Where Middos and Learning Are Linked Together

## 7th Grade Girls News

The 7th grade girls are participating in the בגדי ישראל drive run by HTC for all the misplaced families in Israel, who had to leave their homes with nothing but the clothing they were wearing. The girls are collecting brand new clothing as well as raising money to purchase new clothing and then delivering it on Sunday where it will be taken to Israel. The Talmidos feel so fortunate to be able to participate in this Chesed and doing such a huge Mitzvah to help our people in Israel.

## Luach

**Friday, October 20**

Tuesday, Oct. 24: Mac and Cheese  
Wednesday, Oct. 25: Chicken Fingers  
Thursday, Oct. 26: Grilled Cheese  
Friday, Oct. 27: Pizza

## Art News by Mrs. Bleichman

This week in art, the 5th grade girls talked about using your voice, and your art, to spread positivity and light. The girls each chose a word that is meaningful to them. Then, they created a lightbulb and used their word as the filament. These lightbulbs are on display in the hallway hoping to inspire others to be the light during these trying times.

Emuna Through Art by Mrs. Greenberger

In Emuna Through Art we are internalizing the message of דוד המלך that no matter what we are going through in life, good times, or difficult times, they are all an opportunity to connect with and come closer to Hashem. דוד המלך נעים זמירות ישראל...He sang to Hashem through it all.  
אין עוד מלבדו - There is no one like Hashem!

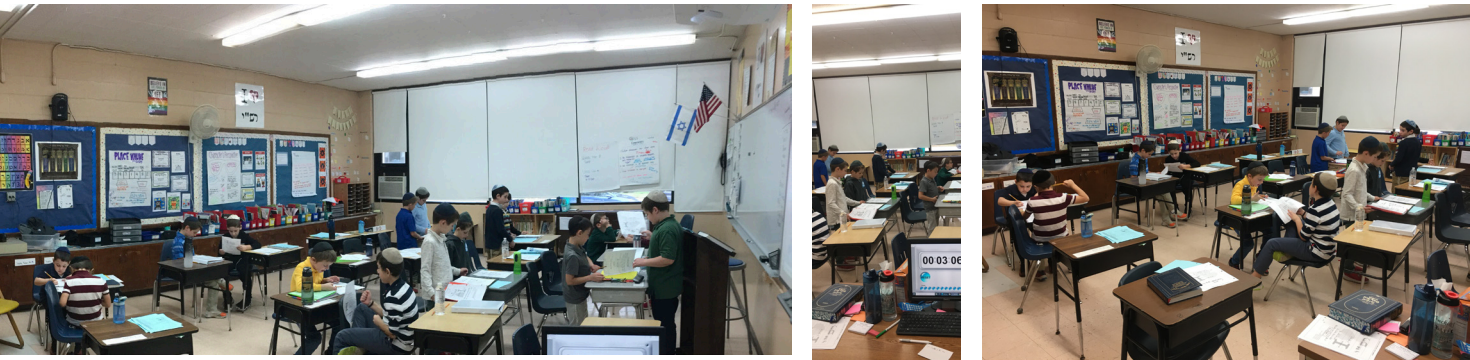

1st Grade Boys News

Learning in stations in Morah Caplan's class.

3rd Grade Boys News

Rabbi Raiz's class learning with Chavrusos.

2nd Grade News

The 2nd graders draw pictures for the Chayalim in Israel.

4th Grade Boys News

The 4th grade boys write letters to Chayalim.

## 6th-8th Grade Boys News

The two school days between Yom Kippur and Sukkos were packed with special learning opportunities for the 6th-8th graders. On Tuesday, the 7th and 8th graders met in the Beis Midrash for a special pre Sukkos Beis Midrash learning sessions focused on the Sugya of Beautifying the Mitzvah of the four Minim. Rabbi Nadoff gave a fantastic introduction and summary of the topic. The Student Council did a great job of encouraging the learning by giving out raffle tickets and announcing the winners! On Wednesday, Rabbi Saks arranged a special, surprise guest speaker to teach the 6th-8th graders in the gym. Rabbi Uri Zimmerman from the ATT, who is an expert salesman in everything to do with the Minim, gave a fascinating presentation about what to look for in a Lulav and Esrog which included a hands-on activity that was super fun and practical! Everyone learned how to make their own ties for the Lulav. What a great way to get ready for the Yom Tov!

## The Arie Crown Family would like to extend a Mazel Tov to:

### **BIRTHS:**

- \*Ms. Stephanie Faratci on the birth of a granddaughter, Emunah Revayah, born to Mr. and Mrs. Yaakov an Yolly Faratci.

## EC CALENDAR

Sunday, October 29  
Early Childhood Open House  
For Current and Prospective  
Families

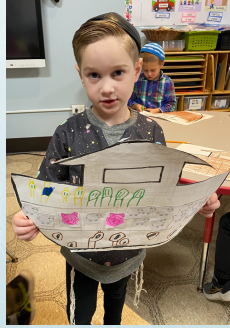

The Emerald room collaborated together to decorate our room for Parshas Noach!

What a fun and spectacular 2 weeks we have had in the Peach Room Stay & Play class! The Yeladim learned all about farms. We explored our fine motor skills by pouring, touching and sifting through corn kernels and beans. The Peachies enjoyed learning about how milk comes from a farm and enjoyed a taste test of chocolate milk and white milk! Chocolate milk was the winner!! The Yeladim enjoyed painting with corn on the cob and painting with white paint and guessing what their spilt milk pictures would look like! What beautiful creations! 😊😊 After learning about chickens 🐔🐔 and how they lay eggs 🥚🥚, the Peachies had an egg race and cheered on their classmates! Great job Peach Room!! Have a wonderful Shabbos!!!! 😊😊😊😊🌸🌸🌸🌸🌸🌸🌸🌸🌸🌸🌸🌸

The Yeladim in Kindergarten enjoyed many special programs in honor of Parshas Noach. They made a giant "Taiva" bulletin board as well as a smaller one to take home. The petting zoo is such a special activity, thank you AC EC for planning that for us! We enjoyed animal crackers too. The Keshet (rainbow) brought in many more specials, like our "walking waters" science experiment, a variety of fruits and vegetables in which we created a rainbow before enjoying the treat and rainbow relay races with all our kindergarten friends! Wow! What a wonderful way to learn and make our Parsha come alive!

In Kindergarten, one of the letters we learned this week was the letter 'C'. Each child got to hold a castanet and together we made music with them. Using props while learning letters makes learning so much more fun!
