## Girls' Division News

In Mrs. DeAngelis's fourth-grade class, students brought "Superfudge" to life by illustrating scenes from the story and adding their own descriptions. After lining up and arranging their scenes in chronological order, they mapped each part on a plot diagram, learning key storytelling elements like exposition, climax, and resolution. It was a fun and engaging way to explore sequencing and story structure!

### DeliciSelection Day in Fourth Grade!

PRE-NURSERY  
NURSERY  
KINDERGARTEN

# Yediot Ktanote

## PRE-NURSERY

This week in the Olive room we brought Parshas Lech Lecha to life! We used sensory bins to explore all the different modes of transportation. Land, air and sea. The Yeladim enjoyed painting camels with watercolors, using sparkly paint and special brushes to create a Tefillas Haderech card and used hole punchers and stars to create a "stars promised to Avraham" poster. We spoke about the trip that Avraham took to get all the way to Canaan. We then used cups and spoons to measure out the ingredients to make our own trail mix. We pretended to take a trip and enjoyed our yummy trail mix for snack!

## STAY & PLAY

This week in Nursery Stay and Play we learned all about friendship and sharing. We read the book "Rainbow Fish" which talks about sharing. We made friendship bracelets and learned about "soft" and "scratchy" words that make us feel good or bad!

## KINDERGARTEN

WE are the special stars that Hashem promised to Avraham!

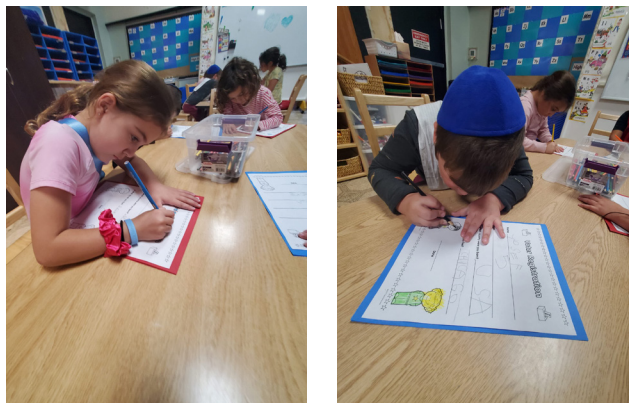

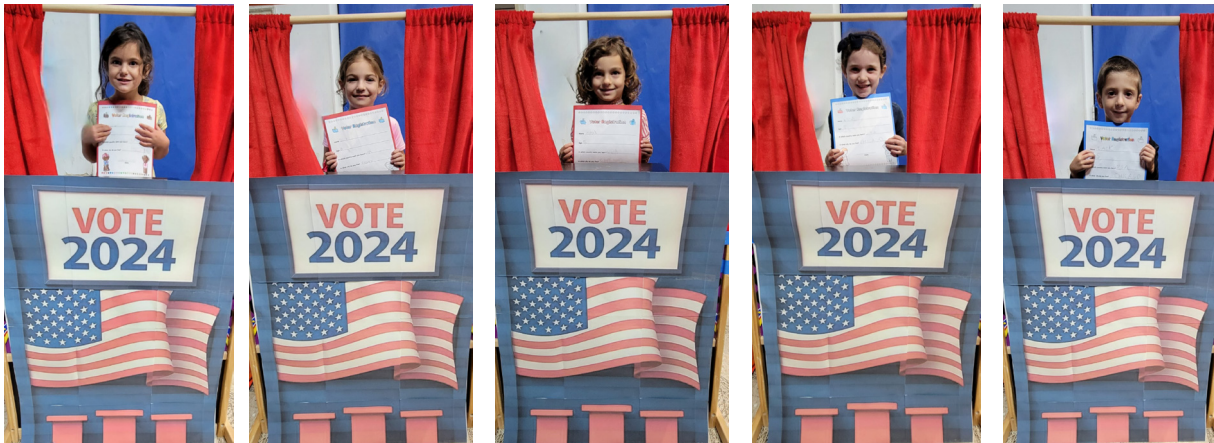

The Kindergarten Yeladim learned the letter "hay" this week. We also added our first nekudah, the patach! We are on our way to reading Hebrew!

## KINDERGARTEN

Kindergarten had their own mock elections this week! Every child got a Voter Registration card and ballots. They went one at a time in the voting booth to check off their ballots for favorite food, favorite animal, and favorite writing utensil. The Morahs counted all the ballots and announced the winners at the end of the day! Our mock election was so fun!
