Where Middos and Learning Are Linked Together

8th Grade Girls Student Council News

On Monday, after spending many hours transforming the Beis Medrash, Mrs. Gross and the 8th grade girls broke out this year's Student Council theme of Tefillah at opening activity. Each booth was set up as a different Tefillah for the 3rd-7th grade girls to visit and enjoy a game or activity. In the center of the room there was a mailbox that girls could write notes to Hashem and put inside to get suctioned up a tube that led to Shamayim. Every Friday for the rest of the school year the 3rd-8th grade girls will get together to "keep in touch" with Hashem, learn about Davening and Shabbos, and sing a beautiful song about Tefillah. Special thanks to Mrs. Miriam Prero, Mrs. Rivkie Friedman, Miss Sima Cohen, Toby Lopin, Malka Friedman, Tehillah Friedman, Martin, and Gabriel who all helped so much. We couldn't have done it without them.

7th and 8th Grade News

Mrs. Matanky shared powerful lessons, with the 7th and 8th grade classes, about her recent trip to Israel on a Rabbinical mission sponsored by the RCA, worldwide Mizrahi and YU RIETS. She prefaced her stories with 4 words that she wanted the students to remember and internalize: ACHDUT CHESSED EMUNAH and GEVURAH - four ways in which people have responded to the current crisis in Israel. She praised the students for doing their part for Am Yisrael and suggested they also reach out to their friends in Israel and write letters to Chayalim, who cherish the letters that are being given to them. Mrs. Matanky reminded the students that their connection to Israel should be on an ongoing basis and not just once a year or when Israel is at war. With Hashem's help the hostages should be returned home soon, and the war should be over.

The nursery Yeladim enjoyed a visit from a special story bus. After hearing the story of "The Three Little Pigs", they had a chance to explore and play with many hands-on activities related to the story.

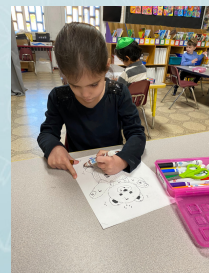

This week in Stay n' Play we started the super exciting Community Helpers unit! We had special guests come in every day to talk about how they were different kinds of helpers! We started off the week with Morah Mindy's husband telling us all about being a pharmacist 🧑💊. Mrs. Barron came one day and explained what it means to be a nurse. Special thank you to Rabbi Samber who came to talk about being a principal! We even had an extra fun story bus come to school as one of our guests!

The Yeladim in Kindergarten are earning the letter Hay this week! They formed letters using pencils, Play-Doh and pretzels. They practice writing Alef Beis in their spirals, they can do color codes and dot to dots - KA"H they are very quick learners! They can put the letters in Alef Beis order. They are beginning to read with their very first Nekudah - the Patach! They are on their way to becoming Hebrew readers!

The Parsha came alive as we smelled the delicious soup being cooked in our room! It sure made Eisav hungry, but the Yeladim still thought that Eisav was very silly for trading the soup for the special Bracha! The Yeladim took turns pretending to be Yitzchak who wasn't able to see and Yaakov wearing fur on his neck and hands. Yitzchak felt the hands and neck of Yaakov, but it sure felt like Eisav! We learned about the five senses and had lots of experiences testing out our senses this week.

We had our first field trip of the year, which was at The Grove. We started off by going on a nature walk. Then we experienced what it was like to be early pioneers living in cabins. We even got to practice some of the chores they did, such as ironing, bathing in a big bucket, grinding corn, churning butter, washing laundry and hanging it up to dry, and drawing water from the well. Inside the center, we saw turtles and snakes, and even got to touch one of them! We had a great time and learned a lot!
