Yom Haatzmaut 5783 (continued...)

8th Grade Girls News

Last week, the girls in Mrs. Whisler's 8G Algebra I class, along with a record 35,000 students nationwide, competed in the Noetic Learning Math Competition. All year long, we have been solving Noetic Learning POW's (Problems of the Week) as we develop our growth mindsets and problem solving skills. Though final stats and results will not be available until sometime in May, each Mathlete received a certificate of participation on Tuesday. We couldn't be more proud, and the girls' smiles show it!

Yom Hazikaron

Arie Crown Bochrin learn B'Chavrusa as part of a Reitzifus Learning Seder, L'iluy Nishmas all those in Eretz Yirsroel that lost their lives Al Kiddush Hashem.

2nd Grade News

The Super Second Grade finished Parshas Lech Lecha and started Vayeira in their new Chumashim!

5th Grade Boys News

The Fifth Grade boys had a special guest in honor of Rosh Chodesh. Rabbi Shmuel Cohen spoke about how special we are and our potential to grow and be a Gadol in our own way!

5th Grade News

The fifth grade girls and boys each enjoyed an exciting trip to Shedd Aquarium this week! They clapped along at the dolphin show, touched the starfish, and scavenged for creatures starting with each letter of the alphabet. We'd like to extend a warm thank-you to our wonderful chaperones -- Mrs. Israel, Mrs. Garden, Mrs. Wengrow, Mrs. Frankenthal, Mrs. Kantrowitz, and Mr. Landsman. Mrs. Fedida, Mrs. Grilli, Mrs. Goldman, and Mrs. Mermelstein. We couldn't have done it without you!

On Monday, in Shemiras Halashon, we learned that praising someone too much can cause Lashon Hara. On Tuesday we made our rough draft of our "Bayit" in Ivrit! We also finished another Perek in Navi! On Wednesday it was Yom Haatzmaut!!! We got t-shirts & donuts! There was a petting zoo, two obstacle courses, a bouncy house, and the 8th grade activity! Last week we had our first "Fun Friday"! We are so excited for the next one!

The Plum Room had a great week learning about and celebrating Yom Haatzmaut! We introduced the Alef-Bais and decorated signs with our Hebrew names; used our cutting and patterning skills to make Israeli flags and Mizrachs; made colorful sand art keepsakes; beaded Kachol V'Lavan necklaces; attended "Boot Camp," rode ponies; visited the Kotel; and enjoyed delicious Israeli snacks!

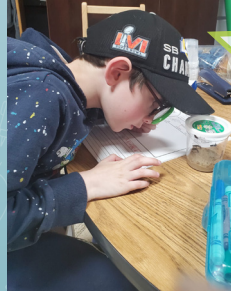

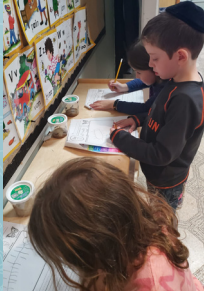

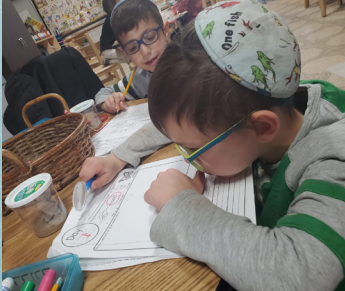

This week in Nursery Stay and Play we learned about Spring!! We made a beautiful garden of tulips by using a fork to make the tulips. What a colorful creation! Special snack Wednesday was enjoyed by all the Yeladim. We made edible butterflies. The wings were filled with nutritious and delicious cheerios and blueberries..yum! We enjoyed Spring Yoga, patterning and sequencing with flowers and made beautiful flowers using flower stencils. What a "springy" week we had 🌸🌸🌸🌸!!

The Kindergarten Yeladim learned about the map of Israel. Although it's a small country it has many different climates and there are many kinds of landscapes. The symbol of Israel demonstrates the peace we want for our Jewish state. The Yeladim made the flag of Israel as well.

On Yom Hazikaron, the Kindergarten Yeladim wrote letters to the Chayalim (Israeli soldiers) to thank them for protecting us and the land of Israel. A siren and moment of silence on Yom Hazikaron for the Kindergarten Yeladim to think about our Hakaras Hatov to the Chayalim.

This week in Kindergarten we started our butterfly unit. Right now they are in the caterpillar stage. We are observing and documenting everything we see in our butterfly journals. We are so excited to have them in our classroom!

Thank you to Dr. and Mrs. Sam and Rita Lipshitz for the Yom Haatzmaut donut treats!

Have a Good Shabbos!
