8th Grade News

By Danielle Fagan

Last year in Mrs. Abowitz's 7th grade class, the girls, along with Mrs. Abowitz's help, did a tremendous Mitzvah. After watching an uplifting and emotional video about Holocaust survivors, we had a better understanding of the Tzarot they went through, and we wanted to do whatever we could to help out. We discussed what would be some good ways to help an organization as beautiful and helpful as Chasdei Na'ami. Chasdei Na'ami does not only help Holocaust survivors, but it also helps orphans and widows in need. After some consideration, we decided that talking about doing the Mitzvah just was not enough; we had to take action and start doing. As many of us were capable of working small jobs, such as babysitting, we decided to put together our Maaser money over a few months and donate it to Chasdei Na'ami. We began the journey of collecting money around January, and over the course of just three months, even with donations of just a few dollars, we managed to collect \$365 by April. This felt amazing, knowing we accomplished something as incredible as this Mitzvah.

Wednesday, December 29, 2021, Mrs. Abowitz entered Mrs. Prero's classroom smiling brightly. She informed Mrs. Prero of the Mitzvah we had done and showed us a letter from Chasdei Na'ami, which praised us for the beautiful Mitzvah we did. We ended class on a good note, which left each one of us, including Mrs. Prero, feeling inspired and happy. Have a good Shabbos!

5th Grade News

By Meira Zissman and Adira Isenberg

This week, in both classes, we had amazing raffles with great prizes. We made skits in Mrs. Turoff's class for Chumash. In Mrs. Borth's class, we started our paragraphs for our Explorer reports. In Mrs. Spiliopoulos's class, we took out a skeleton to help us learn about the skeletal system. This week, since it was Rosh Chodesh, we gathered downstairs with the 4-8 girls to sing Hallel. In "Emunah and Art", we painted a beautiful project that teaches us we should all be thankful for our full vision. Have a good Shabbos!

ARIE CROWN DISCOUNT CARD

The Arie Crown Discount card has arrived and is now available for purchase. Help raise money for our PTA and receive great discounts at the same time! Many of your favorite local stores are included, from bakeries to restaurants to florists and so much more! 2nd Grade News

By Ms. Coe and Mrs. Leonard

The Second Grade girls showcased all that they had learned during a two day Expert Museum! School administrators, teachers and the First Grade girls were able to walk through the "museum" and stop at exhibits. The museum experts shared their knowledge with guests. Some of the exhibits displayed included: butterflies, rabbits, rocks and minerals (crystals), coral reefs, sharks, polar bears and so much more! Fun and learning was had by all.

DAY OF LEARNING

Monday's learning, January 3—1 Shevat was sponsored in loving memory of **Aaron Dovid Weinberger, A"H**, Beloved grandfather of Shmuel and Yogi Friedman. May his memory forever be a blessing.

Dedicating a day of learning at Arie Crown is a meaningful way to commemorate a Yahrtzeit, merit a Refuah Sheleima, and recognize a special occasion or Simcha. If you are interested in dedicating a day of learning, please [click here](#), or call Levi Zeffren at 847-982-9191 Ext. 325.

The Arie Crown Family would like to extend a Mazel Tov to:

Community Announcements

All 7th & 8th grade boys are invited to a Special Mishmar at Ida Crown Jewish Academy (8233 N. Central Park Ave, Skokie) on Wednesday, January 12, at 8 p.m.! Join ICJA freshmen and sophomores, and our Mechanchim, Rabbi Yoni Fox and Rabbi Mayer Simcha Stromer, for a fun evening of learning, pizza and basketball.

Yeshiva Ohr Boruch, The Veitzener Cheder invites all women in the community to come join us for an evening out with world renown chef and cookbook author, Miriam (Pascal) Cohen. The event will include an exclusive food demo as well as a delicious dairy buffet. There will be an exciting Chinese auction with valuable gift packages from our local vendors. The event will take place at Yeshiva Ohr Boruch, 2828 W. Pratt, on Motzei Shabbos, January 8th at 8:00 p.m. The entrance fee will be \$25.00, with an additional fee for auction tickets. For any questions please call the Cheder at 773-262-0885.

Junior Gan Israel Day Camp registration is now open! Professional, personalized, for preschoolers ages 2-6. Benefit from our 40 years of success. [Www.juniorganisrael.org](http://www.juniorganisrael.org), or contact Mrs. Zeesy Posner @ 847-452-7770.

The Yeladim had a great time this week continuing our Color Unit with the color Blue (Kachol). They enjoyed collaging with kachol materials for the color unit bulletin board in our classroom, enjoyed eating Kachol snacks, baking Blueberry muffins and making Kachol play dough! 🍌🍌🍌

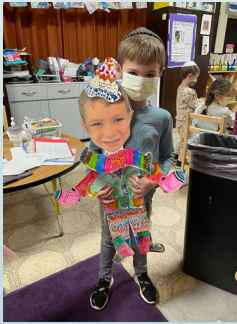

This week we continued our snow unit. We had so much fun painting and decorating our snowmen with our white puffy paint! We enjoyed playing outside in the snow. We did a science experiment with baking soda and vinegar and made our very own colorful snow volcano. It was great to watch our volcano erupting in bright colors! We got to make adorable edible snowmen using bananas, chocolate chips, and pretzels.

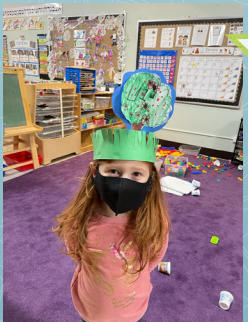

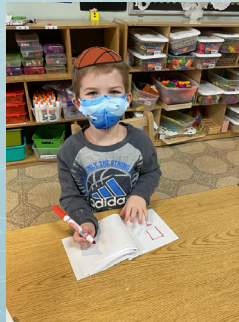

The Yeladim in Kindergarten had a busy week! They finished up their Mitzri Makkos Man. The poor guy has all 10 makkos on him now that we have learned Parshas Bo.

The Yeladim also finished all the pieces for their חורף בגדי paper dolls. They now know כובע/hat, מעיל/coat, צעיף/scarf, מגפים/boots, and כפפות/mittens. They had a great time playing with their dolls and putting their actual פרוח ידגב to use!

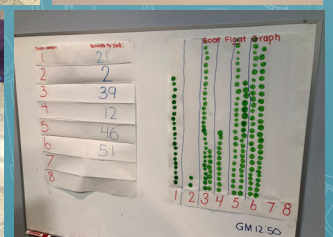

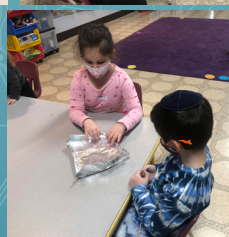

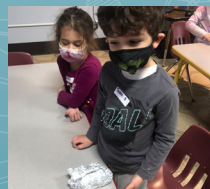

Kindergarten Yeladim continued reviewing the letters ו-א and read with their new nedukah, the kamatz. They especially like the new Smartboard games that were introduced this week.

Lastly, for Rosh Chodesh Shevat, the Kindergarten Yeladim made crowns. We have begun to learn a bit about בשבט ט"ו, as we will be on break when the האילנות occurs.

Kindergarten is learning the "oa" sound. The children did the "Boat Float" challenge! Working with a partner, they made foil boats and competed to see whose boat would hold the most pennies before sinking. They charted and graphed the results, making this a fun reading, science and math project!

After School **SCIENCE BUILDERS** at Arie Crown

Explore and build cutting-edge STEM projects.
Classes begin January 26. Registration open now.

Get charged up with the science of electricity and magnets! Discover the secrets that power our digital age, while recreating your own electronic devices like flashlights, motors, generators, earphones, and more!
