4th Grade News

By Rabbi Caplan

To top off a year of incredible success in Chumash, Rabbi Caplan's class has been taken over by guest "Rabbeim" for 16 days. Using the skills developed throughout the year, each boy has had the chance to prepare Pesukim, worksheets and Chumash games. There were even customized logos for each group! The lessons the boys prepared and presented have been nothing short of brilliant!

5th Grade News by Mrs. Eimerman

The 5th grade Battle of the Books Competition was held last week. Many teams achieved perfect scores in multiple matches. Each team was asked questions that pertained to the books from an assigned list. The students worked hard to memorize the names of authors to match the names of the book titles on the list.

Special awards were given to students who read all 25 books.
