news

1ST GRADE GIRLS news

Morah Shapiro and Morah Eliana's class celebrated Chanukah with a special ice cream party. Mazel tov Kitah Aleph on filling up your jar of Kitah Aleph Kochavim. Keep up the Middos Tovos, beautiful Davening, and amazing learning.

1ST GRADE GIRLS news

Morah Steinfeld's and Morah Atlas' first grade girls made a gift for their parents to wish them a 'note' worthy and happy Chanukah!

4TH GRADE GIRLS *news*

Chanukah Fun in 4G! Students in Mrs. DeAngelis's class celebrated Chanukah with a creative and engaging activity. Each student wrote an acrostic poem about Chanukah. They then decorated their poems with colorful foam shapes. The results were fantastic — all very creative and impressive. We hope everyone had a wonderful Chanukah!

2ND GRADE GIRLS *news*

Morah Grinblatt's and Morah Weldler's classes enjoying a Chanukah pizza party!

2ND GRADE GIRLS news

Super Second Grade Chanukah Aprons.

4TH GRADE GIRLS news

Miss Feldman's 4th grade girls enjoyed a fun Siyum activity for finishing Perek Beis and doing so well on their tests!

6TH GRADE GIRLS news

Mrs. Lichtman and Mrs. Dubovick's 6th grade girls enjoyed coloring their own personalized Chanukah puzzles on the first day of Chanukah in school. We also enjoyed many fun Chanukah related activities and dancing throughout Chanukah!
A Frelichin Chanukah!!!

Mazel tov to Mrs. Lichtman and Mrs. Dubovick's Kitah Vav classes on their special Siyum on Zos Chanukah. We celebrated with a beautiful breakfast together and played a fun and educational Chanukah Jeopardy game. Mazel tov to our girls on finishing Parshios Bamidbar and Nasso in Chumash as well as Sefer Bereishis in Parsha! May we continue to grow in our learning. Have a Good Shabbos!

3RD - 8TH GIRLS news

Girls Student Council Chanukah boutique for girls in grades 3-8!

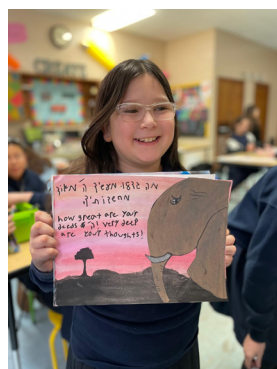

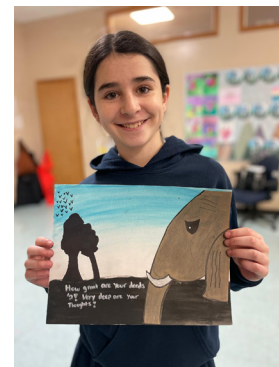

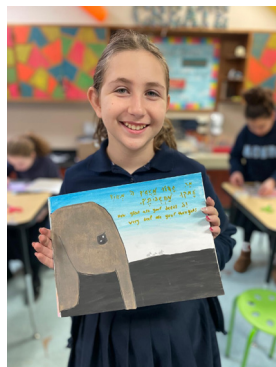

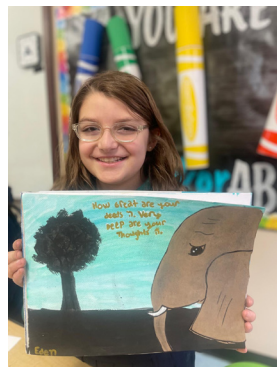

1ST - 8TH GIRLS news

Girls' Rikud on the first day of Chanukah!

EMUNAH THROUGH ART *news*

In Emunah through Art we continued our learning of Perek Shira, focusing on the Shira of the elephant! We learned that the name פיל is related to the world פלא, wonder. The elephant is the most wondrous of creatures! We learned that it's such a different animal from others that if you see one you may say the *ברכה* of *משנה הבריות*. Its entire complexity with all of its strange features (think huge size, long trunk, huge ears!) was crafted with a wisdom beyond our understanding, and all of it, is a song to its Creator. "How great are Your deeds, Hashem! Very deep are Your thoughts." The girls created a multi-layered, mixed media piece, using water color, and chalk pastel. They came out really magnificent!

Boys' Division News

1ST GRADE BOYS news

Caleb Lebowicz's mom, Mrs. Leah Lebowicz, came to visit Mrs. Fliegelman's first grade class and give a presentation about our lungs and how they operate. Mrs. Lebowicz came and brought the materials for the students to each create their own pair of paper bag lungs with straws for the windpipe (trachea). It was lots of fun and the students now understand how we need to take in oxygen (inhale) and give off carbon dioxide (exhale) and how our lungs enable us to breathe through our mouth and our nose.

1ST GRADE BOYS news

Morah Caplan's and Morah Gutstein's Kitah Alef Chanukah Mesiba!

1ST-8TH GRADE news

Boys' Rikud and Kumzitz on the first day of Chanukah!

2ND GRADE BOYS news

Yeladim K'tanote

PRE-NURSERY

The Yeladim have enjoyed preparing and getting ready for the Festival of Lights !!!!
 The Peachies have been busy creating beautiful individual menorahs, stained art dreidels, counting Menorahs, Chanukah matching games, latke frying pans and much much more!!!! During Chanukah the Yeladim enjoyed baking Chanukah cookies, frying latkes, playing Chanukah Bingo, enjoying a Menorah snack and especially enjoyed singing and dancing to the Chanukah Beats!!

STAY & PLAY

This week in Nursery Stay & Play we learned about light. We learned about how light travels and what translucency is. We got to explore drawing with highlighters and seeing how they glow when under a blue light. We used flashlights to see if an object was translucent or not. We played with the light table and had a fun Glow in the Dark dance party with glow sticks.

KINDERGARTEN

Connecting to our Chanukah theme, the Kindergartners experimented with candles. When covered with 3 different sized jars, which candle would go out first, second, and third? We learned that fire needs oxygen to burn. Our creative Yeladim made Menorahs with their snacks!

KINDERGARTEN

Float your boat—Kindergarten learned the vowel team of 'oa'. Combining science, literacy, and math, the children were challenged with forming a boat out of tin foil to see how many pennies it could support before sinking. We learned about different types of boats and why they float. Working in teams, using only 2 pieces of tin foil, the children designed their boats. When they tried them in the water, all the boats floated and the winning boat actually held 67 pennies! What a great activity for learning how to work collaboratively!
