## 5th Grade Girls News

This week the 5th grade girls had three tests and one essay due. In both 5th grade classes, we started Haggadah. On top of that we just found out when our Native American floats are due. Plus it was our last time with Student Council Shabbos assemblies and Rabbi Kirshner tested us on where different Tefilos are found in the Siddur. We got treated to a delicious cholent, yum! It's going to be our last session of Upwards with Mrs. Weisenberg. Wow what a jam-packed week!

4th Grade Boys News

Both Rabbi Caplan and Rabbi Isenberg's 4th grade classes collaborated to host an impressive Yetzias Mitzrayim Fair. The event showcased beautifully-designed posters, fun games, and creative displays, all centered around the themes of Yetzias Mitzrayim, including presentations on Shemos, Vaeira, Bo, and Beshalach. Students from both classes worked hard to bring these Parshios to life and create a fun and educational experience for everyone.

Zira G. Ray PTA News

This past Sunday night we had a cooking demo and tastings event by the very talented, Naomi Ross, author of the cookbook “The Giving Table”. The demo and samples were designed to hint to the food elements of the upcoming Pesach Seder. We sampled a delicious Balsamic Strawberry spinach salad as an exotic spinoff of Karpas, a mouth watering Horseradish Hazelnut Crusted fish to conjure up Maror, espresso infused meringues as a hidden Tzafun, and finally reaching the pinnacle of Shulchan Aruch by Naomi demonstrating how to prepare a delectable roast!

We also raised over \$1,600 for Eshet Chayil, an organization that supports the wives of soldiers who are serving in the IDF. We are incredibly grateful to our committee – Ruki Halpert, Avi Levinson, Shaina Ovitsky, and Mashie Polstein for organizing such an uplifting, and meaningful event. We hope to have more events like this in the future, so we can take a few minutes to spend time together outside of school. We are so grateful for everyone who was able to make it out during this busy time of year, and for those of you who could not make it, we look forward to seeing you at the next event!

6th Grade News

Mrs. Polstein's 6th grade classes have been busy erupting with excitement as they worked on their exploding volcano projects! Over the past few weeks, they've designed, built, and tested their own volcanoes, learning about the different type of volcanos in a fun interactive way.

### 4th Grade Girls News

Mrs. Goldman’s Fourth Grade girls worked to build an Achdus chain over several weeks. Every strip in the chain is either a compliment or a common element written by one girl regarding another student in the class. May our friendships continue to grow.

PRE-NURSERY

NURSERY

KINDERGARTEN

The Nursery Yeladim are hard at work learning about Pesach and creating their interactive Hagaddos! The pages have items to move, pull off and use!

This week in Olive Stay & Play the Yeladim had an amazing time learning all about SPRING 🌞🌱🌧️🌸. We planted beans, played a delicious spring bingo, and created some beautiful flower art to hang around the Olive Room! 🌺 So much fun!

The Kindergarteners are revving up for Pesach! In this photo they are decorating אפיקומן bags.

Using their entire bodies to practice the Alef bais letters, the Yeladim used their גוף to spell their Hebrew names in a fun game of גופמוש, Hebrew Twister!

K-1 is so fun! This week we finished Jolly Phonics, & celebrated with a huge party! The Kindergarten classes rotated from room to room to do fun activities and make art projects. We are so proud of our Kindergarten kids! They know every letter, they know every sound, and they are becoming readers!
