PRE-NURSERY

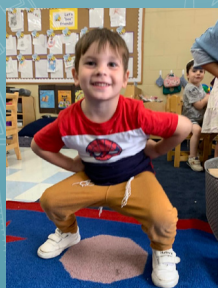

NURSERY

KINDERGARTEN

The Yeladim in Pre Nursery had a wonderful time preparing for the upcoming Yom Tov of Rosh Hashana!! They enjoyed creating many different projects including noisy shofars, honey dishes, apple plates and their very own Apple Book!!! The Yeladim are so excited to take home their Rosh Hashana bags and celebrate the beautiful holiday with their families!!! 🍏🍏🍏🍏🍏🍏
Shana Tova and a Happy New Year!!!!

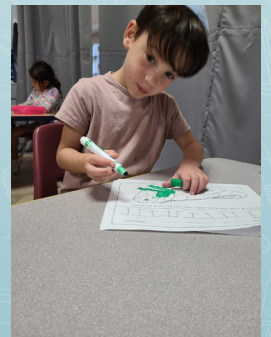

The Pre Nursery Stay & Play classes began our multi-week farm unit! In the Plum Room, we've had a blast painting with real corn on the cob, completing patterns, doing puzzles, baking corn muffins, and doing farm animal yoga poses! Lots more fun is coming in the coming weeks.

The Kindergarten Yeladim continued to learn all about Rosh HaShana. They truly enjoyed going over their booklets and explaining each page. They can't wait to share their knowledge.

The Yeladim are up to 1 in the Aleph-Beis. One of their favorite activities is trying to figure out the beginning sounds in words.

This week in K2 we learned about the letter I. The Yeladim used their inch worms to measure different parts of the classroom and also worked on their iguanas at their tables. We used our sense of sight and sound to observe seashells in our sensory part of the classroom. At the end of the week every child was able to bring in 3 small items that were important to them and share with the class for All About Me.

Have a Good Shabbos!
