Last week in Mrs. Spilly's class we made model cells out of Jello, to represent cytoplasm, a ziploc bag to represent cell membrane, a pipe cleaner to represent ribosome, a black bean for lysosome, a glass bead to represent a vacuole, a pompom for nucleus, and a pinto bean for mitochondria. We hope we all got good grades on the math test! We worked really hard! Can't wait to learn more about cells! Have a good Shabbos.

## Lunch with a Legend News

By Mrs. Prero

Thank you to Mrs. Ibi Weiss for her meaningful and touching presentation on her experiences in the Holocaust as a teenage girl. Our students walked away with profound lessons in how to retain one's Emunah, warmth and joie de vivre even in the face of the most trying of human circumstances. Thank you to Arie Crown alumni and parents, Mrs. Rochie Porush, Mr. Tzvi Garden, and Mr. Doni Garden for helping to facilitate their grandmother's presentation in our eighth-grade "Lunch with a Legend" program, and accompanying her as she connected with our students. Mrs. Weiss is not only the matriarch of her family, but of Arie Crown, with three of her generations having attended our school. We admire her commitment to Torah and chinuch and are blessed to have her as a role model. May Hashem bless Mrs. Weiss with many years of continued nachas from her beautiful mishpacha.

## 2nd Grade News

By Mrs. Abrams and Mrs. Coe

Recently, the 2nd grade girls classes completed their Reader's Workshop unit on reading nonfiction books. The girls learned all about nonfiction text features and how they help us learn about new subjects. After each student read many different books on different subjects, each girl chose one subject they wanted to learn all about. Then, they got to read several books on the same subject to really grow their knowledge about their chosen subject. To celebrate the end of the unit, each class held a nonfiction expert museum. Each of the classes got to go to the other class's museum. We were also excited to invite Mrs. Wilen's and Mrs. Glatz's 1st grade classes. We loved learning from each other!

## 5th Grade News

By Avigayil Heifetz and Meira Keener

This week in our Kittah Heh we are learning dance in Erev Shira. Our dance is called "The Emily Dance".

In Shmiras HaLashon we are learning the rules of Lashon Horah. In rule 52 it says you are not allowed to say someone is lacking in Torah knowledge; it is Lashon Horah.

On Thursday we had an Ivrit test. It was our Rishma 6. Our list was based on Erev Shira. For example: Rikud—dance, Hatzagah—performance, Bimah—stage, Oolam—auditorium and so on...

We had so much fun watching the Shiras Devroah that the 4th graders did.

## GIVE/GET OPPORTUNITIES

We are looking for help with costumes for Erev Shira, not all tasks require sewing. If you are available to help please contact Naomi Bayever at 773-465-0975 or nbayever@gmail.com.

FOR YOUR TEACHERS. FOR YOUR CHILDREN.

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

SEE THIS...  
**CLIP IT**

SEE THIS...  
**SCAN  
YOUR RECEIPT**

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP  
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
