful job! At our Siyum, we presented our projects and had a lot of snacks and candy, and even Rabbi Kirshner came! Then we had a test on the material and we all passed with flying colors! Thank you Mrs. Langer and Rabbi Kirshner for our Siyum and thank you Ariella Titievsky, Chaya Bracha Cohen, Kira Wittlin, Lilly Kucher, and Nava Turoff for your beautiful projects and delicious snacks! Have a good Shabbos!

Congratulations to Ms. Deb Coe who was a James Patterson and Scholastic Book Clubs Partnership Grant Winner. Ms. Coe was awarded \$500 and 500 bonus points to spend on Scholastic books for her classroom. She is so excited to share all the amazing new books with her class of Super 2nd graders.

## Nursery explores nature and creates a nature collage!

## Well, Well, Well!! Look what Nursery created!

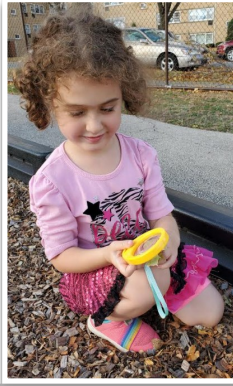

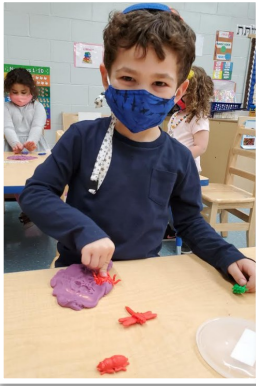

After learning about Rivkah's mitzvah of giving water at the well, the yeladim created their own well with a pulley system for the classroom. Then they created their own miniature wells to bring home!

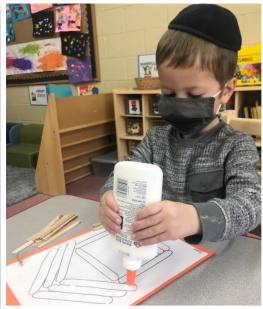

## Nursery Stay and Play yeladim learned all about Bugs!!

We painted with fly swatters, used play dough to make fossil imprints and searched for bugs outside using magnifying glasses!

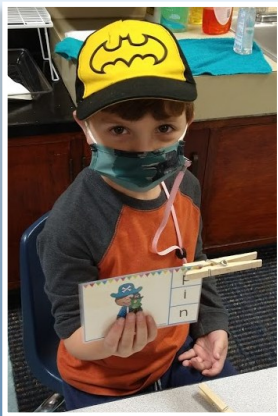

## The Pre-Nurseries learned all about Chesed from Parshas Chayei Sarah!

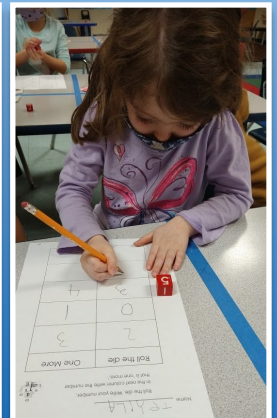

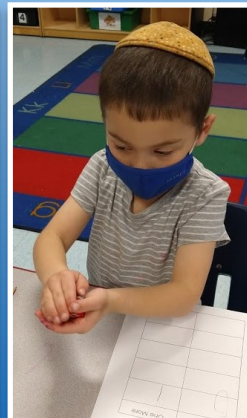

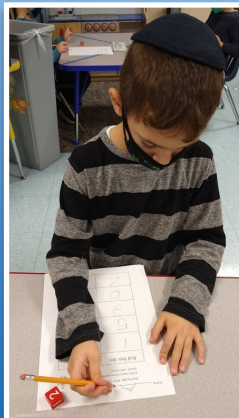

The yeladim "watered" their own camels with watercolor paints and made a well out of popsicle sticks. We created a ChesedClub, and strung beads to make Chesed Club necklaces. We also introduced a Chesed Bucket, and look forward to filling it up with a lot of "drops" of Chesed!
