Lunch with a Legend News

On Rosh Chodesh Cheshvan, this year's 8th grade boys and girls began our educational and inspirational program called "Lunch with a Legend." Students will IY"H gather each Rosh Chodesh for a special brunch and learn together with someone who lived through the period of the Holocaust. Through teaching the students Pirkei Avos and sharing with them a piece of "their story," a life changing bond is formed between these "Legends" and our students. This month, the boys were privileged to spend time with and learn from Mr. Izzy Starck. Mr. Starck, a Holocaust survivor, and author of "A Boy Named 68818" is a proud past parent and current grandparent of many Arie Crown Talmidim and Talmidos. We wish him, together with his Eishes Chayil, continued Gezunt and Nachas and thank him for all he does for our school. The girls were privileged to spend time with and learn from Rabbi Levy Van Leeuwen, who shared his experiences in the Holocaust as a young child in Bergen Belsen. While he spoke of the many hardships he and his family encountered, he also recalled the numerous miracles that saved him and his family. He inspired our Talmidos with his message of everything is in Hashem's hands and we must have strong Bitachon and enduring Emunah. We thank Rabbi Levy Van Leeuwen and wish him and his wife Reva continued Nachas from their family.

5th grade boys are participating in a live-stream class with Rabbi Kaufman from the Eretz Chemda, Mitzvos Hateluyos BaAretz program! This program will take place every two weeks in each of our 5th grade boys classes!

4th Grade News

By Ella Jankovits, Nesya Goldman, and Goldie Friedman

In Mrs. Dubovick's 4th grade class, we had a fun time experiencing the Middos Matter program. See our proud girls holding their well earned tokens.

We are having a good time earning tokens. We are learning our fourth Ivrit list and our fourth key words list. We are so excited to be learning a new subject, Be'ur Tefillah. We began Perek Bais in Chumash and we are learning Rashis by heart. We are moving so far in our Chayeinu. We are learning new songs to help us with the Shoftim. This Shabbos is Rochel Imeinu's yahrtzeit. We will do a beautiful project on Rochel Imeinu—Check it out next week in the Yediot. Hope you have a good weekend.

5th Grade News

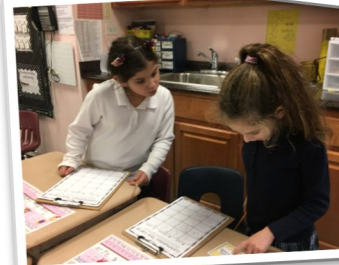

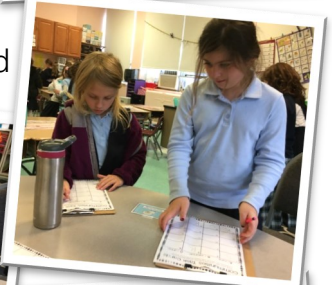

By Ariella Titievsky

This week in Kittah Heh, we had our first Madreigos program. It was so much fun. We finished our Inyan (topic) in Chumash! We had our Siyum last week on Friday. There were snacks, decorations and a D'var Torah—it was a blast! We also started a new Middos Matter program—if a teacher catches you doing something good, you get a token and get entered into a raffle.

2nd Grade News

By Mrs. Abrams

Mrs. Abrams's 2nd grade girls completed their social studies unit all about communities this week. They learned all about rural, suburban, and urban communities. To finish up the unit, the girls had a culminating activity where cards were placed all over the classroom that provided clues to different types of communities. Working with a partner, each team decided whether each card described an urban, suburban, or rural community. The girls were able to show all that they had learned while also getting to work with a friend.

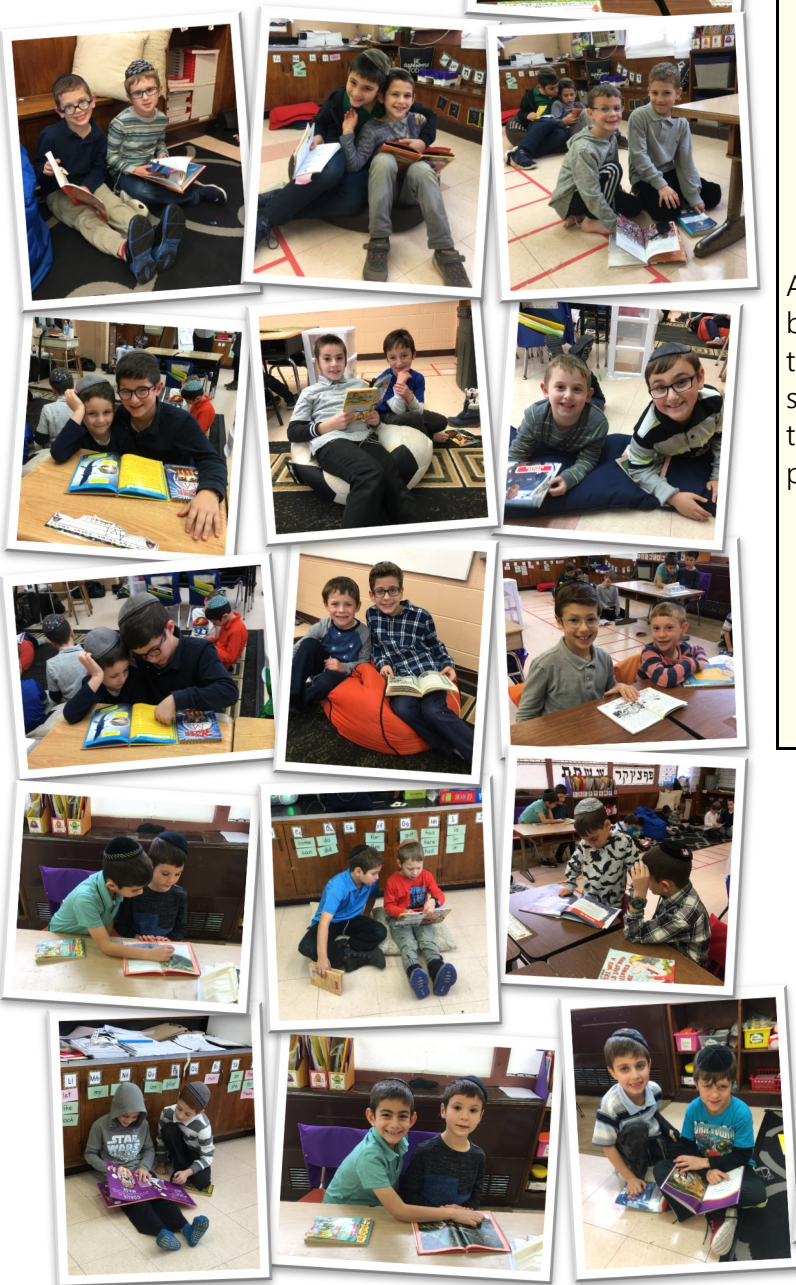

1st and 3rd Grade News

By Mrs. Stein

1st and 3rd Grade Reading Partners

Last Thursday, Mrs. Stein's 1st-grade class partnered up with Mrs. Glickman's 3rd-grade class to practice their reading skills. First, the first graders used different reading strategies to figure out hard words as the 3rd graders coached them. Afterward, the partners switched and the 3rd graders practiced their read-aloud skills to read interesting stories to their first-grade partners.

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
