3rd-8th Grade Girls News

Mrs. Morgenstern led a Sufganiya decorating workshop for our 3rd-8th grade girls!

1st-3rd Grade News

What does the number 2938 mean to you??? Can you believe that over the past month the students in grades 1-3 have all together brought in 2938 Brochos checks!!! In honor of Rosh Chodesh Teves and to wrap up our Brochos unit, the Talmidim got together on Wednesday in the Bais Medrash for an interactive game and Brochos Party. Upon coming into the room, each student was given a letter with either a Nun, Gimmel , Hey or Shin on it. They found the corner of the room that was marked with their letter and got to sit with students in different grades for some fun. In groups of 2, the students played an I Spy game to identify which food doesn't belong in the group based on the Brocha Rishona. The students were then awarded a Brochos Party, filled with foods for each Brocha. A fun time was had by all. For Mezonos, we had cookies, Hagafen- Grape juice, Haeitz- clementines, Hoadama- melon and Shehakol- a candy. Keep those Brochos coming!! Thank you to all the Moros for their help!

Art News by Mrs. Bleichman

We've had a-"latke" going on in art to celebrate Chanukah! Students began with learning how to make the shape of a dreidel. They discovered that the shape is in fact symmetrical! Students created their own dreidel stencils to draw different patterns of dreidels moving and spinning around their paper. Students also used their stencils to create pop up cards to give to their loved ones. We also had a lot of fun making oozy, drippy drawings, using wax crayons to color them in, to mimic the melted candle wax they see while the menorahs are lit. Happy Chanukah!

6th-8th Grade Boys News

Rabbi Samber spoke to the 6th-8th grade Talmidim during Mishmar L'Kavod Chanukah, followed by Maariv and Sufganiyot.

3rd Grade Girls News
