Boys' Division News

The 5th grade boys showed off their acting talent to teach each other about the different kinds of technological innovations that were created during the Age of Discovery. Some boys made rap songs, others acted as news anchors. These star students also explained how these inventions led to safer, quicker and more efficient ocean travel. Bravo to these boys!!

7TH GRADE BOYS *news*

This past Motzei Shabbos, the 7th grade boys enjoyed a Melava Malka commemorating their Bar Mitzvah year. The boys were presented with a gift from their class, made Tzitzis for soldiers in the IDF, delighted in a delicious dairy buffet, and relished in a beautiful Kumzitz! We thank our incredible Bar Mitzvah committee Sarah Nussbaum, Simcha Cohen, Nechama Perkins, Ayelet Kleinman, Sorah Zeffren and Chavee Gottlieb. Thank you to all of the Rabbeim who came to join in the Melava Malka.

1ST - 2ND BOYS *news*

The 1st and 2nd grade boys are enjoying playing with the cornhole game the Kehilah Fund gifted them!

2ND GRADE BOYS news

Mazel tov! This week the boys in Kitah Beis made a Siyum on finishing Parshas Noach! During our Siyum, the boys built their own Teivah models using their creativity and different food ingredients. Rabbi Kirshner and Mrs. Rosenbaum stopped by to test the boys on the Parsha. The boys are experts at finding key words in the Pesukim, as well as prefixes and suffixes so they could learn the Pesukim! We are so proud of all the boys' hard work and efforts and continued Chazara in school and at home.

Rabbi and Mrs. Caplan and family hosted a very special Siyum after Minyan. Together as a family they have been learning a page of Mishna Berurah every day for 500 days and have now completed the entire Mishnah Berurah! מזל טוב and thank you to the Caplan family for sharing this special occasion with us!!!

Girls'

Division News

7TH GRADE GIRLS news

The 7th grade girls are working hard on behalf of the organization Chasdei Naomi to bring light to the lives of the Holocaust survivors, soldiers' families and people in need in Eretz Yisrael. Over Chanukah, they are creating a "Shuk" in the 4th through 8th grade girls hallway from 12/26 through 12/31, selling different types of snacks during recess. All proceeds will go to support the tremendous work Chasdei Naomi does for their survivors. Chanuka takes place during the darkest and coldest time of the year. What better way could the girls LIGHT up other's lives by giving of themselves to support such a beautiful organization?

2ND GRADE GIRLS *news*

Mrs. Goldwater's second graders were fantastic in their Reader's Theater War of 1812 performances last week!. From the set and prop production, to the exemplary teamwork and the performing aspect itself, the girls were incredible!

2ND GRADE GIRLS *news*

Mrs. Grinblatt's and Morah Rivkala's second grade girls' Siyum on Parshas Noach!

5TH GRADE GIRLS *news*

Wow! What a week! This week in Mrs. Schur's class, we took a test on Perek Gimmel in Navi and got right to work on Perek Daled! In Mrs. Turoff's class we did Chumash, and had fun writing down our Parsha points. In Mrs. Kalish's class we started off the week with a pajama party! Some of us started our floats on the Native American Tribes and we learned a song about Prepositions. In Mrs. Spiliopoulous's class we learned about decimals in math, and in Science we learned about the moon! Have a good Shabbos!

NURSERY

The Silver Room has been very busy getting ready for Chanukah! This week we used an art technique called "pointilism" to paint colorful dreidels on our Maoz Tzur cards! We also learned how to write the word חנוכה in Hebrew for the top of those cards! The Yeladim enjoyed creating their own Shamash candles by melting down crayons to make colorful candles! Additionally, we made our own Dreidels! The Yeladim wrote the letters ש,ה,ג,נ and stuck them onto our wooden Dreidels. We can't wait to play with them on Chanukah! We have also been having an amazing time acting out the Chanukah story!

KINDERGARTEN

Kindergarten Yeladim are almost finished with their Chanukah projects. This week they made a Chanukah day counter, and a game to play with the family. They cannot wait to bring it all home and for all the fun to begin.

It was an exciting week! The Kindergarten Yeladim learned not only the letter yud but also their second Nekudah, the Kamatz. They reinforced their learning with games, reading and writing.
