WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

4th Grade News

By Gaby London, Ruchie Berkovits, and Shiri Litwack

This week in Mrs. Dubovick's 4th grade class we finally made it to list 11 in Ivrit. We loved Erev Shira (see our pictures) and were so excited that Mrs. Karen is back. We're starting our Purim packets, and we're so excited! Our list 8 key word test will be this coming Monday. In Chumash we are learning about Makkas Kinim. We're reviewing to sing Shiras Devorah in the Navi. We are still collecting Middos Matter tokens and we are so excited about the raffle on Friday. We are almost done learning all the rules in Kriah. We're so excited to be learning again. Have a happy happy Shabbos!!

5th-8th Grade Boys' Color War News

By Rabbi Miretzky

On Tuesday at lunch, Rabbi Kirshner presented the 5th-8th Grade boys with a choice. Would they want Erev Shira or not? It turned out that Erev Shira was the code word for Color War!! The teams of Torah and Tefillah each spent Wednesday and Thursday last week competing in different competitions. On Wednesday we went to the Windy City Fieldhouse where we played basketball, volleyball, soccer, and kickball. There were also engineering and art competitions going on at the same time. On Thursday we had Torah Bowl, Gaga and a special 8th Grade basketball game that lived up to the hype. Finally, each team prepared a song and Dvar Torah that were performed to perfection. A huge thank you goes to the Boys' Student Council for helping run the Color War and leading the teams with great Middos. In the end, the team of Tefillah won Color War but we all know that all the boys were winners!

3rd Grade News

By Mrs. DeAngelis

We are working hard in so many areas in class. In writing, as we write our own adaptation of fairy tales, we are working on a class fairy tale called The Three Little Guppies based on The Three Little Pigs. In reading, we are finishing the book, "Island of the Blue Dolphins" and creating a story map for the plot. It is a sad book but really good! In math, we are practicing our multiplication facts with flashcards that we made. It is a busy time, but we are excited that we are learning so much!

DAY OF LEARNING

Thursday's learning, February 13—18 Shevat, was dedicated as an **שמעון בן ישעיה בעריל** for Seymour Emery Newman z"l, by his loving children and grandchildren.

To sponsor a day or week of learning, please contact Sam Medow in the Business Office. Thank you.

Special Mishnayos News

On Tuesday, boys from Arie Crown, Tiferes Tzvi and Veitzner Cheder who learn together on Erev Shabbos celebrated finishing Mishnayos Brachos with a special Siyum. At the Siyum the highlighted message, other than the amazing achievement of finishing the Mishnayos, was the achdus of Talmidim from three schools gathering together to learn! Thank you to Rabbi Malik, for running this special program!

OUT LOUD BRACHOS PROGRAM

An acquaintance asked Rav Gamliel Rabinovich, a renowned Mekubal in Yerushalayim, for a ברכה on behalf of an ailing relative. Part of his response was to tell the family to have the children (and adults) make ברכות out loud because "ברכות bring ברכות".

Each year, there is a community ברכות program where the children can claim a prize in different stores after making five ברכות out loud each day for a week. The obvious goal is to have the children learn the importance of ברכות and to accustom themselves to making ברכות out loud, enunciating each word. As in all facets of chinuch, the greatest impact on a child is when the mitzvah or middah permeates the atmosphere. To this end, we are imploring all parents to help create this atmosphere at home. This "atmosphere" can be created by doing the following:

*** Make ברכות out loud.

*** Have your children answer **אמן** to your ברכות in addition to your answering **אמן** to their ברכות

***When possible, make a ברכה אחרונה out loud. On **שבת** sing the benching with your children.

By creating a ברכות "atmosphere" in your home, Hashem will **אי"ה** send His ברכות to you and your family.

Please email outloudbrachos@gmail.com for any questions regarding the program. Booklets were given out. If you did not get one, please see the front office. Looking forward to hearing lots of Brachos!

**MIDDOS MATTER CORNER**

Arie Crown's Middos Matter school-wide initiative is continuing strong! "Be Respectful, Be Responsible, Be Safe" is our theme.

Greetings From the 2nd grade boys in Morah Biala and Ms. Daybook's class (Room 306)!!!

The 2nd grade boys in room 306 are really enjoying the PBIS program at Arie Crown. The boys get so excited to earn middos tokens for demonstrating respectful, responsible, and safe behavior in their classroom, on the playground, during lunch, during specials, in the hallway, and everywhere in the entire school!!!

In addition to submitting the tokens they earn into the schoolwide raffle that occurs weekly, the boys also have the opportunity to keep track of how many middos tokens they earn. Every time a 2nd grade boy in room 306 gets a middos token, Morah Biala or Ms. Daybook, or classroom aide sign their name on a middos chart. When a student fills up his middos chart he receives an awesome individual prize!!! When the entire class fills up a middos chart the boys earn a class celebration. So far every single 2nd grade student in room 306 has filled at least two middos charts. The whole class celebrations included a movie/popcorn party and a Super Bowl party!!!! We are almost done filling up our third middos chart and we'll be sure to keep you posted on how we celebrate!!!!

Enjoy the pictures of a sample middos chart (with paw prints of course!!!), boys receiving an individual prize for filling a middos chart, and the class celebration for each boy filling their middos chart!!!!

In relation to learning these sounds, the children created chalk drawings of nature and enjoyed a science lesson creating shadows with flashlights.

Nursery learns the letter Daled and created a Doar/ Post Office!

We are Healthy in Stay & Play!

Exercise

We read books about the amazing bodies that Hashem gave us and we talked about how important it is to take care of them. The children shared different ideas about how they could do this, then we got our bodies moving to get some indoor exercise!

Nutrition and Dental Hygiene

We talked about how what we eat and drink affects our body and teeth. To demonstrate this, we experimented to find out what would happen to the white eggshells of eggs left in water, coffee, Coke, and grape juice.

Germ & Hygiene

Everyone had a blast seeing how germs might spread, by experimenting how glitter on one person's hands spread all over our room and to other children.

Healthy Eating

The Stay & Play yeladim enjoyed healthy fruit and vegetables for their snack during the week and sorted through their play kitchen to find the healthy food in the pantry.

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

YOUR RECEIPT**

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
