Where Middos and Learning Are Linked Together

5th & 6th Grade Boys Mishmar News

On Monday and Tuesday this week, 5th and 6th Grade Mishmar took a 50 question test on everything we have learned so far this year. It is wonderful to see the amazing effort they are putting into their learning. May it keep going and going!

ATT Teachers Conference Day

7th Grade Girls News

The 7th grade girls are working really hard on their Social Studies immigration projects. Each group picked one culture and learned all about how and why they came to America. They are currently finishing up their wonderful and creative displays, which will surely turn out incredible.

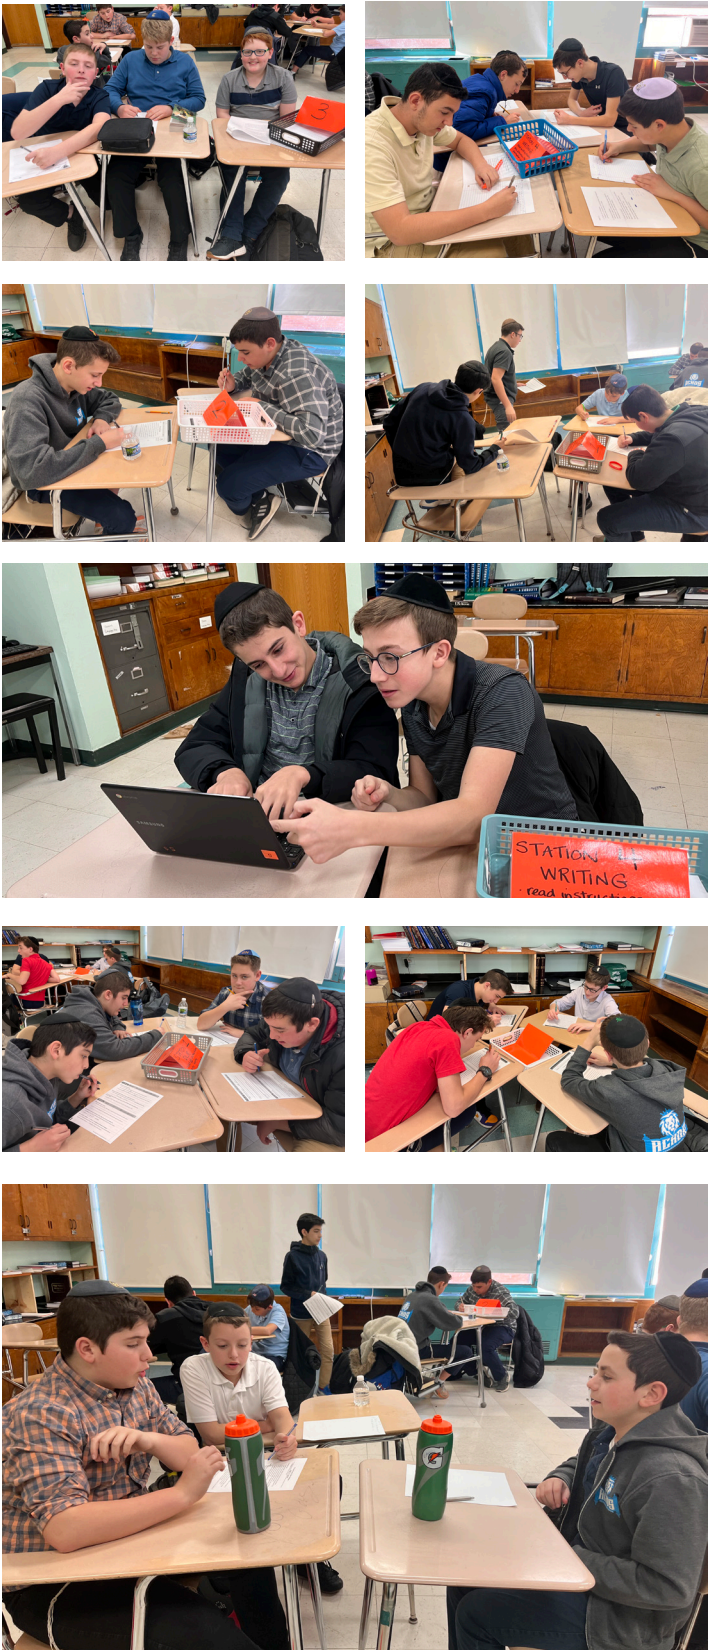

7th Grade Boys News

To prepare for their upcoming Revolutionary War assessment, the 7th grade boys took part in a "Message Decoding & Deciphering Escape Room" that was on the topic of the "Causes of the War". The students had a lot of fun working together to solve the various puzzles and coded messages!

8th Grade Boys News

The 8th grade boys Language Arts classes have been working hard to prepare for station rotation learning! We kicked things off last week and it was great to see them working together at such a high level! —Mrs. Swann

5th Grade Girls News

The 5th grade girls have been learning all the names of the major bones in the human skeleton. They also did a fun project making X-rays of their hands using some crayons, construction paper, and oil.

2nd Grade Boys News

Morah Schwartz's Super Second are grade hard at work learning and reviewing their keywords.

5th Grade Girls News

In Mrs. Kalish's 5th grade class this week, we finished a read-aloud book - "Project Mulberry" - that we started at the beginning of the year! The students are writing a prequel or sequel to the story, and all of the writing pieces will be mailed to the author. We're hoping she writes us back soon!

Middos Matter News

Arie Crown's Middos Matter school-wide initiative is continuing strong! "Be Respectful, Be Responsible, Be Safe, Be Kind" are our schoolwide expectations.

**** MIDDOS MATTER ALL STARS!! ****

As part of our Middos Matter program, teachers have been giving Middos Matter points for students who have demonstrated their Respectful, Responsible, Safe and Kind behaviors around school. Every week, we recognize the students who have earned the most points in each class that week and they each receive a small prize.

Congratulations to the winners from last week!

No School - Presidents' Day
Weekend

Shoshana Safirstein
Early Childhood Director
ssafirstein@ariecrown.org

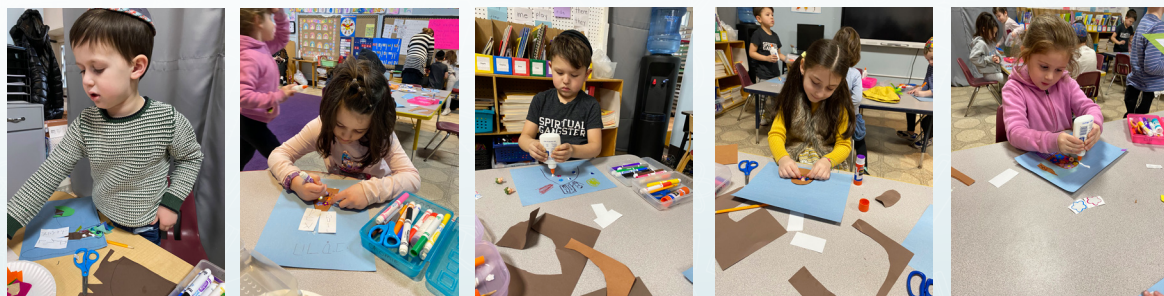

Our annual February fun week at early childhood was a blast with silly hat day, glow party, crazy hair day and pajama day activities!

In honor of learning the letter Gimmel in nursery, and celebrating Tu B'shvat, the Yeladim planted a 'Gan'/garden for the classroom! They are learning how to take proper care of each kind of plant and documenting their growth in the coming weeks!

This week the Pre-Nursery Stay & Play classes are learning all about penguins! We completed beautiful arts and crafts projects, played a fun game where we fed fish to penguins, made adorable and delicious penguin snacks, did a penguin-themed movement activity, and a fun science experiment!

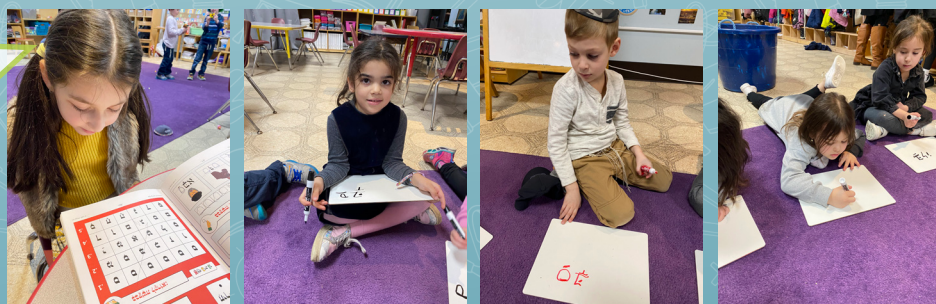

The Kindergarten Yeladim created the scene at Har Sinai when Bnei Yisrael received the Luchos.

Kindergarten Yeladim made beautiful trees for Tu B'Shvat using the "Ripped Paper" method. On Tu B'Shvat the Kindergarten Yeladim made trees using pretzels, oranges and blueberries. Delicious Tu B'Shvat snack!

The Kindergarten Yeladim are becoming Alef Beis readers and writers! Morah gave them a word and the Yeladim figured out how to write it on their whiteboards!

This week we learned the 'oo' letter combination. To go along with it we read "The Foot Book" by Dr. Seuss. We then did a fun activity where we had to trace our foot, and then measure how many cubes it is, using counting cubes. Not only was this a fun activity, but we incorporated math into it!

ARIE CROWN HEBREW DAY SCHOOL
PRESENTS

FAMILY MATH NIGHT
