7th & 8th Grade Girls Melava Malka

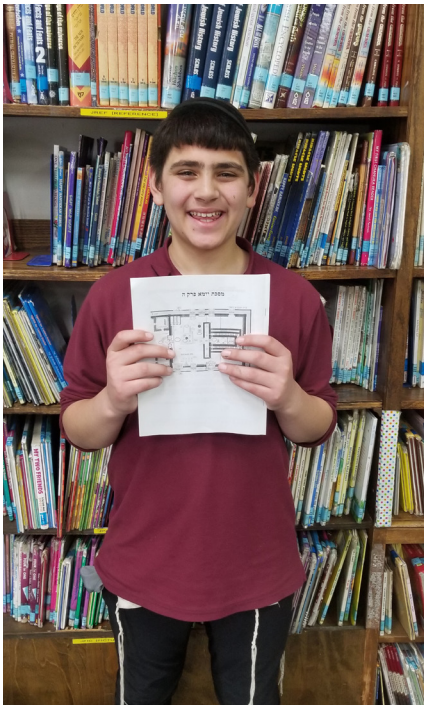

This past Motzei Shabbos our 7th and 8th grade girls gathered for a special Melava Malka. The theme was "A World of Art" with a focus on the Brachos we make in appreciation of Hashem's beautiful world. The evening included Divrei Torah from the girls, Divrei Chizzuk from Rabbi Samber, an inspiring Kumzitz, and of course a delicious Melava Malka.

1st-8th Grade Boys Brachos Fair

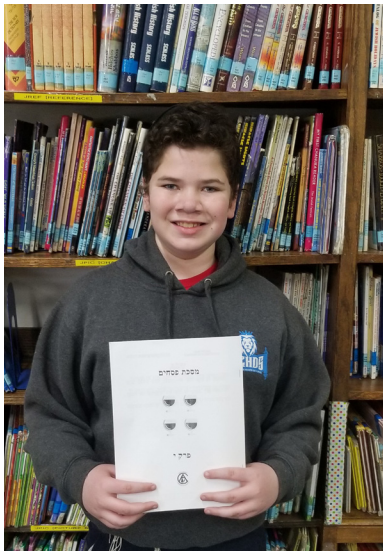

Over the past few weeks the 1st-8th grade boys have been learning and reviewing Hilchos Brachos. After mastering the Brachos Rishonos and Brachos Achronos on foods, they were tested by the 8th grade boys during a Brachos Fair. Each student received tickets to be redeemed for wonderful prizes. Thank you to Rabbi Gross and Rabbi Cohen for all their hard work to make this happen.

Middos Matter News

Arie Crown's Middos Matter school-wide initiative is continuing strong! “Be Respectful, Be Responsible, Be Safe, Be Kind” are our schoolwide expectations.

**** MIDDOS MATTER ALL STARS!! ****

As part of our Middos Matter program, teachers have been giving Middos Matter points for students who have demonstrated their Respectful, Responsible, Safe and Kind behaviors around school. Every week, we recognize the students who have earned the most points in each class that week and they each receive a small prize.

Congratulations to the winners from last week!

Good vibrations..the science of sound! As part of our Sound Unit, the Plum Room Yeladim learned all about sound vibrations. We filled empty water bottles with different kinds of small objects and then made predictions which would be louder. Next we tried different containers: metal, glass, styrofoam, and plastic. We learned that a hard object moving and bumping into other hard objects makes the loudest sounds. We also played a sound matching game and tried to guess which material was in each container. Using this knowledge we will make our very special Purim graggers!

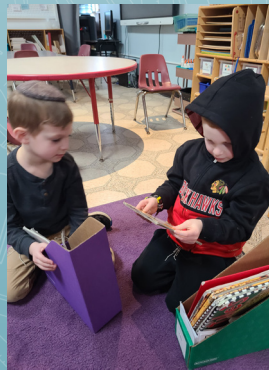

This week in Stay & Play we learned all about books and libraries! We decorated bookmarks to use at home but our favorite part of the week was making our own library cards and walking to our school library! We discussed the job of a librarian and how important it is that they put the books in the correct spots for the next person to find them easily. We had a chance to take a book out of our library and read it and even made sure that our books all went back to the correct spots by looking at the sticker on each book!

The Kindergarteners have begun Purim preparations! Whether it's illustrating Megillot, making a sign for the doors at home, crowns to decorate the classroom or Bingo marking masks, it has been an exciting and fun week!

In addition to the Purim prep, the K-kids celebrated finishing their second book-the yellow one-in the Aleph Bet Gan series with special yellow inspired treats for the Siyum. Delicious!!!

The Yeladim were very busy during this short week. They are learning numbers up to 50 so they enjoyed tracing and erasing, such fun. For extra fun the students did partner reading during their read-to-self time. They were able to share their favorite books with a friend.
