WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

Lunch With a Legend News

Rebbetzin Chaya Small was our speaker for our Rosh Chodesh Adar "Lunch with a Legend". Rebbetzin Small, the daughter of Rabbi Shmuel David and Rebbetzin Tzivia Walkin, was imbued with a keen sense of responsibility, chesed and love towards her fellow Jews and community. As a young girl, she remembers her terrifying escape from Poland to Vilna—the miraculous transit visa in Kovno, issued by the famous Japanese counsel Chiune Sugihara. They fled, along with the Mirrer Yeshiva to Vladistok and ultimately to Kobe, Japan and then Shanghai, China.

Recollecting is a religious duty and Rebbetzin Small described to us the terror she experienced as a 6 year old child escaping the Nazis שׂמֶח. At the very same time the Rebbetzin stressed to us the miracles that Hashem did for her family and the Mirrer Yeshiva. She taught us about the power of one, of chesed, and dedication to the continuation of learning Torah and building Torah institutions in strong Jewish communities. Rebbetzin Small stressed to both the 8th grade boys and girls that they are the continuation of Yiddishkite and glorious Torah tradition. We each have a very special potential. She conveyed a positive and inspiring message to continue to build strong Jewish homes and Yeshivos.

We are so grateful to Rebbetzin Small for coming to Arie Crown and sharing some of her life story enhanced by an educational power point.

Family Math Night News

By Mrs. Eimerman

Math on the Move was this year's theme for Family Math Night.

Family Math Night Statistics

Over **200** slices of pizza were ordered to feed the participants.

Approximately **100** families met at school last week to play fun math games.

The highest structure measuring **114 cm (44.5 in)** in the Index Card Building Challenge, put together by our resident engineer, Mrs. Goodfriend, was achieved by cousins, Yisrael Zev and Yehoshua Kleinman.

The furthest flying paper airplanes reached **25 feet**. These three flying machines were launched by Temima Liba Marshak, Ashira Israel, and Yehuda Piltz.

Twenty-four 7th and 8th grade girls plus **four** 7th and 8th grade boys were our student helpers for the evening. They received high acclaim for showing good Middos at the highest level of respect, responsibility, and safety. Their participation contributed to the success of the evening.

Sixteen morning and afternoon teachers manned the classrooms and facilitated the game playing.

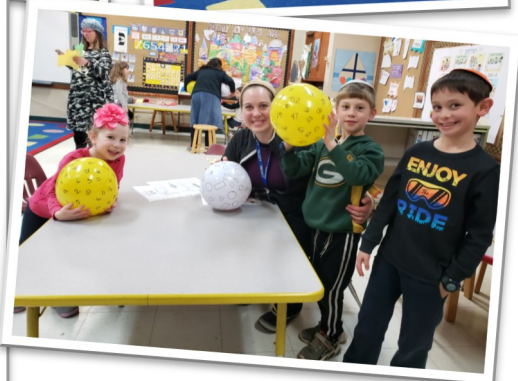

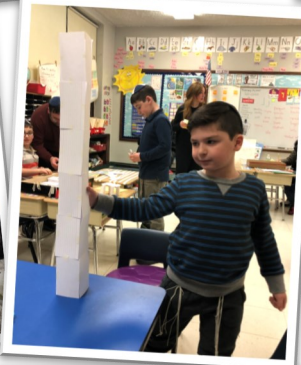

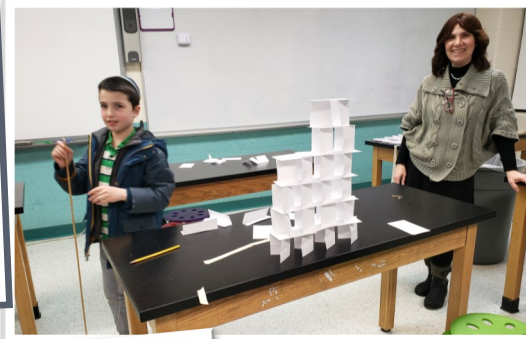

Eleven teachers formed the planning committee which started the research last summer.

Special thanks to Mrs. Swann, Mrs. Wigoda and Mrs. Holzman for helping with check-in, check-out, and serving food.

2nd Grade News

By Mrs. Abrams and Mrs. Coe

In honor of the 100th day of school, Mrs. Coe's and Mrs. Abrams's 2nd grade girls had an incredible day celebrating 100 days of learning. We spent the day with lots of activities surrounding the number 100. We especially loved making necklaces out of 100 beads and our 100th day photo booth.

This week, Ms. Wexler's 6th grade Strategic Reading students presented Book Commercials in class. They did a beautiful job convincing others to read their chosen books, as we wrapped up our trimester together.

5th Grade News

By Meira Freedman

This week we had the Chinese Auction. It was so fun, but only one person in our grade won and that person was Julia Bitton. Purim is a week away and we're more than halfway through the Megillah in Mrs. Kirshner's class. And in English in Mrs. Spiliopoulos's class, we are learning the skeleton system. With Mrs. Spiliopoulos we made skits and they were really funny. This week was really fun. Have a great Shabbos and Purim.

Program. Special thank you to our docents Mrs. Miki Schreiber and Mrs. Shana Schuman who led such

inspiring tours. Special additional thank you to Mrs. Schreiber for all of her work behind the scenes in

making this trip and our overall Holocaust Education at Arie Crown so special.

4th Grade News

By Danya Cohen, Maayan Kohanchi, and Nili Heifetz

In Mrs. Dubovick's 4th grade girls' class we have had a busy, fun week. On Monday we all enjoyed the Student Council Chinese auction. A few girls in 4th grade even won prizes and giftcards. We are happy for them. We all had fun at the auction and were happy to give tzedakah to the Joan Dachs Hachnosas Kallah Fund. (see pictures). Thank you Mrs. Gross, Mrs. Jaffe and the whole 8th grade for all your hard work! We continue to enjoy learning in our Purim packets.

On Wednesday, we watched the 2nd grade Purim play and it brought back such good memories of when we did it. Thank you Dana Stein for being our model Kohen Gadol (see picture) special for this week's Parshas Tetzaveh. Have a good Shabbos and a happy Purim!

Library News

By Mrs. Kleinman

The Kindergartners, 1st graders, and 2nd graders were treated to a professional puppet show in our school library a few weeks ago. Librarians from Skokie Library presented "Strega Nona" and "Dragons Eat Noodles on Tuesdays". Our students loved watching the familiar stories being acted out, and were astounded to find out some 'behind the scenes' secrets of how the puppet show sets, audio, and special effects were created.

Thank you to librarians Caitlin, Quetzalli, and Gudrun for coming to our school to perform the shows!

MIDDOS MATTER CORNER

Arie Crown's Middos Matter school-wide initiative is continuing strong! "Be Respectful, Be Responsible, Be Safe" is our theme.

***** **MIDDOS MATTER ALL STARS!!** *****

As part of our new Middos Matter program, teachers have been writing Middos Matter tokens for students showing off their Respectful, Responsible and Safe behaviors around school. Every week, we randomly select 16 students from the All Stars to see Rabbi Samber and receive a small prize. Congratulations to last week's winners!

Middos Matters Rewards Day!!

Did you know that since the inception of our Middos Matters program our students have accumulated over 30,000 Middos Matters Tokens! We are super proud of this accomplishment, and are going to use the festive day of Shushan Purim to celebrate. Students will be participating in various elective activities and trips, in addition to the carnival, throughout the day.

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

**SCAN
YOUR RECEIPT**

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
