Where Middos and Learning Are Linked Together

3rd Grade Boys News

Rabbi Raiz's 3rd grade class made a Siyum on Parshas Chayei Sarah.

Luach

Friday, November 18

AA Candlelighting Time: 4:07 PM

Shabbos, November 19

Parshas Chayei Sarah

Sof Zman Kriyas Shema: 9:11AM

Upcoming Events

Monday, November 21

Parent/Teacher Conferences
Grades 1-8

Thurs.-Sun. November 24-27

No School - Thanksgiving
Weekend

Wednesday, November 30

No After School Programs

2nd Grade Girls News

The girls in Mrs. Leonard's second grade class began learning about maps in Social Studies. Each girl then made a map of her house. They learned strategies how to make clear maps without adding too much unnecessary detail. We talked about places we use maps like at museums, the zoo, Disney World and about the importance of road maps.

Hot Lunch

Monday, Nov. 21- Hamburger

Tuesday, Nov. 22- Baked Ziti

Wednesday, Nov. 23- Chicken Fingers

Monday, Nov. 28- Hot Dog

Tuesday, Nov. 29- Mac and Cheese

Wednesday, Nov. 30- Chicken Sandwich

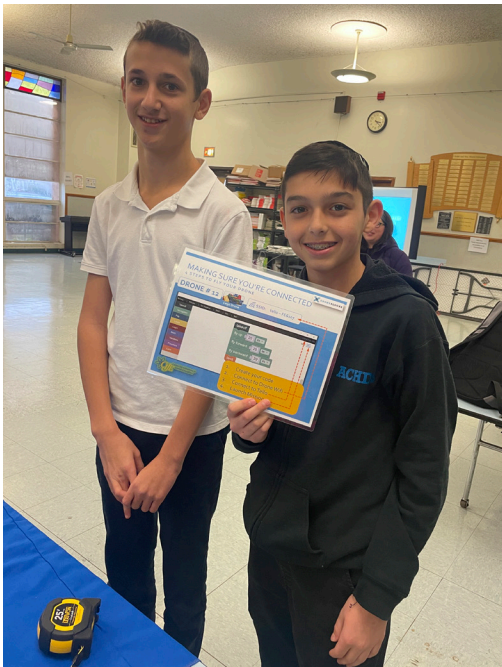

Thursday, Dec. 1- Baked Potato

Friday, Dec. 2- Pizza

**Reminder: Please send your child to school with a water bottle.
No cups will be given out.**

8th Grade News

Thank you to the Center for Initiatives in Jewish Education for coming and running the Science Drone Program with our 8th graders. Congratulations to Adam Kahnrose and Akiva Kark for being only the 3rd team in history to program their drones correctly to fly through the obstacle course and land on the launchpad. We are excited to work with CIJE on the current and future STEM programs at Arie Crown!

5th Grade Girls News

On Monday, November 7 we had a program called Eretz Chemda. We watched a video about a boy who won tickets to Eretz Yisrael. He went with his dad and they explored Eretz Yisrael. Also, in Mrs. Turoff's class we finished the Shabbos unit in Chumash. In Mrs. Schur's class we are learning Shmiras Halashon.

By: Ilana Vladimirsky and Racheli Zundell

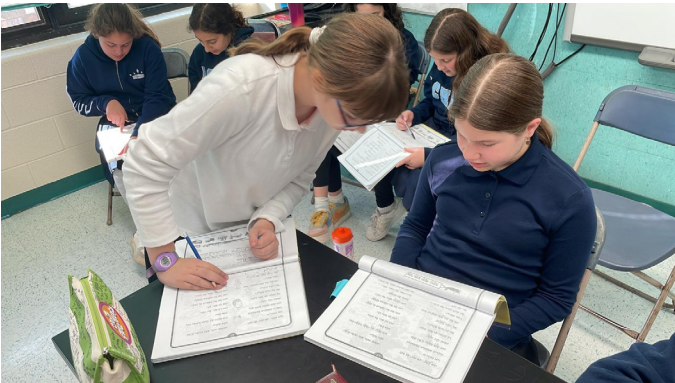

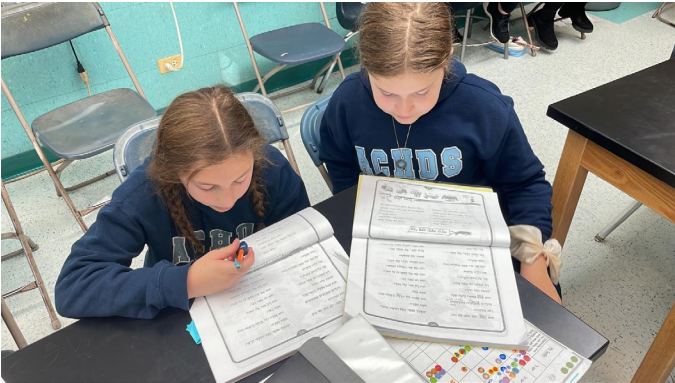

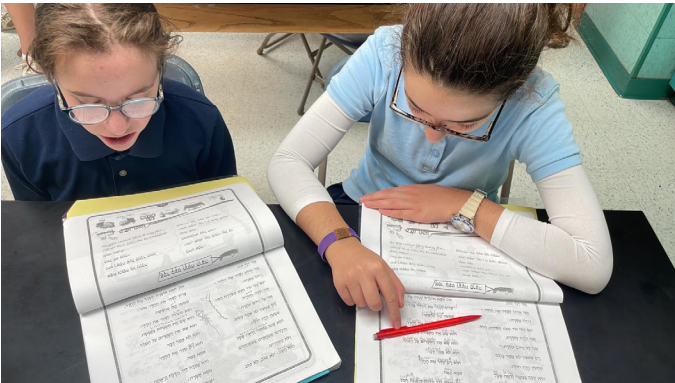

This week in Mrs. Spiliopolous's Science class we have been learning about animal and plant cells. We made an edible animal cell out of candy! The graham cracker was the cell membrane, and frosting was the cytoplasm. Then we topped the 'cell' with Cheerios for the lysosome, a gumball for the nucleus, Tootsie Rolls were the ribosome, Dots were the vacuole, and Junior Mints were the mitochondria. It was a fun and delicious way to review for our upcoming quiz.

by: Miriam Garden and Leah Garden

7th Grade Girls News

Mrs. Abowitz's 7th grade girls practicing their Ivrit by reading a story in Ivrit.

8th Grade Girls News

The Girls Student Council and eighth grade class presented their opening activity for grades 3-8 this past Monday. The theme this year is “A World of Art.. Count your Brachos! The room was transformed into a world filled with color!!! The eighth grade girls prepared ten booths highlighting different Brachos with activities to bring each Bracha to life! We look forward to learning about these Brachos throughout the year! Great job eighth grade girls and their Moros! (And Martin and Gavriel!!)

1st Grade Girls News

Morah Shapiro and Morah Zahava's class having a Kriah race.

3rd Grade Boys News

The third grade boys had a great time meeting therapy dogs!

2nd Grade Girls News

The 2nd grade Girls measured the 300 Amos of the Taivah thru the hallway of Arie Crown. Amah to Amah from Kenton to Kilpatrick!!!

Middos Matter News

Arie Crown's Middos Matter school-wide initiative is continuing strong! “Be Respectful, Be Responsible, Be Safe, Be Kind” are our schoolwide expectations.

**** MIDDOS MATTER ALL STARS!! ****

As part of our Middos Matter program, teachers have been giving Middos Matter points for students who have demonstrated their Respectful, Responsible, Safe and Kind behaviors around school. Every week, we recognize the students who have earned the most points in each class that week and they each receive a small prize.

Congratulations to the winners from last week!

The Olive Room learns how to be "bucket fillers" and are excited to be part of the Chesed Club!

In this week's Parsha, Rivka worked so very hard to get water to give to the camels. The Olive Room Yeladim had a great time doing water experiments and estimating how many cups of water it would take to fill up various cups and buckets from around the classroom. We saw that the bigger the bucket the longer and harder it was to fill them up. We discussed the many ways that we can do Chesed and be "bucket fillers" just like

Rivka! We used colored pencils to make adorable Shrinky Dink "Chesed Club" heart keychains! We can't wait to continue to fill up our Olive Room Chesed bucket that the Yeladim all worked together to decorate.

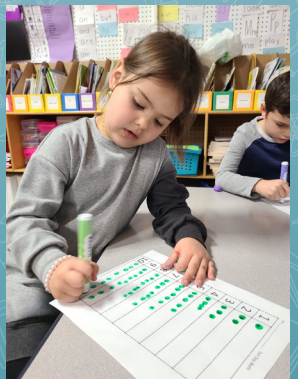

The Peachies had a great time learning all about how to keep their bodies safe and healthy during our "Healthy Me" week! We experimented on eggs to see how different drinks affect our teeth, did lots of exercise and movement to keep our bodies strong, and had lots of healthy fruits and vegetables for snack the whole week! 🍌🥑🥦

The Kindergarten Yeladim learned so much this week. They started with the Parsha, and we spoke about Rivkah meeting Eliezer at a well and drawing water for him and his camels. From there it blossomed into learning about simple machines, like a pulley. The Yeladim actually used a pulley to bring up a gallon of water in a bucket. Our discussions then lead to how many gallons of water a camel can drink in just a few minutes. The Yeladim were amazed!

As always, the Kindergarteners had fun while learning the Aleph-Beis. They used many mediums to help reinforce the letters learned. A few examples were Play-Doh, chalkboards and the ever fun Smart Board.

K2 is enjoying their Dot Day to celebrate learning the letter D. They created amazing dot pictures and dot math.

PUT YOUR TAX DOLLARS TO WORK FOR OUR CHILDREN

**ALLOCATE YOUR TAX DOLLARS
TO ARIE CROWN STUDENT SCHOLARSHIPS TODAY!**

What is STC?

The Invest in Kids Scholarship Tax Credit Program (STC) was enacted by the State of Illinois in 2017. Under the program, local individuals and businesses that make an STC donation receive a 75 percent Illinois state income tax credit. The donated funds then provide scholarships to low- and middle - income children to attend qualified, non-public schools, including about 200 students annually at Arie Crown.

Is this program for me?

If you have Illinois state taxes withheld from your paycheck
OR
if you pay estimated taxes, you can benefit from this program

YOU DONATE

To learn more, contact:
Aviva Needle
anneedle@reachchicago.org

November 6, 20; December 4, 11, 18; January 8
11:00 AM – 12:30 PM

at the ATT

3531 Madison St., Skokie, IL

**Must attend all 6 sessions*

Facilitated by:

Rusi Sukenik

M.Ed., CPS-certified

Director of Student Services, REACH

The **Collaborative Problem Solving® (CPS)** approach is an evidence-based method to managing challenging behavior that promotes the understanding that **challenging kids lack the skill - not the will - to behave**; specifically, skills related to problem-solving, flexibility and frustration tolerance.
