"On The Move" News by Mrs. Jedd

This week "On the Move" took place outside due to the unseasonable warm weather. We played 2 square as a lead-up activity to a recess favorite 4 square. Students practiced striking a ball with control and aiming to have it land in their classmate's square. After that they were given "choice time" on the woodchips (swings, balance beam, parallel bars and monkey bars).

KINDERGARTEN

To create the Choshen Mishpat that the Kohen Gadol wears, the Yeladim first learned how to mix primary colors in order to create secondary colors. They each experimented mixing their colors to create 12 COMpletely new colors to represent the 12 stones on the Choshen Mishpat!

The Olivies waddled into a new penguin unit this week! • We had so much fun learning all about where penguins live, what they eat and how they keep warm! The Yeladim had so much fun "feeding" colorful fishies • to their penguin friend, painting and gluing to create their own penguins, and moving their penguin bodies to some fun movements!

The Kindergarten Yeladim know the eight special articles of clothing of the Kohein Gadol. They made paper dolls of the Kohein Gadol dressed in the Bigdei Kehuna.

We are getting ready for Purim in Kindergarten. The Yeladim painted a giant castle for our bulletin board. They also made crowns for the "Kings and Queens of Kindergarten" bulletin board!

This week we celebrated 100 days of school. The Yeladim decorated crowns, got certificates, had a special 100s day snack, and did some fun coloring activities. They were asked to bring in 100 items of whatever they wanted from their house. After showing the items to the whole class, the Yeladim had to separate their items into groups of ten and count by tens to get to 100. Also, an optional activity was to decorate a t-shirt at home and bring it in on 100s day. The Yeladim and their parents were very creative with their shirts!
