2nd Grade Boys News

The boys in Morah Schwartz's Super Second Grade are hard at work during Chumash stations. The boys learned a new Pasuk, reviewed with a Chavrusa, played a keyword sorting game, and worked on Chumash skills. Keep up the great work בתה ב!

7th Grade Girls News

On Tuesday, March 5th the 7th grade girls had an exciting field trip. They went to Skokie Village Hall, and they met the Mayor of Skokie. He told the girls what it is like to be Mayor and about how the government works. After speaking, he generously answered any questions the girls had. Then, the assistant to the Village Manager, gave them a tour of Village Hall. Afterwards, they walked across the plaza to explore the different areas and services the Skokie Public Library has to offer.

5th Grade Girls News

This week in Mrs. Turoff's class we learned a new Rashi on the Pesukim we are learning about Shabbos. We also started learning Megilas Esther. In Mrs. Schur's class we had a Mivchan Milim (word test) on Monday and we learned Risheema (list) #8! In Mrs. Kalish's class we continued writing our realistic fiction stories and we finished writing in our Social Studies packet. In Mrs. Spiliopoulous's class we had a Science quiz and we are starting to learn about the Skeletal System! All in all we had a great week!!

8th Grade Boys News

The 8th grade boys' basketball team participated in the Jewish Day School Basketball Tournament this weekend and won first place! Mazel tov to the team and to leading scorer Gavi Fedida, who won MVP of the tournament. Big thanks to Coach Lee and Coach Wes for a great season.

Emunah Through Art News by Mrs. Greenberger

In Emunah through Art we delved into יח פרת תהילים in פרת תהילים. In the Pesukim we learned that Dovid HaMelech looked up and saw the heavens, the moon, and stars and wondered about how small we are in comparison to these massive creations! He wondered, "What are we in comparison that יח remembers us?" We learned the incredible lesson from the words of Dovid HaMelech that although compared to the planets and stars etc. we are so small, we must know that outer space actually reminds us of our own greatness! It is we who walk around with lofty souls! We must remember that יח has crowned us with honor and glory by placing within us a Neshama! We are capable of accomplishing the greatest of things with every choice we make. We have the power to choose to live a life where we are always striving to grow and think of ways we can be better, kinder, and to yearn to be more deeply connected to 'n and a Torah way of life.

Family Fun STEAM Night News

Many people helped to make Family STEAM Night a fun experience for children and their parents. The planning committee was comprised of Debra Coe, Susan Eimerman, Leslie Goldmeier, Nicole Grasse, Betty Hainsfurther, Sarah Oberlander, Molly Rousseau, Toni Spiliopoulos, Judy Whisler, and Wendy Wilens. In addition, activity rooms were hosted by the committee members as well as Chris Calandra, Mary Deutsch, Suzanne Fliegelman, Stephanie Gelber, Karen Litwack, Yaakov Roth, Cara Sweet, and Ellen Wigoda. Welcoming Crew, Check-in, Check-out and Pizza Servers included Chana Abrams, Sarah Abrams, Mazal Amster, Judy Goodfriend, Debbie Jedd, and Miriam Swann. This was an attendance record breaking year with approximately 143 families registered, totaling over 400 people. Highlights of the evening included racing creations on the Lego Zipline; creating a balloon powered water bottle vehicle; Friction on a Ramp; and Firework in a Glass. New this year was the Selfie Photo Op.

I wish to thank all of the workers and attendees, because your participation made it worth the effort. Please share your pictures which may be sent to Yediot@ariecrown.org

Mrs. Eimerman

Special Thanks to the Student Helpers who helped make the evening a success!

PRE-NURSERY

NURSERY

KINDERGARTEN

The Gold Room is up to the letter n! We learned that the Hebrew word for friends is חברים. All of the Nursery classes came together and created a friendship garden with each other! Everyone dipped one hand into a primary color and mixed their hand with a friend from a different classroom to make secondary colors! We then stamped our handprints on the wall and added stems to make flowers! The Gold Room counted up all of their Tzedaka money and all together we have collected \$10.15 over the past few weeks! We decided to do a Ton with our money and buy toys for children in Chai Lifeline! We hope that this brings smiles to their faces!

We had a blast celebrating Dr. Seuss's Birthday by reading and enjoying fun activities based on many of his delightful books!! The Peachies enjoyed creating beautiful and colorful kites 3 and had a great time running with them in our spacious playground. They enjoyed creating edible and oh so yummy "Cat In The Hat" snacks using Oreos, bananas and strawberries The girls and boys played "Cat In The Hat" party theme games and really enjoyed making the famous Dr. Seuss's green Oobleck slime !!!!! Happy Birthday Dr. Seuss!!!!

Getting in the Purim mood! Making a Purim castle!

The Kindergarteners practiced ב-wwith a 'Find Your Partner' game, matching the pictures to their beginning sounds.

What a special week in Kindergarten! It's everything Dr. Seuss week! Dr. Seuss Math, rhyming games, writing & coloring. The weather was great so we had outdoor recess all week. Good Shabbos!
