In Mrs. Greenberger's second grade class, the boys have been learning all about number patterns including even and odd numbers. The boys enjoyed the book "Even Steven and Odd Todd" and then made projects based on the book.

GRADE BOYS Rabbi Raiz's 3rd grade boys learning Rashi with Chavrusos. We 💛 רש"יו!

GRADE BOYS 4th grade boys making eye models to create pictures.

7TH GRADE BOYS

Mrs. Amster's 7th grade Ivrit class made challah dough and then brought it home to bake!

GRADE BOYS NEWS In 8th grade science class, Rabbi Gottesman explains the phases of the moon and Rosh Chodesh.

- 2ND BOYS

Mrs. Bleichman's 1st and 2nd grade students are "write on point"! Students created their very own "notebook paper" by making horizontal and vertical lines. They then added their own line patterns to their paper. Finally, they each created their own paper pencil, by connecting different shapes, and added it to their notebook paper. Once they understood what shapes make up a pencil, they each drew their own pencil to use as a bookmark. If we break shapes down into smaller parts, we can create anything!

In a heartwarming display of community support, Women of Kehillah is bringing joy to Arie Crown by generously gifting a brand-new collection of sports equipment and games. With a pulse on community schools' needs, Women of Kehillah, powered by Kehillah Fund, support the community's K-8 Day Schools through creative initiatives like this one! This thoughtful gift goes beyond mere supplies—it expresses appreciation for our dedicated educators and eases the school's financial burden while enhancing students' recess experiences. By providing these resources, Women of Kehillah and the Kehillah Fund demonstrate their commitment to enriching our children's educational journey. To learn more about Kehillah Fund, please visit kehillahfund.org.

- 2ND BOYS Our 1st and 2nd grade boys gathered together in the Beis Medrash to learn about Rochel Imeinu, whose Yahrtzeit was on Tuesday. Mrs. Rosenbaum shared a meaningful story about being Mevater which we learn from Rochel Imeinu. The students then decorated a beautiful picture frame of Kever Rochel.

- 8TH BOYS The 1st-8th graders who completed their Mitzvah-a-Day chart over Sukkos break, received a special prize! We are so proud of everyone. If you did not bring in your chart it is not too late to bring it in and receive your prize.

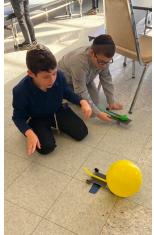

GRADE BOYS The third grade boys had so much fun at Walder Science. They made balloon powered cars to show Newton's third law of gravity.

- 8TH GIRLS

On Monday, after spending many hours transforming the Beis Medrash, Mrs. Gross, Mrs. Prero and the 8th grade girls broke out this year's Student Council theme of Lashon Hara at opening activity. Each booth was themed with a different Halacha of Lashon Hara and the 3rd-7th grade girls went and enjoyed an activity at each booth to teach them how to put that Halacha into practice. "Once it is spoken, the effect cannot be broken".

GRADE GIRLS Mrs. Lichtman's and Mrs. Dubovick's classes enjoyed the incredible Student Council opening activity on Monday!! We learned so much about our theme of Shmiras Halashon as we had fun at the different booths. Thank you so much to Mrs. Gross and Mrs. Prero and the entire 8th grade for all the effort and time they put into creating this for us!!

GRADE GIRLS

Our 4th grade girls made a beautiful piece of artwork in commemoration of Rochel Imeinu's Yahrtzeit.

Ms. Ramsey's 6th grade girls reading "A Walk to Water".

Mrs. Bleichman's 1G and 2G students are "write on point"!

NURSERY

After learning how much Avraham loved to do the Mitzvah of Hachnosas Orchim, the Nursery Yeladim had a chance to perform this Mitzvah at school. Each class invited another class for a snack or for a playdate. They practiced inviting someone over, offering them a snack and drink, and sharing toys. They had a great time and can't wait to do Hachnosas Orchim again!

STAY & PLAY

What a great week we have had in the Stay & Play Peach Room!!! We had so much fun learning all about Pete the Cat!! The Peachies let their artistic side rock while cutting, coloring and gluing and created their own Pete the Cat!!!! What beautiful Artwork!! The Yeladim loved reading "Pete the Cat and His Four Groovy Buttons"!!! The Peachies got busy sorting and coordinating the colored buttons into the right colored cups. The boys and girls had so much fun and really enjoyed our button sensory bin with colored sand and white rice inside!!!!It's all Good and Groovy!! Have a wonderful Shabbos!!!!!

KINDERGARTEN

This week in Kindergarten, the Yeladim worked on a number of projects pertaining to this week's Parsha. Specifically, they made puppets to act out the Parsha, a welcome sign for their homes and even a play phone to make Bikur Cholim calls or extend an invitation for a play date or a meal. Also, just like Sarah Imeinu had made butter, the K Yeladim shook heavy cream until it turned into butter. Not only was a tasty treat created but it led to class discussions and learning about the differences between liquids and solids.

KINDERGARTEN

K2 created their own robots by cutting, gluing and coloring while learning the letter R. Even thoughthey all had the same parts, each child's robot came out so unique.
