5TH GRADE GIRLS *news*

In Mrs. Schur's classroom we learned about Lashon Hara. We learn approximately 4 rules a week. After we learn the rule, Mrs. Schur tells us a story having to do with Lashon Hara. In Mrs. Turoff's class we learned about Elul and to be closer with Hashem. We also learned how in the month of Elul Hashem comes out of His palace and into the courtyard. In Mrs. Spiliopoulous' class we learned that math is amazing! We learned about numbers and how to tell which number is bigger. Science is also really fun and we learned about what science is and the vocabulary for science! By Rivka Bock & Miri Hunter

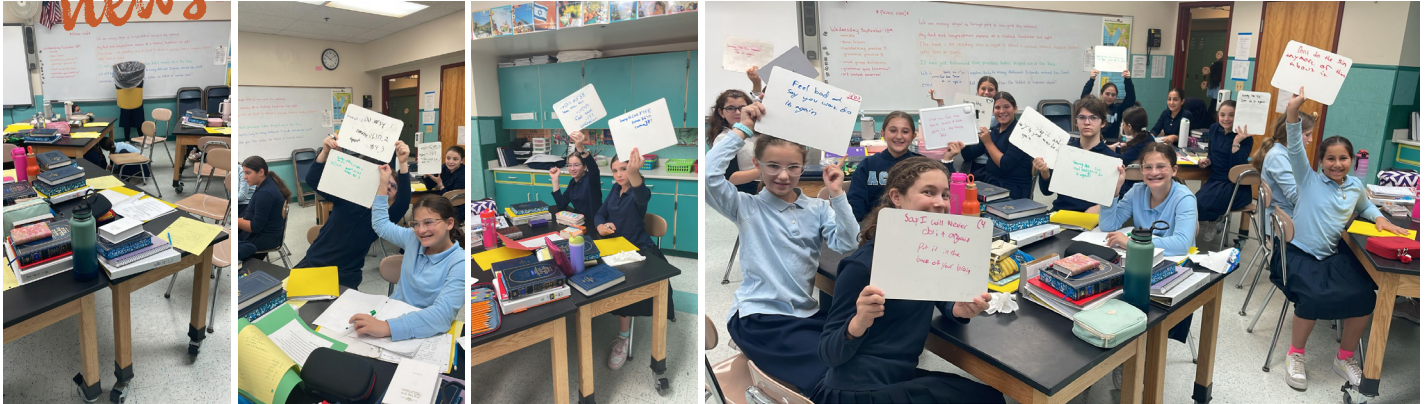

6TH GRADE GIRLS *news*

Check out 6G Limudei Kodesh. We are moving along in Chumash Bamidbar. Ask any sixth grade girl about our Clock Buddy Chavrusa system, and how much she enjoys it. We are also participating in a Shabbos davening project attempting to fill up a candy jar as we count how many Tefillos were said over every Shabbos and Sunday. After all, "Shabbos Runs on Tefilla ". Stay tuned for more exciting news from 6G.

7TH GRADE GIRLS news

In Morah Abowitz's Ivrit class we were learning the word hide/ hidden, "מחביא". We decided to act it out by playing מחבואים, Hide and Seek. We are also very busy studying הילכות חדש אלול and when our test didn't print from the printer Morah Abowitz decided to test us in a very exciting way. We all did very well :)

BIG SISTER LITTLE SISTER news

This week the 8th Grade Girls Student Council began the Big Sister/Little Sister program between the eighth graders and the third graders. Together they decorated little notebooks which will go back and forth each week to send messages to each other. The program runs throughout the entire year! Just look at all the happy faces!

5TH GRADE BOYS news

Highlighting and annotating are two of the first cross-curricular skills taught in Mrs. Malkin's 5th grade history and language arts. How does one know what information is deemed important? What clues are helpful in assessing key points? Students gain more than just this knowledge when they have opportunities to work collaboratively!

1ST GRADE BOYS news

The boys in Mrs. Zuckerman's reading group love using sand as a fun kinesthetic approach to reading!

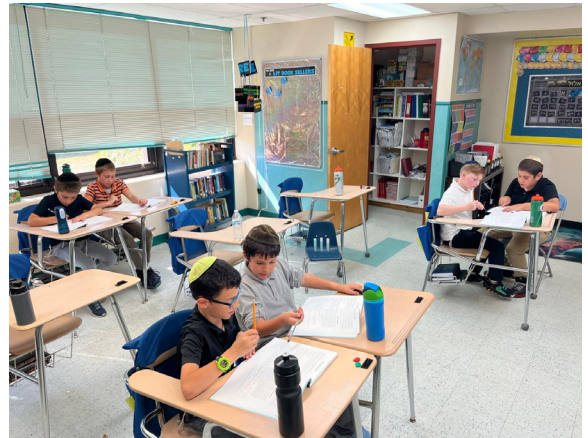

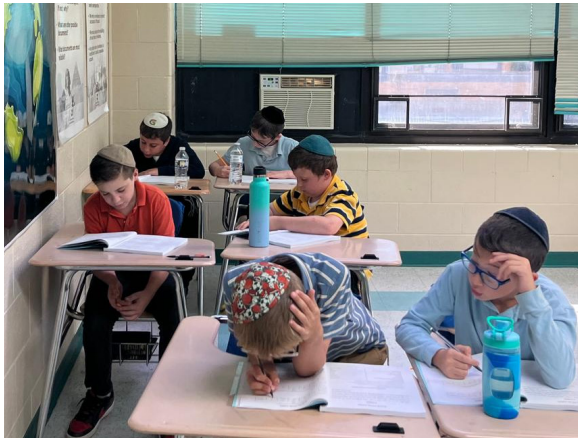

1ST GRADE BOYS news

Morah Caplan and Morah Gutstein's Kitah Alef having fun forming a "Kamatz"

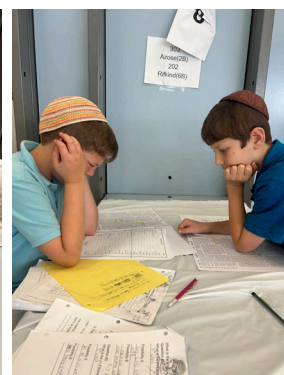

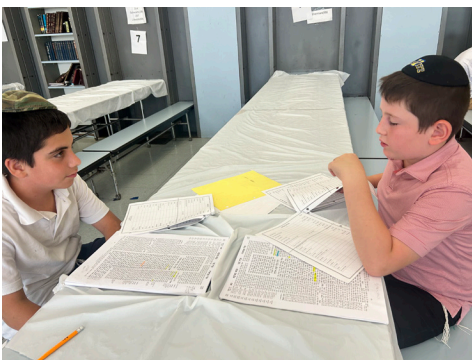

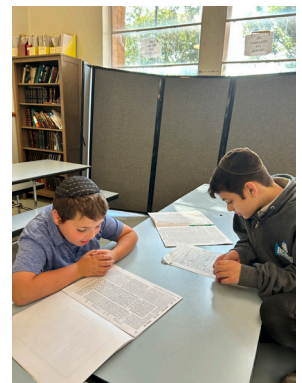

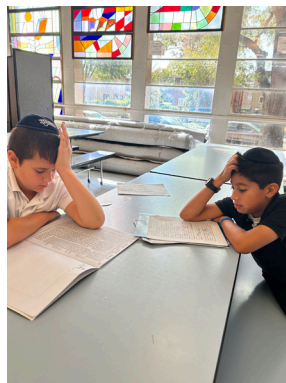

5TH GRADE BOYS news

6TH GRADE BOYS news

Rabbi Rifkind and Rabbi Litwack's 6th grade boys learning B'Chavrusa!

4TH GRADE BOYS *news*

Rabbi Cohen's 8th grade came to Rabbi Caplan's 4th grade to team up and review Mishnayos. The 4th grade just embarked on the journey of learning Maseches Sukkah, and the 8th graders came to help review the first three Mishnayos.

5TH-8TH GRADE *news*

We were honored to host Mr. and Mrs. Shoham, parents of the Israeli Hostage, Tal Shoham on Sunday morning to say Tehillim with our 5th-8th grade boys. Mr. Shoham expressed his appreciation for all of our Tefillos and shared that it is people like us that give them the Chizzuk to continue.

PRE-NURSERY

The Pre Nursery classes are having a wonderful time learning about and preparing for Rosh Hashanah! They had a blast popping paint bubbles to decorate a Tzedaka can; tasting different colored apples and graphing our favorites; listening to and holding a real Shofar; marble painting a Yehi Ratzon card; and stamping with apples, sponges and pencil erasers to make a variety of fun decorations.

STAY & PLAY

This week in Gold Room Stay and Play we learned about teeth and how to keep them healthy! We conducted an experiment with eggs and put one egg into vinegar and one into Coke. We left them for 2 days and were amazed at the results! The Coke had turned the egg shell brown which showed us that if we don't brush our teeth every day and night, they can turn colors! The other egg's shell became soft from the vinegar which showed us that if we eat vinegary and acidic type of foods it can take away our enamel. We also loved exploring with shaving cream and painting with mint toothpaste onto black teeth to make them white!

KINDERGARTEN

The Yeladim in Kindergarten have started learning the Alef Beis. We practiced writing the letters Alef and Beis in sand, shaving cream, colored rice and paint. The Yeladim also wrote on whiteboards, lap desks and the smartboard. They are reading the letters and saying their sounds. They are off to a great start! Kol Hakavod Gan Yeladim!

KINDERGARTEN

Rosh Hashana is coming soon so the Yeladim in Kindergarten are getting ready to celebrate! They beaded beautiful honey spoons to use with the amazing apple and honey plates that they dot painted. They are making a choveret (booklet) with some of the special Mitzvos/Minhagim we have for Yom Tov. The Yeladim made a game called "Ma Chaser?", "What is Missing?", with pictures of these Minhagim. Ask a Kindergartener to play the game with you! Shana Tova!

This week we learned the letter Aa. With each letter we learn a hand motion. The motion for 'A' is running our fingers up and down our arm as if Ants are crawling up and down our arm. Then we went straight to practicing writing the A on the smartboard and on worksheets.
