WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

The 8th Grade boys of Arie Crown have once again shown how amazing they are! After working together with tremendous teamwork and raising a record-breaking amount for Chai Lifeline's Annual Chanukah toy drive, they went to the toy store to buy toys for Chanukah. Here are a few pictures of ALL the toys we were able to buy! Tizku L'Mitzvos and Yasher Koach to the 8th Graders!

5th Grade News

By Ilana Ninio and Danya Schayer

This week in Kitah Heh, we are learning in Chumash how Moshe is up on Har Sinai and the nation doesn't know what happened to him. (We know that Moshe is up on the mountain for 40 days and 40 nights but the nation didn't. They thought Moshe was late and possibly dead.) They went to Aharon to ask him to make them a new G-d/leader.

We loved the outfits everyone was wearing on Picture Day; they were so pretty! We threw Mrs. Spiliopoulos a surprise birthday party on Tuesday! Have a good Shabbos!

GIVE/GET OPPORTUNITY

WE WANT YOU

DID YOU HEAR THE 1ST-3RD GRADE NEWS?

Parshas Vayishlach

Welcome Shua and Shira!!! Did you hear the great news? Shira and Shua have joined us in Arie Crown for this school year. They will be helping us over the year learn 'How I can make Hashem Proud'.

On Friday, Rosh Chodesh Kislev the students in grades 1-2 had a wonderful time meeting our mascots. Through an adorable puppet show, Shua and Shira were introduced to the students. This month's theme is saying 'Thank You' to our parents, teachers, friends etc... Each student creatively decorated a mini Shua/Shira using an assortment of decorations including yarn, buttons, pom-poms, eyes, markers and feathers.

The dolls all look beautiful hanging in the hallway reminding us to 'Make Hashem Proud' throughout the day. At the end of the activity, each student was given a Chanukah chocolate Gelt in honor of Rosh Chodesh. Thank you to all the Moros for their help. A special thank you to Morah Matanky for all your creative input and ideas.

We are very proud of all of the boys in Mrs. Rosen's class who have been moving up in their levels' program. Keep up the hard work!

Station learning with Kriah in Mrs. Caplan and Mrs. Atlas's room is ever so strong. Each student is enjoying the rotation learning style and feel fulfillment as they move from center to center.

The boys and girls are working hard in Kitah Beis moving along in Parshas Noach. It amazes the Moros to see how many words the students have already mastered and are able to decipher the meanings and translation before even learning the Passuk!! Keep up the great work.

This past week, Mr. Gavriel Kark from the Walder Science Center came to do special science presentations for our 1st and 2nd grade students. The topic for this special workshop was sound. The students learned that sounds are created through vibrations. They then got to do special activities which our students loved. Each student received their own bag full of all the items they needed to do the activities. During the workshop, the students created a cup telephone where they used 2 plastic cups and a string to create a listening device they could speak with their friends on even with a quiet voice. Mr. Kark also showed the sounds made from a very large slinky attached to a cone which sounded like a laser sound effect. He also showed them how water in a glass makes different sounds depending on how much water is in the glass. The 1st and 2nd graders had so much fun and were excited to do some hands-on science activities. Thank you Walder Science Center!!

Looking forward to a wonderful week ahead!

Good Shabbos,
Mrs. Shani Rosenbaum and Mrs. Sarah Abrams

DAY OF LEARNING

PRE-NURSERY

NURSERY

KINDERGARTEN

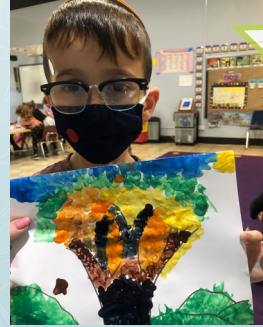

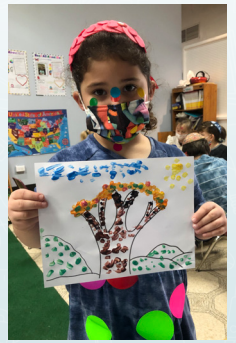

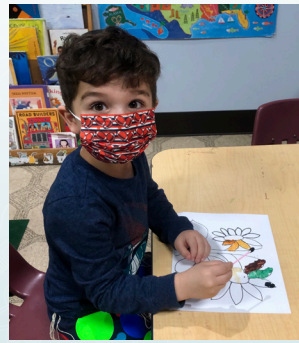

Our Peachy Peaches Yeladim had a wonderful two weeks in the Peach Room! We began to learn about Chanukah 🕯️ The Yeladim especially loved cleaning the "Beis Hamikdash" with real sponges, and hunting for a real jar of oil! The Yeladim also enjoyed many counting activities as we practice counting the nights of Chanukah!! The boys and girls enjoyed doing various exciting Chanukah projects and can't wait to light their masterpieces- The Menorah!!!!!! 🕯️ Happy Chanukah from the Peach Room!

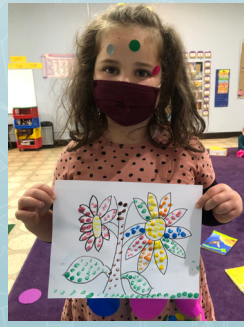

Connecting to the Chanukah candles, K4 explored what a fire needs in order to burn. The class learned that it needs heat to light it (match), fuel (candle or oil) and oxygen. After telling their predictions, we experimented with various sizes of jars to see which candle would burn longest when these jars were placed over them! The Yeladim made beautiful tile Menoros and have been practicing the correct way to light the menorah.

In honor of the letter "Dd", K1 used dots to create artwork in the style of Georges Seurat, a style called pointillism. Our little artists did a magnificent job!

This week the Nursery Stay And Play learned all about 🐛bugs!! We had to put pictures in number order in order to complete a picture of a bug! Our movement activity was so much fun as we fluttered like butterflies 🦋, buzzed like bees and marched like ants !! For snack we put cream cheese on celery and then put raisins in a straight line like ants. Yummy delicious healthy ants!! Finally we made different bugs using play dough, buttons, google eyes and pipe cleaners. We are so creative!!

Have a Good Shabbos!
