It was a busy week this week for 5th grade girls! We started off with a Chumash test with Mrs. Turoff. In Mrs. Kalish's class we had a grammar and spelling test. In Mrs. Schur's class we had a Mivchan Milim. To end off the week we changed seats in Mrs. Spiliopoulous' class.

Rabbi Brand led a follow-up session with the 8th grade girls about their visit to the Illinois Holocaust Museum.

After raising \$2,500 for their Israel Tzedaka initiative to supply displaced families and families of soldiers away from their homes with bags of arts and crafts and toys and games, the package of supplies made it to Israel. In Israel, Nechama Tarshish (class of '19) and her friends at Be'er Miriam helped pack the gift bags. We give a special thank you to Mrs. Lisa Goldenherhsh who coordinated our project in Israel and is delivering the gift bags to the families.

Kedem Shlomowitz from Yerushalayim sends the biggest thank you to Chicago. His smile says it all! May all the Abbas come home soon healthy in mind, body, and soul.

Art News by Mrs. Bleichman

The 1st graders are learning all about lines, patterns, and practicing fine motor skills through making adorable line monsters! They each created their own unique line patterns working from side to side to fill up the page. I think I even saw a pickle and ice cream line! Yum! They brought them to life with oil pastels. They were so excited when they discovered that the oil pastels can be mixed together to form new colors!

This week the Gold Room friends learned all about Hachnasas Orchim and Bikur Cholim. The highlight of our week was making an invitation to the Emerald room and inviting them to play in our classroom. They also invited us into their room for a snack! We loved being able to play with new friends! We also worked on number recognition by placing number stickers onto a paper phone which the Yeladim will be using as a Bikur Cholim or Hachnasas Orchim phonebook.

Fall Fun in Stay & Play - The pre nursery Yeladim are loving learning all about Fall!! We enjoyed a Fall Scavenger Hunt and then used the nature items we found to create a collage to display in our classroom. So far our favorite activity has been baking and eating pumpkin muffins! We also had a blast playing with Fall scented play dough, singing Fall songs, using pine cones to make Fall tree pictures, playing Fall matching games, and dancing to Fall movement songs!

The Kindergarten classes acted out this week's Parsha using a real tent! The Yeladim were quick to note that our tent has only ONE door while Avraham's had FOUR! For הכנסת אורחים the children made hangers for their guests! They also made butter like Avraham and Sarah did!

K-1 had a great week! We played outside in the beautiful weather before it turned cold. We learned the letter R- we read Rosie Rabbit's Red Radishes and we made our very own robots! Center time is a favorite for building amazing things!
