Monday, Sept. 30: Hot Dog  
Tuesday, Oct. 1: Baked Potato

## Boys' Division News

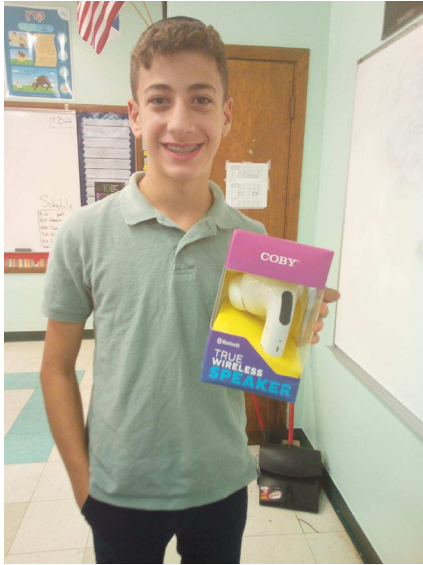

Last Friday, the 8th grade boys davened Vasikin at the beach.

## 8TH GRADE BOYS *news*

Congrats to the first group of winners who unlocked Rabbi Goykhman's famous Lockbox! The theme of this first set of prizes was "World's Biggest" - Being that the Talmidim in Rabbi Goykhman's class are shteiging and growing to new heights, it's a fitting theme indeed!

## 4TH GRADE BOYS *news*

Last Friday, the 4th grade boys completed their first mystery science activity. The boys made a robot hand and learned how bones, tendons, and muscles work together so that our body can move. They also learned that the brain tells the other body parts what to do.

## 5TH - 8TH BOYS *news*

This week was the 5th-8th grade's first week of Mishmar!

## 2ND GRADE BOYS *news*

Mrs. Greenberger's awesome, incredible, fantastic, hard-working, funny, enthusiastic, Super Second Grade boys, enjoy a moment of quiet reading on the rug :)

## 1ST GRADE BOYS *news*

Mrs. Deutsch's first grade boys are learning how to add to 10 with dice.

Girls'

Division News

## ART news

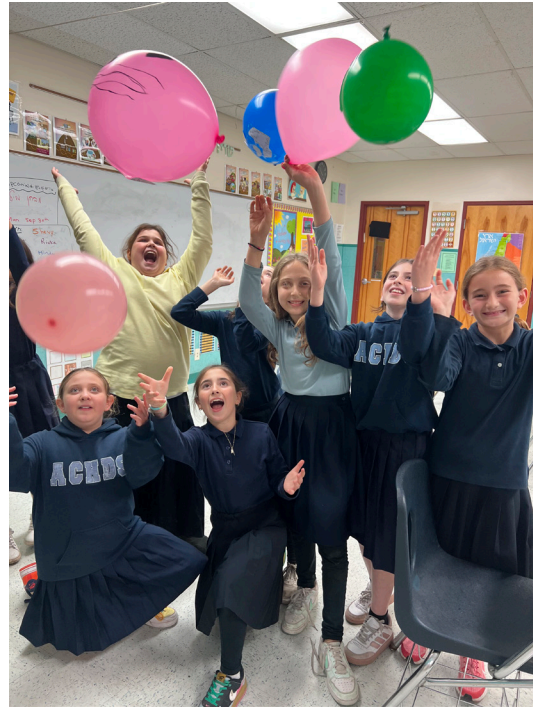

We are off to a re-marker-able year in art! Students have been working on making neurographic drawings in which they created a free flow of abstract shapes and made them come alive with unique blends of color and patterns!  
By Mrs. Bleichman

## 5TH GRADE GIRLS *news*

Mrs. Kalish's class learned all about the continents and countries of the world this week! They celebrated by blowing up balloons and cutting and pasting the continents in the correct locations.

## 5TH GRADE GIRLS *news*

In Mrs. Schur's class we learned about Chana and Aili. Chana was davening quietly but her lips were moving and Aili thought she was drunk. In Mrs. Turoff's class we learn Chumash, the davening of Rosh Hashana, and other information about Rosh Hashana. In Mrs. Kalish's class we played "Capture the Flag" for subjects and predicates. It was so fun! For Mrs. Spiliopoulous's class we learned about ratios and multiplication.  
By: Allyson Center and Tova Karsh

# 1ST GRADE GIRLS news

Mrs. Wilens's first grade class is learning all about addition and the ways to make "4" and "5" using Number Stax where her students can see how adding numbers together equals another number.

# 1ST GRADE GIRLS news

Morah Shapiro's and Morah Eliana's first grade girls finished their first Nechama Nekudah book!

## 4TH GRADE GIRLS *news*

The fourth grade girls had a fabulous “therapy session” with the dogs from “Paws for Patrick”.

## 7TH GRADE GIRLS *news*

Students in Mr. Ettinger’s 7th Grade Class are wrapping up a unit on early American history by performing skits about key moments we have covered in class. Skits will demonstrate their understanding of the motivations and considerations of major players at pivotal historical events. Pictured are members of the court of Ferdinand and Isabella of Spain as they consider whether to fund Columbus despite serious misgivings about his plans; and also Aztecs awaiting an encounter with Hernando Cortes. Other performances will describe the formation of the Iroquois Confederacy, the Treaty of Tordesillas, and Bartolome de Las Casas’s report to Spain of the conditions for natives in New Spain under the encomienda system.

## 2ND GRADE GIRLS *news*

Morah Grinblatt's Super Second Graders wishing their families Brachos for Rosh Hashana!

## 1ST GRADE GIRLS *news*

Mrs. Steinfeld's and Mrs. Atlas's first grade girls are getting ready for Rosh Hashana!

## EMUNAH THROUGH ART *news*

B"H, we've had an incredible beginning to our learning this year! We learned from **פרק כ"ז** in **ספר תהילים** the words **"אחת שאלתי מאת ה' אותה אבקש"**. The **קדושת לוי** says that this can be translated as "I have but one request, that I should always seek You!" We talked about how when you're searching for something, it's on the forefront of your mind. We learned that **דוד המלך** wanted to always remain focused on his connection with Hashem. We discussed the ways that we too can have Hashem on our minds as we go about our day, remembering that He is orchestrating it all, the big and the small, and that we too can connect in so many beautiful ways. The girls did a fabulous job on these watercolor pieces!

## EMUNAH THROUGH ART *news*

The sixth graders have begun their beautiful journey learning **פרק שירה**! Our focus will be recognizing the purposeful design in every stroke of the Divine brush and learning to contemplate a radiant world filled with the life-force and wisdom of the Creator. We started at the very beginning with the **שירה** of the **שמים**. Just as the **תורה** starts with the creation of **שמים**, **פרק שירה** begins with the song of the **שמים**. The heavens give us the opportunity to come out of our own world and sense the Presence of Hashem that surrounds us. The girls created some beautiful pieces of art depicting multiple views of the sky that they see when they lift up their eyes and contemplate its creation.

### 3RD-6TH GRADE

news

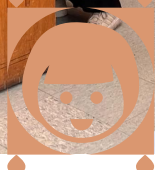

Girls Running Club is off to a great start!

### 1ST-8TH GRADE

news

The Moros of Grades 1-8 were treated to a special presentation by Mrs. Rivkah Efron (Coach Roe) of Upwards Community. She spoke about specific strategies to improve the recess experience for our girls, and shared some exciting plans of how recess will be enhanced in the coming months. We will keep you posted of these developments!

## THE ARIE CROWN FAMILY WOULD LIKE TO EXTEND A *mazel tov* TO:

PRE-NURSERY  
NURSERY  
KINDERGARTEN

# Yediot K'tanote

## NURSERY

The Silver Room Yeladim explored with pomegranates this week! We learned that there are 613 seeds in a pomegranate, just like the Mitzvos in the Torah! We held pomegranates, tasted them, and even painted our own pomegranate pictures! We also enjoyed exploring with a scale! First, we tried to balance our scale by putting even amounts of toys on both sides. Then, we tried to weigh down one side of our scale with Mitzvos just like Hashem's scale in Shamayim!

## STAY & PLAY

This week in 🟢 Olive Stay & Play 🟢 The Olivies started our five senses unit! We focused on sight 👁️ and sound 🗣️ and learned so much! We began our week with a noisemaker project, played fun games like "What sound is this?" and "I Spy", and went on a sight and sound scavenger hunt! Thanks for taking a peek into our wonderful Olive Week!

## KINDERGARTEN

The Yeladim had a blast reviewing the 4 Alef - Beis letters we have learned so far. They practiced with white boards and by shaping the letters from PlayDough. The Yeladim are also learning to recognize beginning letter sounds. Kol Hakavod!

## KINDERGARTEN

This week the Kindergarten Yeladim became scientists. They did an experiment in which they placed apple slices into different mediums. The Yeladim learned about control groups and predictions. They recorded their thoughts and the next day compared them with the results. The Yeladim really enjoyed this activity.

While learning the letter I, the Yeladim teamed up to make igloos. It was great to work with our friends and practice our fine motor skills with gluing. Thursday was Pajama Day in Kindergarten! It was so much fun getting to learn about the letter P in our PJ's!
