WHERE MIDDOS AND LEARNING ARE LINKED TOGETHER

Yom HaShoah News

Arie Crown was blessed with the great kavod of welcoming Mr. Yisroel (Izzy) Starck to school for Yom HaShoah. Although not a stranger to our building, having sent his children to our school and B"H, now having many grandchildren here, this visit was particularly special as it highlighted the trials and tribulations that Mr. Starck endured during the Holocaust and the miracle, that he was zocheh to survive and rebuild. Mr. Starck shared words of Chizuk and Bracha with our students and clearly took pride in the continuity of Klal Yisroel through what he termed "the great Mossad HaTorah Arie Crown Hebrew Day School". We wish Mr. Starck, together with his Eishes Chayil, Mrs. Ethel Starck, continued arichas yomim v'shonim, amidst nachas from their beautiful family and our talmidim.

Rav Chaim Kanievsky zt"l was accustomed, when giving out brachos, to abbreviate, "brachah v'hatzlochah as bu'h (which he pronounced buha). Rav Zilberstein shlit'a suggested that the reason why he didn't pronounce the full words was to reduce bitul Torah.

From now until Pesach Break let us commit b'f'n to try to learn any amount of "extra" Torah & be more careful with our speech!

Mrs. Oberlander's 3rd grade girls are psyched about their tree saplings! Love their natural enthusiasm! They truly enjoyed learning about the importance of trees for our belated Earth Day activity.

6th-8th grade boys are spending the next few Fridays learning about various Rishonim and Acharonim. This week we learned about the Rambam. Thank you to Rabbi Scher for preparing these learning opportunities for our Talmidim.

TEACHER APPRECIATION WEEK

This week we thanked each of our incredible teachers during National Teacher Appreciation Week with a small gift every day that added up to a lot of love by the end of the week. Thank you to the committee for all their hard work this week, and to our teachers for their dedication and hard work every day!

Please see Yediot K'tanot for how we appreciated our teachers in the Early Childhood campus.

The Main Campus sported a gorgeous Teacher Appreciation banner with handwritten messages from students. On Monday the committee walked around to each classroom and passed out coffee, orange juice, and munchkins to the teachers during class with a note that said "Thanks a LATTE to our teachers for teaching our MUNCHKINS". Then on Tuesday the committee left pens in the teacher's boxes with the message, "Thanks for being a Stu-PEN-dous teacher" along with fresh popcorn with a companion note that declared, "Popping in to say thank you for all you do". Another fun surprise was in the works for Friday.

Thank you to the coordinating committee for the Main Campus including Mariya Dayan, Brooke Dordek, Heidi Ida, and Maayan Zimmerman for all their creativity and for the tokens of appreciation.

NURSERY

KINDERGARTEN

The Early Childhood celebrated National Teacher Appreciation Week with the following treats, themed from The Very Hungry Caterpillar. On Monday, the Teacher Appreciation Committee curated a fruit platter and large cookie cake with a sign that said "On Monday he ate through one delicious fruit tray and one delicious cookie cake but was still hungry". On Tuesday they provided coffee, orange juice, and muffins with a sign that read, "On Tuesday he ate through a large muffin and a large cup of coffee but he was still hungry." The grand finale on Friday included plants with a card that read, "Dear Early Childhood Morahs and Staff, Thank you for helping our caterpillars transform into butterflies! May they always be "still hungry" for learning and growth." Thank you to the coordinating committee for the Early Childhood campus including Daniella Appel, Tamara Avner, Channah Lazovsky, Ilana Perl and Ronit Sturmwind for all their creativity and for the tokens of appreciation.

The Yeladim had a spectacular fun-filled week getting ready for Yom Ha'azmaut and Mother's Day! The boys and girls enjoyed baking yummy heart shaped cookies for their special mommies and created colorful masterpieces with their very own handprint flowers. Thank you to all the mommies for doing so much for your sweet children! The Yeladim enjoyed counting the Omer, creating Yom Ha'atzmaut projects, and singing lots and lots of holiday songs!

This week in the Pre-Nursery Stay & Play, the Yeladim had an amazing time continuing to learn all about SPRING 🌞🌱🌧️🌸 We planted seeds, made a delicious flower snack, and even did some outside spring yoga poses! It was so much fun!

The Kindergarten Yeladim observed Yom Hazikaron. They drew Toda Rabah pictures for the chayalim in Israel. They also stood in silence for 2 minutes along with the people of Israel in memory of the chayalim that fought in the wars. The Kindergarten Yeladim prepared for Yom Ha'atzmaut by making a דגל (flag) and the emblem of Eretz Yisroel. They also made a map and learned of the many important places in Eretz Yisroel.

The Kindergarteners had a week of celebration! We had a party to mark the end of Jolly Phonics. We are so excited to be practicing for our upcoming Kindergarten celebration.

Have a Good Shabbos!
