Each one of us is unique!

We learned in Parsha this week that Yaakov gave a different bracha to each of his sons and just like each one had special qualities, so do we. In K108 we are promoting our individuality- be yourself! No two people are alike. Hashem made each of us with different abilities and interests. The class illustrated a book of the activities that our yeladim do best!

"W" is for Wacky Wednesday!

In honor of learning the letter "W" in Jolly Phonics, the Kindergarteners dressed up wacky, read the book "Wacky Wednesday" by Dr. Seuss and had a fun filled wacky day!

Kindergarten Yeladim work together to rebuild the Beis Hamikdash on Asara B'Teves!

Nursery begins their Winter Unit by cutting out snowflakes and creating Winter scenes

Pre-Nursery learns their colors b'lvrit, starting with the colors adom/red and tzahov/yellow!

A top-down view of various baking ingredients and tools arranged on a light-colored wooden surface. In the top left, there's a small bowl of flour and two cracked eggs. In the top center, a wooden bowl is partially visible. In the top right, there's a small bowl of yellow powder (likely turmeric or saffron) and two whole eggs (one brown, one white). On the left side, a wooden spoon holds a pile of white powder. In the bottom left, there's a glass jar of flour. In the bottom center, a block of butter sits on a piece of parchment paper. In the bottom right, there's a wooden rolling pin and a white bowl.

An administrative workshop for principals, assistant principals, and program coordinators will be provided. It is entitled "School Culture is the Key: Leaders Making a Difference" and will be presented by Dr. Thomas Hoerr.

This annual conference is for all religious and general studies teachers in the ATT's affiliated day schools and high schools. Co-chairpersons of the conference are: Rabbi Avrohom Shimon Moller and Mrs. Chani Friedman. This year, they again worked with a committee of teachers from ATT schools to plan the conference.

The Associated Talmud Torahs (ATT) of Chicago serves the greater Chicagoland Jewish community as its Central Agency for Religious Education. Created in 1929, the ATT has provided a quality Jewish education to its Jewish youth through various educational opportunities. Currently, the ATT has an enrollment of over 4500 students in its schools and hundreds of students in its summer programs. The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

**SCAN
YOUR RECEIPT**

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
