#### 5th Grade News

By Penina Shacter and Aviva Vladimirskiy

This week in Mrs. Schur's class, we finished learning about the Halachos of Pesach! We had our fun Rosh Chodesh raffles! We began a fun Pesach project! In Mrs. Turoff's class, we continued learning the story of Yetziyas Mitzrayim, the story of the Five Rabbis, etc. In Mrs. Spiliopoulos's class, we had a math test and a pop quiz. In Mrs. Borth's class, we practiced writing memoirs and continued our fantasy unit and reading the book, The Thief of Always. Overall we had a great week! Have a great Shabbos! :)

Mrs. Schultz's 8th grade math classes accomplished something pretty terrific!

They did 100 math minutes this year!

Takes a long time and they worked really hard.

PARSHAS METZORA 7 Nisan 5782 April 8, 2022

Rav Chaim Kanievsky zt'l was accustomed, when giving out brachos, to abbreviate, "brachah v'hatzlochah as bv"h (which he pronounced buha). Rav Zilberstein shlit'a suggested that the reason why he didn't pronounce the full words was to reduce bittul Torah.

> From now until Pesach Break let us commit bl'n to try to learn any amount of "extra" Torah & be more careful with our speech!

#### **DAY OF LEARNING**

Thank you to **Yael and Kenny Ripstein** for sponsoring Monday through Thursday's learning, April 4-7—3-6 Nisan.

Dedicating a day of learning at Arie Crown is a meaningful way to commemorate a Yahrtzeit, merit a Refuah Sheleima, and recognize a special occasion or Simcha. If you are interested in dedicating a day of learning, please <u>click here</u>, or call Levi Zeffren at 847-982-9191 Ext. 325.

#### THANK YOU MORASHA

Morasha has once again provided a folder filled with educational materials for our Rabbeim and Moros to share with their Sefardic Talmidim. Morasha seeks to provide Sephardic education

and heritage to the Sephardic youth across Chicago. Led by Rabbi Netanel Isaacs, they offer Sephardic curriculum modifications, workshops, after-school programs, guest speakers, and much more.

#### **MIDDOS MATTER CORNER**

Arie Crown's Middos Matter school-wide initiative is continuing strong! "Be Respectful, Be Responsible, Be Safe, Be Kind" are our schoolwide expectations.

#### \* \* \* \* MIDDOS MATTER ALL STARS!! \* \* \* \*

As part of our Middos Matter program, teachers have been giving Middos Matter points for students who have demonstrated their Respectful, Responsible, Safe and Kind behaviors around school. Every week, we recognize the students who have earned the most points in each class that week and they each receive a small prize. Congratulations to last week's All Stars!

#### Community Announcements

Is your child a "foodie"? What better way to encourage their passion than to spend 2 weeks in the summer attending Moshava Meyuchad's Spiced program?! We will have a brand-new state of the art culinary kitchen ready for the chanichim (campers) to work together at different stations and take part in all kinds of culinary experiences. Our Head Chef, Amy Stopnicki, is really excited to share her passion and skills and tie the program all together. Amy has won an award for her cookbook, Kosher Taste, has over 30,000 followers on Instagram, does cooking demos, and more! Your kids will come home hungry (pun intended) to get in the kitchen and show you what they learned! Click here for a message from Amy. Click here to learn more and register.

Need to keep your sons busy before Pesach? Sign up for the FYHS 11th grade Pre-Pesach day-camp for boys in 3rd to 7th grade. There will be sports, games, snacks, and so much more! Camp is at Skokie Yeshiva and goes from 10:30-3:30 on April 12th, 13th, and 14th. For more information and to sign up email fyhsseniors2023@gmail.com or text Eliezer Loeb at 224-988-8468.

# SIGPSING VICES IN STREET OF THE STREET OF TH

**PRE-NURSERY** 

**NURSERY** 

**KINDERGARTEN** 

The Pre Nursery Yeladim have been very busy preparing for Pesach. They worked hard decorating, coloring, stamping, and painting a Kos Shel Eliyahu, saltwater bowl, Pesach themed matching game, Ma Nishtana cards, a matzah cover, an afikoman holder, and a pillow. We also had so much fun acting out the steps of the Seder for our haggados and acting out the Makkos during our Makkos Day. We can't wait for Pesach!

The Pre Nursery Stay & Play classes have been learning all about construction! We have learned about construction trucks, tools, and the workers who use them. We even met a real construction worker! The Yeladim had a great time using real tools, going on scavenger hunts, playing construction bingo, doing movement activities, eating construction themed snacks, and of course, building!

The Model Matzah Factory visited the Early Childhood. From grinding wheat, to mixing the מים and קמח, rolling the dough, poking the holes, and watching it bake, the Kindergarten Yeladim experienced the entire process!

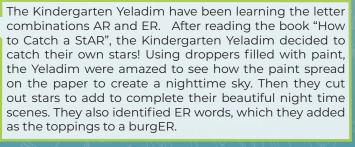

## Introducing Lifecycles Hatchery

Now your kids can experience the magic of watching young chicks hatch and grow before their eyes!

Students will have hands-on experience hatching and raising young chicks, observing their development and learning about their daily needs. They will learn fundamental life sciences while observing the stages of metamorphosis in insects, as well as the lifecycles of guppies.
