7th Grade News

The 7th grades each had a wonderful time in Springfield on their trips this week! We visited the Lincoln Home, the Capitol, Lincoln's Tomb, The Lincoln Museum and of course the gift shop! We learned a lot and enjoyed the day. Special thanks to Mrs. Wigoda for organizing the trip and going to Springfield twice in one week! Thank you to Mr. Glazer, Rabbi Gottesman, Rabbi B. Samber, Mrs. Nava Samber and Mrs. Swann for chaperoning and to Jose the amazing bus driver. We had a great day!

4th Grade Girls News

The Fourth Grade Girls had a very special program on Sunday morning to celebrate their accomplishment of finishing the whole Sefer Tehillim! They worked hard towards this goal by reading a Perek each day from the first day of school. The girls were presented with their own Tehillim and a certificate to show the importance and greatness of this accomplished goal! The girls enjoyed a delicious brunch after to sit and enjoy with their Mothers and Grandmothers!

5th Grade Girls News by Bracha Blisko & Mia Campbell

Last week we got Italian ices because we finished the 96 rules of Lashon Hara! We also made kits about the rules. For Lag B'Omer we went to a park and we ate hot dogs and chips! We played "Prisoner" and "Tap Tap Trio". There was a big fun playground and we had an amazing time! We also enjoyed our cinnamon buns for finishing the Amein marble jar for the third time! Thank you Mrs. Gross !!

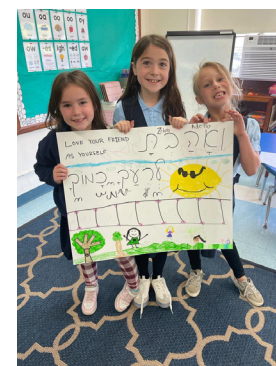

The 1st grade boys enjoyed the weather this week by doing their reading outdoors. They had a lot of fun playing math games in the classroom as well!

Morah Shapiro and Morah Zahava's 1st grade class working on Middos and Mitzvos in preparation for Shavous.

PRE-NURSERY

NURSERY

KINDERGARTEN

In the Gold Room this week we took a look at all different types of flowers in honor of getting ready for Shavuot. We talked about the different parts of a flower at circle time and then got a chance to study one flower and then paint it! We carefully looked at the different petals, their shapes, and the colors that we saw. While having the picture next to us, we painted a picture of our flower on an easel. We cannot believe how beautiful the paintings came out!

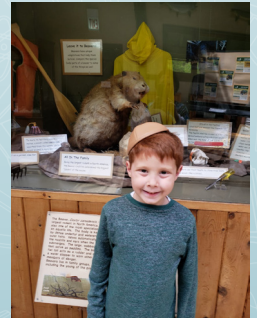

In Gold Stay and Play we had a week reading books written by Crockett Johnson which included "Harold and the Purple Crayon!" After reading "Harold and the Purple Crayon", we dipped purple yarn into glue and created our own scenes from the book. The next day they dried up and became 3D! Our week included so many fun activities like baking purple cupcakes and coloring a Nursery purple mural outside in the beautiful weather!

To commemorate Yom Yerushalayim the Kindergarten Yeladim made their own picture of the Old City of Yerushalayim! The Kindergarten Yeladim are very busy getting ready for Shavuot! What an exciting time for the Kindergarten Yeladim!! They finished their last Aleph Beis Sefer!!!!

The Kindergarten classes enjoyed a wonderful afternoon at River Trail Nature Center on Monday. The children were captivated by the animals and reptiles such as a coyote, owl, hawk, snakes and turtles. Two playgrounds, made entirely from trees, provided lots of climbing fun! The weather was beautiful and everyone enjoyed a picnic snack by a lake. We are looking forward to our next trip, Wagner Farm, in a few weeks!

Have a Good Shabbos!
