2nd Grade News

By Mrs. Abrams

In Mrs. Abrams's 2nd Grade Girls class, we divided into small groups for an exciting unit for Reading Workshop. The students each performed a short play based on a book. We had a lot of fun plus practiced reading more fluently. We learned that fluency includes accuracy, rate, paying attention to punctuation and reading with expression. We also made our own playbills and scenery based on the setting of our play. We love Reader's Theater!

5th Grade News

By Yonit Finestone and Gabi Glatz

Last week in Mrs. Schur's 5th grade we had a lot of fun learning our Erev Shira dance! We practiced a lot and put a lot of hard work into it! Hopefully you got to see it at the Erev Shira this past Wednesday. Also, we did a run through with the whole Erev Shira and we got to see the Senior choir sing. They chose some great songs! We hope you were able to come to our Erev Shira. Have a great Shabbos.

OUT LOUD BRACHOS PROGRAM

An acquaintance asked Rav Gamliel Rabinovich, a renowned Mekubal in Yerushalayim, for a ברכה on behalf of an ailing relative. Part of his response was to tell the family to have the children (and adults) make ברכות out loud because "ברכות bring ברכות".

Each year, there is a community ברכות program where the children can claim a prize in different stores after making five ברכות out loud each day for a week. The obvious goal is to have the children learn the importance of ברכות and to accustom themselves to making ברכות out loud, enunciating each word. As in all facets of chinuch, the greatest impact on a child is when the mitzvah or middah permeates the atmosphere. To this end, we are imploring all parents to help create this atmosphere at home. This "atmosphere" can be created by doing the following:

*** Make ברכות out loud.

*** Have your children answer **אמן** to your ברכות in addition to your answering **אמן** to their ברכות

***When possible, make a ברכה אחרונה out loud. On **שבת** sing the benching with your children.

By creating a ברכות "atmosphere" in your home, Hashem will **אי"ה** send His ברכות to you and your family.

Please email outloudbrachos@gmail.com for any questions regarding the program. Booklets were given out. If you did not get one, please see the front office. Looking forward to hearing lots of Brachos!

Dear Parents,

I hope this school year is going well for your child(ren). As you know, the upcoming primary elections are rapidly approaching. We all know the importance of voting and the effect it can have on us, our schools, and our community. **This years' primary election in particular is especially crucial as legislative districts will be redrawn.** This process, which will be influenced by the election results, can either enhance or diminish our communal voice in state government for many years to come.

In order to simplify the process for those who have *not yet* registered, we have included a registration form for you to complete and return to the school with your child.

If anyone is willing to volunteer as a block captain to help people register and vote on their respective block, it would be greatly appreciated.

For those who may find it difficult to make it to the polls on Election Day, March 17th, you can go to an early voting location, which opens March 2nd, or have a ballot mailed to your home. For additional information, please call: 773-754-3130, email: vote@agudathisrael-il.org, or visit our website: voting.agudathisrael-il.org.

Please fill out the attached slip/form and have your child return it to the school office. As an incentive, forms received by this Monday, February 10th, will be entered into a school wide raffle for a \$250 gift card to the store of your choice.

Thank you for your consideration.

Sincerely,

Shlomo Soroka

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

YOUR RECEIPT**

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
