Where Middos and Learning Are Linked Together

Art News

The 1st-4th grades have been working hard on some incredible projects. The 1st graders became fashion designers and created beautiful mittens, scarves and hat designs. They focused on symmetry, pattern, design and color. The 2nd and 3rd graders just finished an incredible Macy's Day Parade inspired art. They each individually created a cityscape and balloon float. We then put all the buildings together to make it look like the balloons were parading through the city! I was amazed to see how well the students worked together on our communal project. Some of the murals are proudly hanging in our art room! The 4th graders have been experimenting with paint, line, and color. We are currently working on some pop-up cards for Chanukah. Looking forward to seeing some more art-rageous work from these awesome artists!

5th Grade Girls News

Last week in Science class, the 5th grade girls researched organs. They gathered the information online, and then created beautiful posters to display the interesting facts they found. The posters are proudly displayed in room 404!

It was an amazing week this week! We started off with Shiras Chana on Sunday! We had so much fun! We had our 4th Milim test. We also had our amazing Eretz Chemda program. On Tuesday, Class A had art. Class B did their Tafrut - menu for the Milim list. Wednesday, Class B had an amazing time with Mrs. Kanowitz from Upwards! We are also prepping for the annual 5th grade Brachos Bee (date to be announced). On Thursday, Class B got to enjoy art. We are looking forward to Friday when we have our Student Council program! Thank you Mrs. Schur for such a fun week.

5th Grade Girls News

This week, Mrs. Kalish's class celebrated their narrative writing stories and completion of their vocabulary unit with a party! The theme was all things cozy -- and boy did the students deliver! The girls were wrapped in fuzzy blankets, oversized sweatshirts, and slippers, and doughnuts were enjoyed by all. The program included each girl reading her story aloud and was topped off with a Snakes and Ladders grammar game. The girls sure deserved this break after all their hard work!

3rd Grade Girls News

Boys in Morah Schwartz's Super Second grade review their Chumash Pesukim with Chavrusahs.

5th & 6th Grade Boys News

Mishmar Mishnayos Masters

5th and 6th grade Mishmar are mastering Mishnayos! 5th grade recently finished the 2nd Perek of Rosh Hashanah, while 6th grade just finished the 3rd Perek of Yoma. However, simply listening to the Shiur isn't enough. The boys are constantly chazaring the Mishnayos to make sure they know it. Many boys have done each Mishna at least 12 times!!!

We just put up a poster in the in the boys hallway keeping track of how many Mishnayos the 5th and 6th graders have learned so far. We are just under 5000! That's almost 5000 Mishnayos that we learned

outside of class. These boys have decided to take some of their precious evening time to learn Torah. They aren't just learning, they are mastering!

Please, next time you are at school, take a look at the poster and the amazing accomplishments of these boys, and wish them a Yasher Koach!

Middos Matter News

Arie Crown's Middos Matter school-wide initiative is continuing strong! “Be Respectful, Be Responsible, Be Safe, Be Kind” are our schoolwide expectations.

**** MIDDOS MATTER ALL STARS!! ****

As part of our Middos Matter program, teachers have been giving Middos Matter points for students who have demonstrated their Respectful, Responsible, Safe and Kind behaviors around school. Every week, we recognize the students who have earned the most points in each class that week and they each receive a small prize.

Congratulations to the winners from last week!
