Boys' Division News

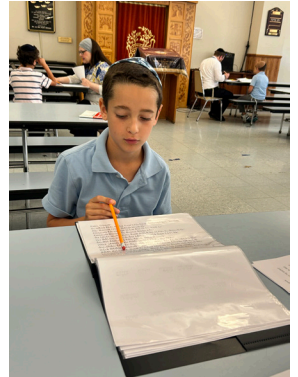

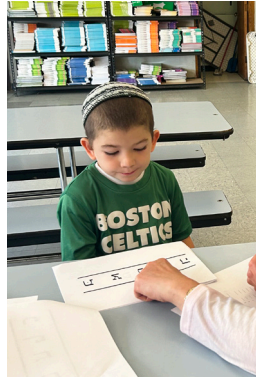

Last week in Miss Abrams' 2nd grade class, we read the book "The Crayon Box that Talked". In the beginning of the story, the crayons do not all get along. By the end of the book, the crayons learn how to work together! Each boy got a crayon to color and add to our class crayon box which will be displayed in our room all year. We learned that we are each unique and we can work together to create something incredible!

1ST - 4TH BOYS news

Our Kriah assessments are underway! Our Resource team has been trained and has been assessing our students' Kriah in grades 1-4!

7TH - 8TH BOYS news

The 7th and 8th grade boys packed a few hundred boxes for Maos Chitim, in an assembly line. The workers were all so impressed with them!

8TH GRADE BOYS news

To start the year, all the 8th grade boys were called back to school at night to hear Divrei Chizuk from Rabbi Samber. Each boy wrote down different things they would like to work on between themselves and Hashem. The night ended off with delicious a cholent made by Reb C, followed by Maariv.

Yeladim K'tanote

NURSERY

This week the Nursery Yeladim explored apples. We painted with them, tasted and graphed them, balanced them on our heads, went apple picking and more!

STAY & PLAY

What a great week we have had in the Peach Room Stay & Play this week!! The Yeladim had a great time learning all about bugs 🐞🐛🐜🐟🐌!! The Peaches enjoyed fly swatter painting, insect bingo and especially loved doing all types of bug movement and bug yoga poses!! The girls and boys were all spectacular Scientists and with the help of magnifying glasses 🔍, they saw all of the outside bugs up close !!!! The Peachie's favorite bugs on the playground were the Rollie Pollies! The Yeladim are looking forward to continuing this exciting unit on bugs.

KINDERGARTEN

Now that we are in Kindergarten, we are so excited to start learning how to read and write the letters of the Aleph Beis in our first Aleph Beis book!! We learned that in Hebrew we write the letters from right to left. We are very busy making our honey dishes and spoons! The Yeladim attached beads with wire to decorate their spoons. Kindergarten Yeladim welcomed Morah Rayli Kanter who will be helping them improve their social skills.

K-4 really enjoyed our first full week of school! We learned our first phonics letter! We had gym! We had yoga! We made snakey puppets! We made lots of new friends! Kindergarten is the best at Arie Crown!

Have a Good Shabbos!
