PRE-NURSERY    NURSERY    KINDERGARTEN

The Pre Nursery Yeladim have been very busy preparing for Pesach. We've sung songs, read books, played games, acted out the story, and created many beautiful projects. We can't wait for Yom Tov!

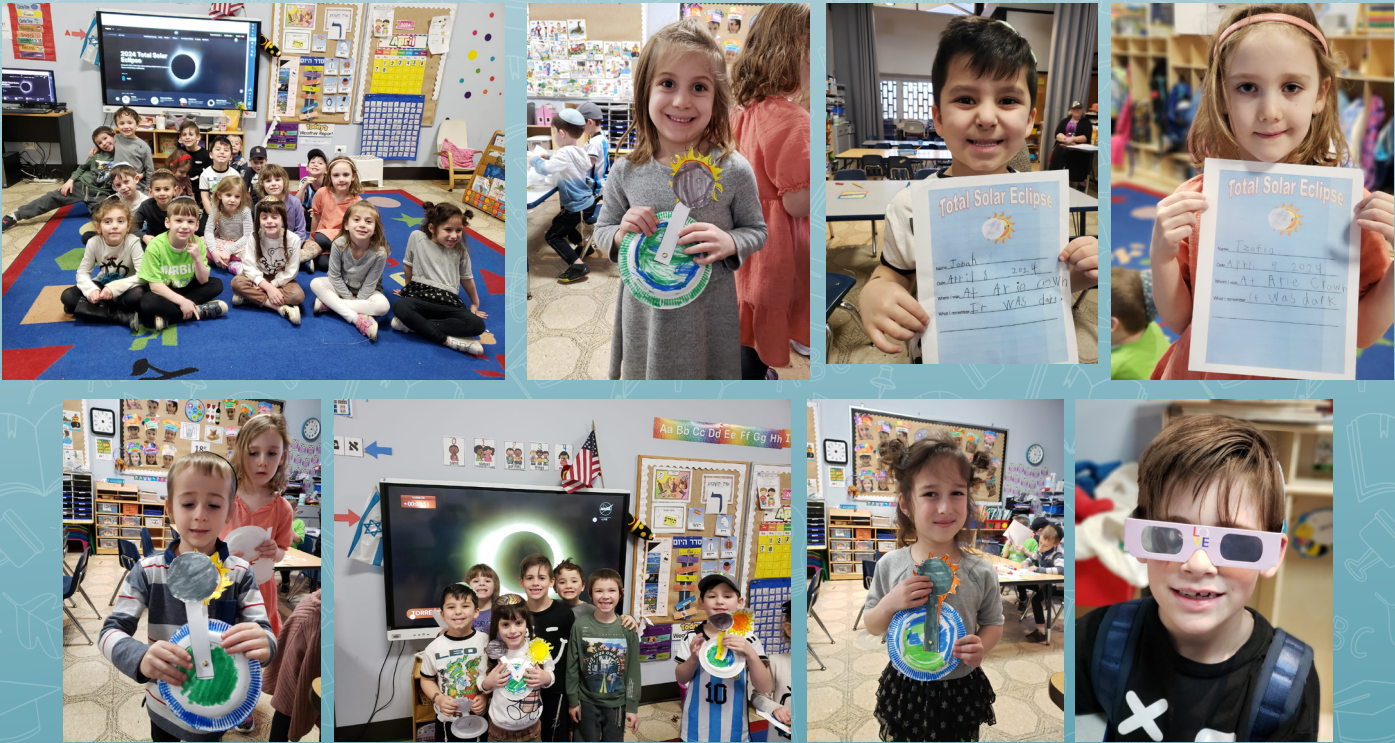

This week in Nursey Stay and Play we learned about Recycling . We reused wine corks, paper towel rolls and apple sauce pouch caps to paint with instead of paint brushes. We made our very own paper by ripping up newspaper and then blending it with water in a blender. It was such a cool experiment! We put together puzzles made out of cereal boxes. We had a lot of fun reducing, reusing and recycling!! ♻️

The Kindergarten Yeladim are very busy getting ready for Pesach! We wish everyone a Chag Kasher V'Sameach!!

We had a rare opportunity to experience a solar eclipse on Monday! The K4 students were fascinated by the NASA videos they watched from the different cities in the path of the eclipse. Each student made a model to demonstrate how the moon passed in front of the sun, blocking its light. To commemorate the occasion, we completed a writing prompt about the eclipse which will be put into our special year-end memory books.
