Monday, September 12 7-8B Mishmor Begins

<u>Tuesday, September 13</u> 5-6B Mishmor Begins

#### 6th Grade Girls News

Introducing "Shabbos Runs on Tefilla"! Kitah Vav is participating in a fabulous program to enhance our Shabbos/Sunday Davening. Every week, the girls bring home a chart to log their Davening over Shabbos and Sunday. For each Tefila said, a candy gets placed in a jar. As a grade, the girls watch with anticipation as their collective Tefillos "add up". IY"H, as the jar fills up, a celebration of commitment to Tefilla will be planned. Moros Dubovick and Lichtman look forward to seeing our girls grow with this new program.

#### **5th Grade Boys News**

Rabbi Schwarcz's 5th Grade boys learning B'Chavrusa.

#### 4th Grade Boys News

The 4th grade boys have gotten off to a great start! Our first week was spent on "getting to know you activities", exploring our new CKLA language program, and enjoying being back in school. We look forward to our upcoming mystery science activities and gym which we have not started yet.

#### 7th Grade Girls News

The girls just started using a new program in Social Studies called Podsie! Using an evidence-based approach of active recall and spaced repetition, Podsie is helping the girls master the material. AMAZING! The girls are showing mastery of the material by drawing pictures of the laws that initiated the American Revolution. WOW!

#### 2nd Grade Boys News

Miss Gutstein's Super Second Grade played human Bingo! Each boy got to know one another by going around and finding out a fun fact about each other.

Second grade boys getting their Chumash on the first day of school!

Friday, September 23 **Begin Early Friday Dismissal:** 1:00 PM - No Stay n' Play

**Shoshana Safirstein Early Childhood Director** ssafirstein@ariecrown.org

This week the Nursery Yeladim explored the Shofar! We looked at the difference between a regular Shofar and a Yemenite Shofar. The Yeladim worked on their cutting skills by cutting out squares and using them to fill up a Shofar with paper! We also focused on gluing our squares INSIDE of our Shofar and not on the outside of the Shofar lines.

# ידילות קטנות

What a SPIDERific week had in Nursery Stay N' Play!! We made really fun spider hats with 8 crawling legs, The Yeladim created spiders out of Oreos, pretzels and candy buttons; they were really yummy to eat! We worked on our counting skills by counting spiders and putting them on the spider web.

Kindergarten had a great start to the new school year. They enjoyed the beautiful weather and got busy learning about Rosh Hashanah!!! They even started their Aleph Beis Sefer!!

What an exciting week for the Kindergarten Yeladim! We took the beginning step in learning how to read by introducing the first letter of our Jolly Phonics literacy program, the letter S. The Yeladim met our phonics' mascot - Snakey! We practiced writing the letter S in various ways, using Play-Doh, sand, and our SMART Board writing activities. Cutting a spiral snake was good fine motor practice and the yeladim learned fascinating facts about snakes. In Math we began a unit on 2-D shapes, starting with squares and rectangles. We had beautiful weather and enjoyed our first outdoor gym class with Coach Ilyce! We are looking forward to more fun and learning next week!

Have a Good Shabbos!

Registration for NEW FAMILIES opens October 31
