6th Grade Math Team Participates in National Competition

Four sixth graders: (pictured left to right) Zahava Volkov, Chaya Bracha Cohen, Kira Wittlin, and Raizy Schwimmer recently participated in the Girls' Adventures in Math (GAIM) competition. GAIM is a team-based math competition that presents extremely challenging math problems for girls throughout the United States to solve in two timed rounds. The math team, who call themselves the "403 Denominators," practiced diligently and later competed from 5-8 p.m. on Monday evening, April 26. GAIM's virtual awards ceremony will take place in May, but these four girls are already math champions for their hard work and dedication to mathematical problem solving!

Reminder! Please send an extra mask in your child(ren)'s backpack. Sometimes they get dirty or break in the middle of the school day. Thank you!

4th Grade News

By Maytal Kohanchi and Rivka Fox

This past week in Mrs. Dubovick's Kitah Daled we learned about Pesach Sheini on Monday. Mrs. Dubovick brought in matzah for us from Pesach.

Many of us got necklace fans for turning in our Mitzvah charts from Pesach. They are coming in very handy for the warm weather today.

Everyone brought in \$1 to buy prizes to auction off for the Tzedakah auction next week.

We are looking forward to the exciting auction that the 8th grade is planning for us on Monday. All the money we bring in next week to buy raffle tickets will go to a special Tzedakah. The Joan Dachs Hachnosas Kallah Fund helps Chassanim and Kallahs in Eretz Yisrael. We can't wait to see the cute prizes by the auction. Stay tuned!

This week we are learning a lot about Lag B'Omer in Ivrit and enjoying learning Lag B'Omer songs and stories. We are looking forward to celebrating in the park together on Erev Shabbos/Lag B'Omer! Stay tuned next week for reports and pictures from this.

We are busy learning in our Az Yashir packets and Chumash and singing many fun tunes as well. Have a great Shabbos!

PRE-NURSERY

NURSERY

KINDERGARTEN

The Kindergarteners
 are practicing ב-א
 Kriyah with fun centers
 and games!

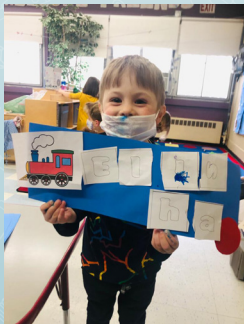

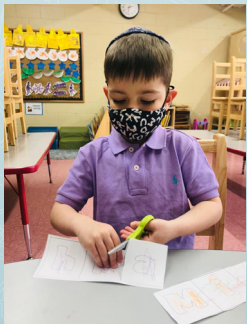

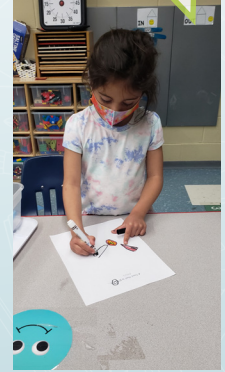

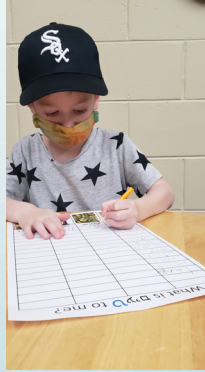

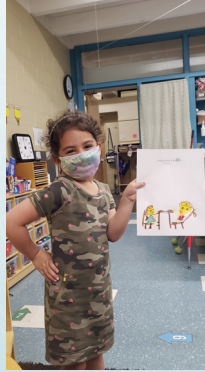

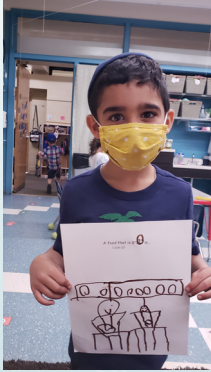

Kindergarten is learning about the lifecycle of the butterfly. The children showed their amazing artistic ability as they followed the steps to draw a monarch butterfly. They look so realistic!

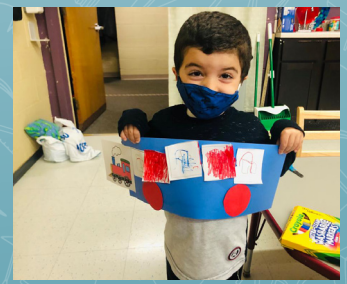

Kindergarten took full advantage of the gorgeous weather. We played, worked on our short O phonics and our subtracting, and we did it all outside!

Nursery learned the letter ט and the word טעים/tasty! The Yeladim told us which foods they find טעים and drew pictures of them. Then we tried different foods to see what kinds of food we like the best. After the Yeladim graphed their answers, we learned that we like the taste of sweet foods most of all!

The Pre-Nursery Stay & Play was on the fast track to a spectacular week with our Transportation Unit! We learned about all different types of transportation, and using our yoga poses traveled the world via sailboat, motorcycle, airplane, submarine, rowboat, and more! The Yeladim also created keepsake name trains, invented their own vehicles using crackers, crafted airplanes with popsicle sticks, and completed transportation puzzles!

Have a Good Shabbos!
