WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

Arie Crown was privileged to welcome HaRav Boruch Mordechai Ezrachi sh'lita to school last Friday. HaRav Ezrachi is one of the eldest Roshei Yeshiva in the world today, residing in Eretz Yisrael. Our gym erupted in song as we welcomed the Rosh Yeshiva. The 1st, 2nd and 3rd grade Talmidim got to walk past and wave to the Rosh Yeshiva as he smiled and waved back. Rabbi Samber then introduced the Rosh Yeshiva to speak by emphasizing that this was indeed a very special day at Arie Crown. The Rosh Yeshiva spoke to the 4th-8th grade Talmidim. His main two points were that he was especially heartfelt at seeing the beautiful school of children learning Torah half way across the world from Eretz Yisrael, and that every bochur must know that HE is important and without him, his class, school, and Klal Yisrael would not be complete. The Talmidim ended by wishing the Rosh Yeshiva a good Shabbos as we walked him out of the building. What a special zechus!

PRE-NURSERY

NURSERY

KINDERGARTEN

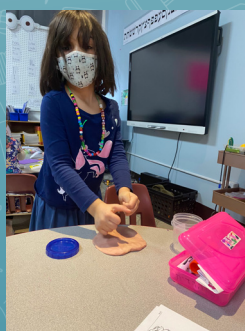

Nursery learned the letter ב, which is the first letter in the word בית/house. The Yeladim made winter snowscapes by tearing white paper to make the snow and using different shapes to create a בית in the snow.

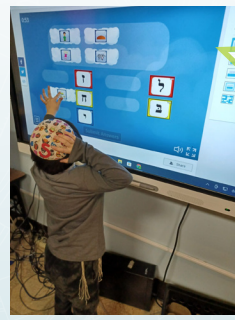

Just like in Parshas Teruma, when Bnei Yisrael were asked if they would like to donate for the building of the Mishkan, the Kindergarten yeladim were asked if they would like to donate to the Chicago Chesed Fund. Here is a small part of the donation made.

The Yeladim in Kindergarten had "snow" much fun playing outside!

Chiseling out the Menorah from one block of "gold" (but we used play doh)!

Reviewing Alef Beis using play doh, smart board and games!

K-3 found time to play in the snow, build using different materials, and did some fun cosmic yoga! Winter is not slowing us down!

Stay and Play Nursery had a great time learning about Construction 🚧! We discussed Construction vehicles, 🛠️ tools, and building sites. The yeladim loved making their own edible tool boxes using Graham crackers and chocolate frosting! Yum! They also enjoyed a great sensory activity playing in a "construction site" with sand, stones, pebbles, and vehicles. We wrapped up the unit by hammering golf tees into foam squares.
