## 7th Grade Girls News

After raising over \$2,500, our amazing 7th grade girls went shopping on Motzei Shabbos and Sunday, to purchase winter clothing for displaced families in Israel, and then brought it to the HTC to be delivered through Bigdei Yisroel. The Chinuch in Arie Crown is to give to Am Yisrael and to care. We are saying Tehillim everyday and learning to be involved in doing as much as we can to give and help.

### 1st & 2nd Grade Girls News

The 1st and 2nd grade girls had a special activity in commemoration of the Yahrtzeit of Rochel Imeinu.

### 3rd-8th Grade News

On Thursday, the 3rd-8th graders gathered in the gym for a Tehillim Hookup, arranged by Torah U'Mesorah, to say Tehillim with schools from all over the US and Canada.

### 5th Grade Girls News

Last week the 5th grade girls had a Navi test and were studying for their Chumash test for a couple of weeks. The 5th grade girls are learning about Parshas Yisro and how Yisro knew Hashem was the best out of all the other gods he worshipped. In Mrs. Schur's and Mrs. Turoff's classes we had raffles in honor of Rosh Chodesh last week! We are so excited to start Shiras Chana soon! In art with Mrs. Greenberger we are making violins because we know Dovid Hamelech played a song to Hashem and we are making violins to remember Dovid's song!

Art News by Mrs. Bleichman

In art we are practicing mindfulness through repetition.

On The Move with Mrs. Jedd

This month we are focusing on learning how to play various playground games to make our recess time more enjoyable. Four square and hopscotch are the games of choice. If you have a piece of sidewalk chalk handy, you can make a grid and practice these games at home. Enjoy!

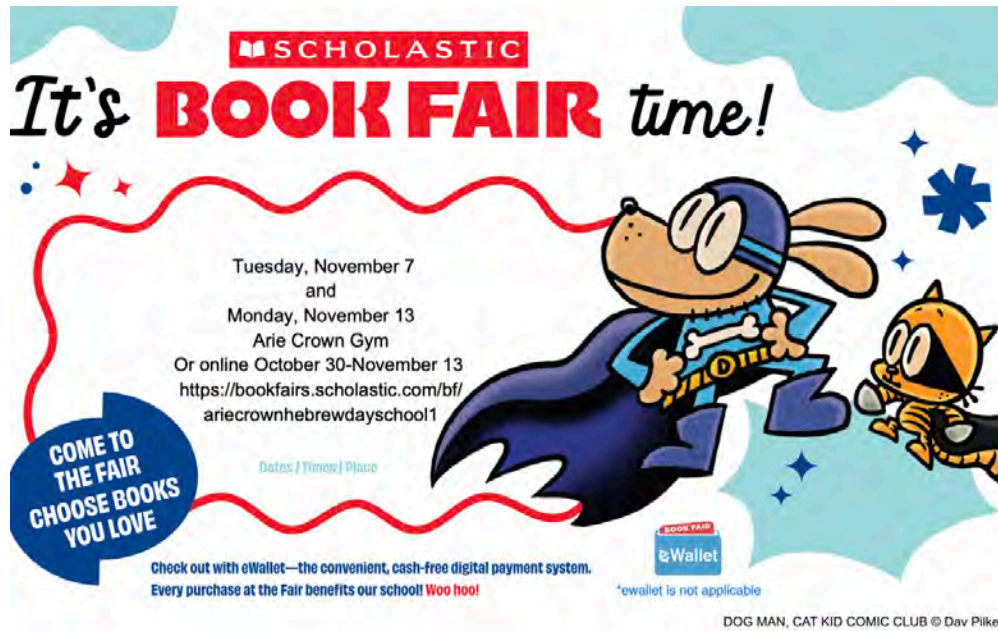

## Scholastic Book Fair

It's Scholastic Book Fair time! During Parent-Teacher Conferences on Tuesday, November 7, and Monday, November 13, come shop our large selection of books. Every purchase helps raise money to put books into our children's classrooms and of course, instill the love of reading into our children! Watch for wishlists coming home in backpacks next week. Prefer to shop virtually? You can order books through our Scholastic Book Fair web page: <http://www.scholastic.com/bf/ariecrownhebrewdayschool1>

Limited volunteer positions are available on conference nights. For more information or to volunteer, contact Naomi Lopin at [meaningfulmomentscompany@gmail.com](mailto:meaningfulmomentscompany@gmail.com). Thanks for your support!

## EC CALENDAR

For Current and Prospective  
Families

This week in the Olive Room we brought Parshas Lech Lecha to life! The Yeladim enjoyed using toy cars to paint a Tefillas Haderech sign, made yummy trail mix and played lots of games sorting things that travel in air, land and water!

This week in Stay n' Play the Nursery classes read "Goodnight Moon". We concentrated on the moon phases and got to do an edible science experiment using Oreos. We discussed symmetry using a pair of mittens where we painted on a pattern and closed the mittens and noticed on the other side it was the same painting! The Stay n' Play friends also worked on number recognition by matching cutout numbers and glueing them onto a clock!

The Kindergarten Yeladim had an exciting time taking a surprise hike just like Avram in Parshas Lech Lecha. They also made beautiful stars that adorn our halls as well as each of the kindergarten classrooms. In addition to Parsha the Yeladim are excited to have another Aleph Beis letter to learn...! They enjoy practicing writing on their lap desks as well as reading independently.

We learned the letter Ee in Kindergarten. The children tried an EXPERIMENT to see what would happen when an EGG is placed in various liquids. One EGG was placed in oil, another in vinegar, and the last in water. The children predicted what would happen to each. The outcome was that the shell of the EGG in the vinegar dissolved and was bouncy! What an EGGCELLENT science lesson!
