Art News

Welcome to Bari Fleischer who has rejoined the Arie Crown staff to update our art program. Mrs. Fleischer will be providing art to all K-8 students with a live session on Mondays to introduce the artist of the week, live sessions divided into K-2, 3-5, and 6-8 on Tuesdays with an art project and pre-recorded sessions divided by the age groups with a follow-up project on Wednesdays.

The artist for this week was Claude Monet.
Here are some of the works our students made.

5th Grade Boys Hascholas Gemara

Our 5th grade boys celebrated their Hascholas Gemara this past Sunday. It was a very special morning for them and for their families. The program was held on a zoom webinar where the boys were all visible on the screen during the school's regular Davening B'Yachad. After the boys were sent back to viewer mode, Rabbi Samber spoke about the importance of the day - comparing it to a Chasuna, which even during these times, our Rabbonim have made clear that we don't push off! Our special guest speaker was Rabbi Yosef Polstein, not only a close friend and Rebbe to many of the Arie Crown families through his various roles in the community, but also a proud Zayde of one of our 5th graders. Rabbi Polstein's message of how learning Gemara is the pinnacle of their Torah learning, indeed their new 'business', one that they are going to be involved in for the rest of their lives, was a perfect charge to our Talmidim and created an exciting segue for each boy to receive his Gemara. As another grandparent put it "Rabbi Polstein's speech was so inspirational - I want to learn Gemara now too!"

Delivered to each of our 5th graders' doorsteps in the hour before the program, was a special package containing their Gemara as well as a celebratory breakfast for their family to enjoy, and when the right moment came each Talmid was brought onto the

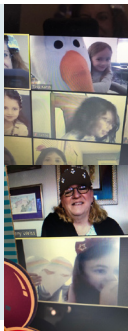

screen individually and was presented his Gemara from his parents, Rebbe, and Rabbi Samber. It was a moment to remember, and watching each boy clutch his Gemara for the first time and hold it high created a special simcha that will IY"H permeate their learning forever. Thank you to Rabbi Schwarcz and Rabbi Roth for their efforts in teaching these Talmidim this year and for spending the next number of weeks entering them into the world of Gemara. Thank you to Mr. Boruch Russell of The Lincoln Cafe for the delicious breakfast and arranging the delivery of the breakfasts and Gemaros for us.

Making Math Come Alive - Area Floor Maps Tired of looking at the same four walls? The sixth grade girls have been busy working with quadrants, ordered pairs, and floor plans to scale. Geometry takes on a whole new meaning when you are designing a Candy Shop, Clothing Store or changing the layout of rooms in your house.

4th Grade News

BY MRS. DUBOVICK

Mrs. Dubovick's Kitah Daled enjoyed some Lag B'Omer specials this week. On Monday we had a joint zoom call with Mrs. Reiss's class and heard some Lag B'Omer songs and a great Lag B'Omer story from Mrs. Reiss! It was so fun to see each other, especially by our pretend bonfires!! We also shared some fun Lag B'Omer memories of our real bonfires and s'mores while on our live class call on Wednesday. See Mrs Dubovick's bonfire in the picture! Special thanks to the Arie Crown administration for preparing such fun activity bags and lunches for us all to enjoy on Lag B'Omer!! It made our day special! BH, we have been moving along in all of our learning in Chumash, Ivrit and Navi each day. Mrs. Dubovick is so proud of each girl's efforts in this very different way of learning. We finished learning all the pesukim and Rashis and songs for Az Yashir this week in Chumash!!! We also are on our last 4G keywords list this week for the year!! Yay!! Have a Great Shabbos!

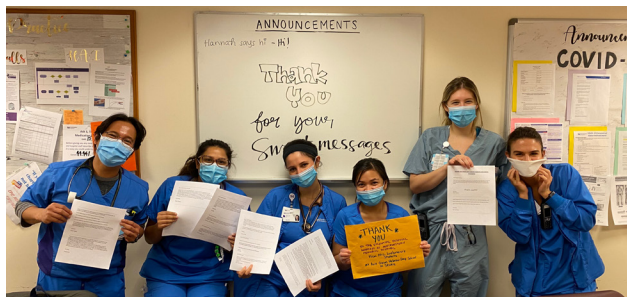

6th, 7th, and 8th grade Language Arts News

THANK-YOU'S TO ESSENTIAL WORKERS
BY ELISHA GARDEN AND NATIE ROSEN

Mrs. Loebmann's 6th, 7th, and 8th grade Language Arts classes wrote letters to hospital workers to show our appreciation for their hard work. The students started by looking at articles about how different essential workers help people every day. Then, we wrote at least three reasons why we were thankful for hospital workers doing their jobs during this pandemic, and wrote out our letters. Mrs. Loebmann's sister-in-law, who works as a nurse at Northwestern Memorial Hospital, delivered the letters to healthcare workers there. They really appreciated our messages!

We also are creating a class newspaper about how Covid-19 is affecting the world. The topics some of us are working on include: how people are celebrating events during quarantine, zoos and other places closing, and different ways kids are dealing with everything. We learned that some things people have been doing to keep busy include face painting, going on bike rides, talking to friends on zoom... and driving parents crazy!

Lag B'Omer News

There is nothing like the spirit of Lag B'Omer as everyone boards their buses and heads to the park! The highlight, of course, is the hot dog and chips! Well, this year we didn't have any buses but we certainly kept the spirit! With opening Divrei Chizuk from the famed Rabbi Mordechai Yaroslavit, aka Rabbi Yari, from St. Louis we were inspired with the message of "lighting a fire" in our hearts to learn Torah and do Mitzvos and acts of Chesed! This was followed by a fun concert with Simcha Leiner who not only sang, but added some fun with different virtual backgrounds and effects! Finally, the cars lined up as everyone picked up their Lag B'Omer activity bags and hot dog lunches! It was SO fun to get to see our administrators live (ok, behind their masks, but still!) and say hello! All in all, it was a wonderful day of fun and relaxation while still being connected to Arie Crown with special activities.

Thank you to Mr. Jeremy Amster for helping to arrange Simcha Leiner.

Thank you to the amazing student council for sponsoring the marshmallows, chocolate and graham crackers so we could all make s'mores!

Thank you to Starr Kosher catering for helping organize the day and providing the yummy lunches!

Thank you to our administration for putting together the fun activity bags!

6-8th Grade Girls Lag B'Omer News

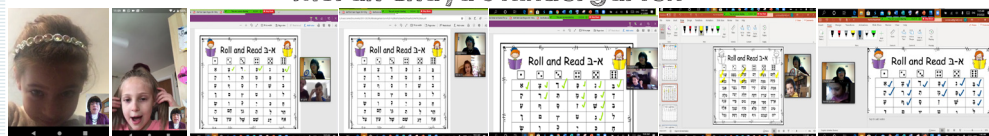

BY 8TH GRADE STUDENT COUNCIL

Although we couldn't have our usual 6, 7, and 8th grade girls Lag B'Omer bonfire, the Student Council girls planned an unforgettable virtual bonfire. We want to thank Rabbi Kirshner and Star Kosher Catering for providing the delicious s'mores kits to enjoy together over zoom. We would also like to thank Mrs. Jaffe for leading our beautiful kumzitz. Thank you to Rabbi Samber for telling us an inspiring story about the importance of making a קידוש ה'. A special shoutout to Sara Chana Marshak for her help with the virtual bonfire background; it made us feel like we were really there! Once again we would like to thank the Student Council girls and Mrs. Gross for making this such an incredible night even in these circumstances. Thank you to everyone who attended our virtual bonfire; it really made it such a special night. Lag Sameach!!!
