Where Middos and Learning Are Linked Together

4th Grade Boys News

Mrs. Chinn's 4th grade boys learned about earthquakes this week in Science as well as in their Social Studies unit on the western region of the United States. They worked together in partners to create two-story structures using only toothpicks and marshmallows. The structures needed to be strong enough to withstand a ten second "earthquake" - a 9x13 pan of shaking jello. The boys worked together creatively, and their creations were both innovative and delicious.

5th Grade Boys News

Mrs. Hunter's 5th grade boys did a STEM project making a spaghetti tower to hold 1 marshmallow on the top in 18 minutes. The tallest tower was 27 inches. Honorable mentions were 24, 25, and 26 inches.

5th Grade Girls News

This week in Mrs. Spiliopoulous's class, we got into teams and built paper tables to see how many math books they could hold. In Mrs. Schur's class last week, we had a Navi test and this week we had a Milim test. In our Shemiras Halashon program we learned the Halachos about keeping secrets. In Mrs Kalish's class we had a grammar test and a spelling test on the same day! We played "King Kone" in gym. Mrs. Turoff's class update: We learned all the Dibros and had a pop quiz for suffixes and prefixes. Even though we missed a day, we got right back to work!

6th Grade News

Ms. Ramsey's sixth grade classes enjoyed pizza, ice cream and games as a prize for reaching their goals! The students came to class prepared, participated, and helped out to earn their "Ramsey Rewards!"

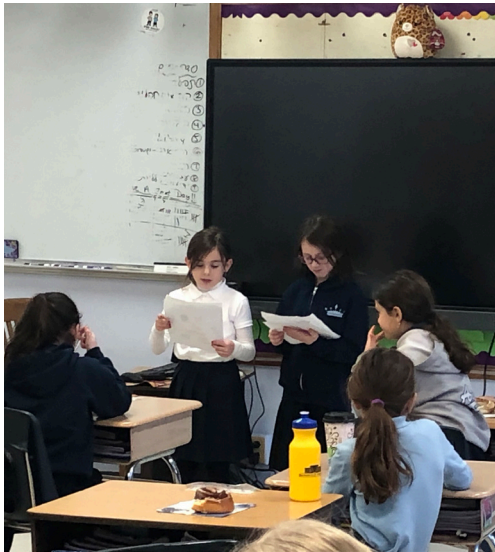

1st Grade Boys News

Mrs. Stein's first grade boys ended their Geology unit by making "live" volcanoes. They mixed baking soda, dish soap, warm water and red food dye to give it a lava color and then slowly added vinegar to make their volcanoes erupt.

3rd Grade Girls News

Third grade girls Siyum on Parshas Toldos. The girls had hot cocoa with whipped cream, marshmallows, and cinnamon buns. Thank you to Dani DeAngelis, Olivia Rosenbloom, Dasi Prero, and Meira Goldstein for their beautiful Divrei Torah.

PRE-NURSERY

NURSERY

KINDERGARTEN

This week in Nursery we have started the letter Bais/Veis! We know that a Bais has a dot, and a Veis does not! Our favorite part of the week was having a בלון party! All of the Nursery classes joined together in the hallway and had so much fun! We also made beautiful ברכת הבית signs for our houses.

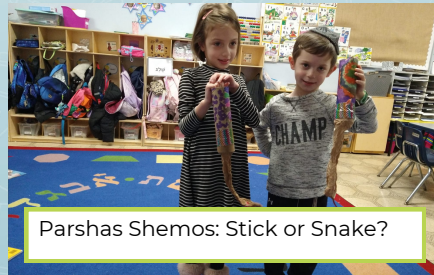

This week the Olive Room had a ❄️SNOWY❄️ good time starting our snow unit! We started off our winter week with a fine motor snowman rescue mission 🧊 and then had a great time doing negative image polar bear painting! 🐻 We also played a fun winter matching game and even ate a delicious and healthy snowman banana snack 🍌

Find your ב-א partner game!

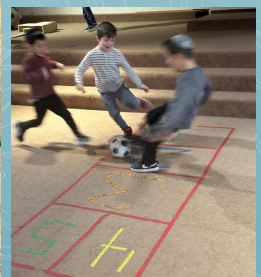

The Kindergarteners were very engaged in an activity similar to a scavenger hunt, called Write the Room. With clipboard and pencil in hand, the Yeladim searched the classroom for the picture and word for each חרף word. Next, they wrote each word next to the matching picture on their clipboards. A fun time was had by all during this learning activity that had everyone moving, searching, and writing!

Parshas Shemos: Stick or Snake?

The first week of January the Kindergarteners have been busy! Extra cold days kept us building with Magnatiles & enjoying indoor soccer! We got creative with snacks, & learned 2 new vowel pairs in phonics!

HAVE A GOOD SHABBOS!
