WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

4th Grade News

By Rabbi Caplan

Rabbi Caplan's 4th grade hosted a Yetzias Mitzrayim fair. The fair featured beautifully designed posters, fun games and creative displays, all relating to Yetzias Mitzrayim. The 4th grade also showcased a booth about Maseches Sukkah which we are learning this year. The class did an amazing job preparing for this major event and making it a tremendous success!

Physical Education News

By Mrs. Jedd and Mrs. Meged

Physical Fitness Fun!

During the month of March we are participating in physical fitness stations during our PE classes. Teams are assigned a clipboard, stopwatch and pencil. Students are encouraged to attempt each station multiple times to improve on their previous scores. Activities that prove challenging can be practiced at home and repeated the next week. Along with strength, flexibility, coordination and endurance, it has been great to see students' leadership and sportsmanship skills develop and improve this month.

Rabbi Goldwag's Third Grade class practiced many of the key words while playing an exciting game of Battleship created by their very own Rabbi. The boys had so much fun and truly learned a lot! A Gevaldik time was had by all!

Rav Chaim Kanievsky zt'l was accustomed, when giving out brachos, to abbreviate, "brachah v'hatzlochah as bv" (which he pronounced buha). Rav Zilberstein shlit'a suggested that the reason why he didn't pronounce the full words was to reduce bittul Torah.

From now until Pesach Break let us commit bl'n to try to learn any amount of "extra" Torah & be more careful with our speech!

DAY OF LEARNING

Thank you to Schuyler, Sarah, Chana, Tzvi, Eliana and Yehuda Abrams for sponsoring Friday's learning, March 25—22 Adar II in loving memory of our Zaidie and Zaidie-Zaidie, Avraham Mordechai ben Shlomo, Mr. Max Abrams, z"l, in commemoration of his 13th Yahrzeit on Chof Beis Adar. May his Neshama continue to have an Aliyah.

Thank you to Adriane, Yosef, Bella, Eliana and Ayala Meyers for sponsoring Tuesday's learning, March 29—26 Adar II in memory of their mother and grandmother, Isabelle "Bella" Meyers, Z"L, Baila bat Shraga Feivel, in commemoration of her 17th Yahrzeit May all of our students' learning merit an Aliyah for her Neshama.

Dedicating a day of learning at Arie Crown is a meaningful way to commemorate a Yahrzeit, merit a Refuah Sheleima, and recognize a special occasion or Simcha. If you are interested in dedicating a day of learning, please [click here](#), or call

MIDDOS MATTER CORNER

Arie Crown's Middos Matter school-wide initiative is continuing strong! "Be Respectful, Be Responsible, Be Safe, Be Kind" are our schoolwide expectations.

**** **MIDDOS MATTER ALL STARS!!** ****

As part of our Middos Matter program, teachers have been giving Middos Matter points for students who have demonstrated their Respectful, Responsible, Safe and Kind behaviors around school. Every week, we recognize the students who have earned the most points in each class that week and they each receive a small prize. Congratulations to last week's All Stars!

Congratulations to 4TH GRADE, who earned the most points this week with 9,145 points in 1 week! WOW!!!

Congratulation to last week's Kahoot Winner:
Excited Zebra! (3B Gelber)

Congratulations to last week's Gym Class Winners!

Community Announcements

Is your child a "foodie"? What better way to encourage their passion than to spend 2 weeks in the summer attending Moshava Meyuchad's Spiced program?! We will have a brand-new state of the art culinary kitchen ready for the chanichim (campers) to work together at different stations and take part in all kinds of culinary experiences. Our Head Chef, Amy Stopnicki, is really excited to share her passion and skills and tie the program all together. Amy has won an award for her cookbook, Kosher Taste, has over 30,000 followers on Instagram, does cooking demos, and more! Your kids will come home hungry (pun intended) to get in the kitchen and show you what they learned! Click [here](#) for a message from Amy. Click [here](#) to learn more and register.

HTC's Rabbi William Z. & Eda Bess Novick z"l Bigdei Yisrael clothing drive is back on Sunday, April 3, 1-4 PM, in the parking lot next to Jewel-Osco on Howard (by Target) to help families in Israel who need our support! You can help by donating NEW or "LIKE NEW" clothing for women, men, and children, including, shoes, accessories, winter coats and gear (gloves, scarves, boots), linens, blankets, backpacks, and costumes. No toys or non-clothing items. As you shop for new Pesach clothing, please consider purchasing end-of-year clearance items to donate. Every little bit helps! Clothing must be in excellent condition. Visit www.htc.edu/donate to sponsor a box of clothing. For more information, please email jjisook@htc.edu or call (847) 982-2500 ext. 1113.

Nursery is hard at work creating an interactive haggadah. The Yeladim can't wait to use the haggadah at the Pesach Seder!

The Kindergarten Yeladim have been very busy this week getting ready for Pesach and learning the alef beis! They have been learning through hands-on activities and are creating a very special Haggadah. The "matzah people" aprons they made are sure to keep them clean throughout the Pesach Seder. They are also excited to find the afikoman that will be hidden in the special bag they are making. We have also been busy learning the alef beis using a variety of mediums. We use whiteboards, smart boards, game boards, and our Alef Bet Gan books, just to name a few. Thank you to Mr. Lisker who came in to share the beauty of music with the Kindergarten Yeladim!

Watch out Amazon! Kindergarten opens their own store! What better way to learn about math than to go shopping! This week's math lessons focused on subtraction. Our store consisted of items that were all priced at a (whopping) 2 cents each. Every child was given 6 cents to spend, but first they had to figure out how many items they could buy with that money. We drew a number bond to decompose the number and they could see that they could each buy 3 items. We had a cashier, a bagger, and a lot of happy customers! The children also practiced solving subtraction problems using a floor number line. They are learning to use the minus sign and equals sign. We are really enjoying math!

This week in Nursery Stay and Play, we learned about robots and their functions in our everyday lives. We talked about how Roombas are programmed to clean our floors without us being there! We also talked about how robots can help in a surgery and help in manufacturing plants. The Yeladim made robot vests and walked around the school acting like robots!

The time is short and the need is great!!
