4th Grade News

By Eliana Ross, Gaby London and Daniella Brenner

This week in Mrs. Dubovick's 4th grade class, we learned a song in our Dikduk workbooks for the 1st time! We had our Ivrit list #3 and keywords tests. We're all adjusting to our new seats. We're also very excited that we finally have a new teacher—Ms. Karen Benezra. We had our 2nd Rosh Chodesh store and it is so exciting. We bought such cute prizes with our stars that we earned all month! We all enjoyed making our Sukkah guitar decorations and hanging them in our Sukkah (see picture). Have a great

MIDDOS MATTER CORNER

Arie Crown's Middos Matter school-wide initiative is off to a great start! "Be Respectful, Be Responsible, Be Safe" is our theme.

One of the key elements of a successful PBIS program is the use of tokens. Tokens are designed to reinforce positive behaviors in all areas of the school. Teachers can reward Respectful, Responsible, or Safe behavior by giving a student a token. Teachers can give a token to ANY student at Arie Crown! Students will put their tokens in any of the installed hallway mailboxes, which can be found in all four wings of the school. On Fridays, winners are randomly chosen from among all of the tokens earned and will receive a special prize from the administration! All classes will participate in our next round of assemblies this coming Monday, Nov. 4, at which students will be introduced to our exciting token system! We will also be setting whole school token targets with a prize for the entire school when we reach our designated total number of tokens. Check this Middos Matter corner for further details!

***** **ALL STARS!!** *****

As part of our new Middos Matter program, teachers have been writing positive referrals for students showing off their Respectful, Responsible and Safe behaviors around school. Every week, we randomly select 5 students from the All Stars to see Rabbi Samber and receive a small prize. Congratulations to last week's winners!

Pre-Nursery and Nursery Yeladim recreate Noach's Teyvah using various materials found in the classroom!

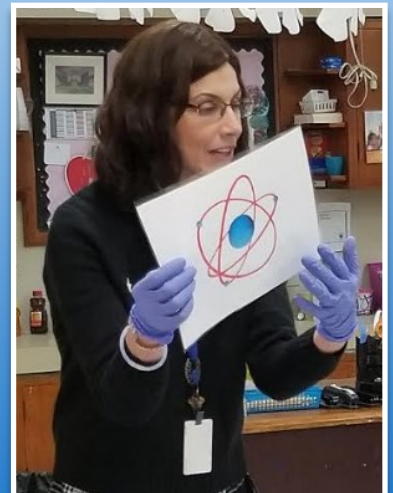

Pre-Nursery and Nursery experiment with water! The yeladim make predictions about what items sink/float, then they test their theories!

Pre-Nursery and Nursery enjoy the Animal Yoga classes given by our own Morah Michelle and Morah Batyah!

The Kindergarten classes at Arie Crown explored the difference between light and dark for the Parsha of Bereishis. They learned all about the electron and how it glows when it gets excited, often through a chemical reaction. We learned that the sun gives off UV light that we cannot see, but with the help of a special filtered flashlight, we were able to see it. We used the UV flashlights to explore glowing objects as well as ourselves. This is the essence of our parsha science program, *Vayehi Ohr*, enlightening our students' minds to Torah through science!

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

**SCAN
YOUR RECEIPT**

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
